LETTER TO UNITHOLDERS

LETTER TO ALL UNITHOLDERS OF quant Mutual Fund

Dear Unit holder,

Re: Proposal for Merger of Schemes of quant Mutual Fund and introduction of segregated portfolio in quant Liquid Fund

Thank you for choosing quant Mutual Fund ("the Fund") as your investment partner. We truly appreciate your trust in us.

We would like to inform you that that quant Capital Trustee Limited, the Trustee to quant Mutual Fund ("the Fund"), has approved the merger of quant Dynamic Bond (an open ended Dynamic Bond scheme investing across duration) and quant Money Market Fund (an open ended debt scheme investing in debt and money market instruments having residual maturity upto one year (hereinafter referred to as "Transferor Schemes"/"Merging Scheme") with quant Liquid Fund (an open ended Liquid Scheme) (hereinafter referred to as with "Transferee Scheme"/"Surviving Scheme") due to the scenario of low interest rates, the AMC believe that investors will not be able to generate the required levels of return. In the past 2 years, beginning from January 2018, the Average AUM of the MF Industry for the Dynamic Bond and the Money Market schemes has declined by ~50% and 30% respectively. In this time, at quant Mutual Fund, we have also been subject to outflows in the respective schemes. Over time, the returns between debt schemes have been converging giving us further impetus to combine these schemes as one.

Given the interest rate dynamic and the lack of desirable returns for the investors, we would like to merge the Dynamic Bond and the Money Market Scheme with the Liquid Fund. While our Dynamic Bond Fund and Money Market Fund has seen outflows, the Liquid Fund has had steady inflows over time.

Further SEBI vide its Circular no. SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28, 2018 has permitted introduction of segregated portfolio in quant Liquid Fund. The Boards of Directors of quant Money Managers Limited and quant Capital Trustee Limited have approved introduction of segregated portfolio in quant Liquid Fund in case of a credit event. In view of the same, the provisions shall be inserted as sub-section "J". "Creation of segregated portfolio" under section "II" in the Scheme Information Document. The details of the provisions have been mentioned in Annexure VI.

The record date for the above proposals is February 13, 2021 ("Effective Date").

From the Effective Date, the Transferor Schemes will cease to exist and the Unitholders of the Transferor Schemes will become Unitholders of the Transferee Scheme in the designated Plans/Options. Further, no fresh subscription including switch-ins and registration for Systematic Investment Plan (SIP)/Systematic Withdrawal Plan (SWP)/Systematic Transfer Plan (STP) will be accepted in the Transferor Schemes with effect from January 13, 2021 (Start Date of Exit option).

The Securities and Exchange Board of India has vide its communication dated January 06, 2021 conveyed its no objection to the aforesaid proposals.

Pursuant to SEBI circular dated June 23, 2003, the merger of Transferor Schemes with Transferee Scheme will be treated as change in fundamental attributes of the Transferor Schemes. Further, since the proposed merger shall not change the features/provisions of the Transferee Scheme and the interest of the Unitholders of the Transferee Scheme are not affected, the proposed merger will not be treated as change in fundamental attributes of Transferee Scheme in terms of SEBI circular dated October 22, 2010. In terms of the prevailing regulatory requirements, Unitholders of the Transferor Schemes and Transferee Scheme who do not agree with the proposed merger, are given an option to exit i.e. redeem their units (fully or partly) or switch to other scheme(s) of the Fund at the Applicable NAV of the respective Schemes without any exit load for a period of 30 days starting from January 13, 2021 till February 12, 2021 (both days inclusive) (hereinafter referred to as "exit option period"). Redemption/switch-out requests can be submitted at any of the Investor Service Centres of the Registrar and Transfer Agents of the Fund viz. KFin Technologies Private Limited or AMC Registered Office on or before February 12, 2021 (upto 01.00 p.m. on February 12, 2021). Unitholders who hold the units of the Transferor Schemes and Transferee Scheme in electronic (demat) mode need to submit the redemption request to their Depository Participant. The redemption proceeds will be paid out either electronically or by a cheque within 10 Business Days of receipt of valid redemption request to those Unitholders who choose to exercise the exit option. Unitholders who have pledged or encumbered their units in the Transferor Schemes and/or Transferee Scheme will not have the option to exit unless they procure a release of their pledge prior to submitting the redemption request. In case the lien is marked on the units held in the Transferor Schemes and/or Transferee Scheme and such Unit holder decides to continue to remain invested i.e. does not redeem or switch out during the exit option period, then the units allotted in Transferee Scheme pursuant to merger will also be automatically subject to lien in Transferee Scheme post merger. In case of Unitholders who are holding Units of the Transferor Schemes in electronic (demat) mode and who don't submit redemption/ switch-out request during the exit option period, such units of the Transferor Schemes will be extinguished from their demat account and proportionate units of the Transferee Scheme will be credited to their demat account after the Effective Date.

It may however be noted that the offer to exit is purely optional and not compulsory. If the Unit holder has no objection to the aforesaid merger, no action is required to be taken and it would be deemed that such Unit holder has consented to the merger of the Scheme.

Unitholders of the Transferor Schemes and/or Transferee Scheme who do not exercise the exit option on or before February 12, 2021 would be deemed to have consented to the proposed merger and will be allotted units under the Plans/Options of the Transferee Scheme as stated in the table below at the Applicable NAV as on the close of business hours on Effective Date:

Plan/Option under which Units will be allotted in the Transferor Scheme(quant Money Market Fund)	Plan/Option under which Units will be allotted in the Transferor Scheme(quant Dynamic Bond)	Plan/Option under which Units will be allotted in the Transferee Scheme(quant Liquid Fund)

Regular Plan - Growth Option	Regular Plan - Growth Option	Regular Plan – Growth Option
Regular Plan - Dividend Option	Regular Plan - Dividend Option	Regular Plan - Monthly Dividend Option

In case of Unitholders under the Transferor Schemes who had registered for Systematic investment facilities such as SIP/STP/SWP decide to continue their investments i.e. do not opt for the Exit Option, then such SIP/STP/SWP registrations will continue to be processed under the respective Plan/Option of the Transferee Scheme from the Effective Date and no fresh registration will be required. However, Unitholders who do not wish to continue the SIP/SWP/STP (unless the systematic transfer is registered as from and between the Transferor Schemes and Transferee Scheme) under the Transferee Scheme, must apply for cancellation of their registrations before the Effective Date. The Units allotted to the Unitholders in the Transferee Scheme shall be treated as fresh subscriptions in the Transferee Scheme. Further, the date of allotment at the time of subscription in the Transferor Schemes shall be considered as the allotment date for the purpose of applicability of the exit load period at the time of redemption of such units under the Transferee Scheme. The Finance Act, 2015 amended the provisions of the Income-tax Act, 1961, providing tax neutrality on transfer of units of a scheme of a mutual fund under the process of consolidation of schemes of mutual funds as per SEBI (Mutual Funds) Regulations, 1996. **As per section 47(xviii) of the Income-tax Act, 1961, allotment of units in Transferee Scheme, pursuant to merger, to Unitholders of the Transferor Schemes who decide to continue will not be considered as redemption of units in the Transferor Scheme and will not result in short term/long term capital gain/loss in the hands of the Unitholders.**

Basis of allotment of units in Surviving Scheme pursuant to merger is explained as follows:

Quant Dynamic Bond				Quant Money Market Fund				Quant Liquid Fund		
Assumed NAV on Effective Date	Units held by Resident Investors	Valuation of holding of units on Record date	Net Amount to be invested in quant Liquid Fund	Assumed NAV on Effective Date	Units held by Resident Investors	Valuation of holding of units on Record date	Net Amount to be invested in quant Liquid Fund	Assumed NAV on Record Date	Units to be allotted on merger	Valuation of holding of units on Effective date

Further, the period for which the units in the Transferor Schemes were held by the Unitholders will be included in determining the period for which such units were held by the Unit holder and the cost of acquisition of units allotted in the Transferee Scheme pursuant to merger will be the cost of acquisition of units in the Transferor Schemes. However, redemption of units from the Transferor Schemes and/or Transferee Scheme, and/or switch-out of units of the Transferor Schemes and/or Transferee Scheme to any other scheme of the Fund during the exit period option shall be considered as redemption in Transferor Schemes and/or Transferee Scheme and will result in short term/long term capital gain/loss in the hands of the Unitholders depending on the period of holding of the investment. In case of NRI investors, TDS shall be deducted in accordance with applicable tax laws for redemption/switch-out of units from the Transferor Scheme and/or Transferee Scheme during the exit period and same would be required to be borne by such investor only. Securities Transaction Tax (STT) only on extinguishment of units under Transferor Scheme and allotment under the Transferee Scheme upon merger of schemes shall be borne by the AMC. In view of the individual nature of tax consequences, Unitholders are advised to consult his/her/their professional tax advisor with regard to tax and other financial implications arising out of their participation in merger of schemes. A detailed communication in this regard will be sent to the Unitholders under the Transferor Schemes and Transferee Scheme as on January 08, 2021, through an appropriate mode of communication (post, courier, email, SMS, etc.). For the benefit of Unitholders who are not reachable due to Lockdown situation, the Notice and Unitholders' Letter is also available on the website of the Fund – www.quantmutual.com. Although the merger does not amount to a change in the fundamental attributes of the Transferee Scheme and the interest of the existing investors of the Transferee Scheme is not adversely affected.

Unitholders of Transferor Schemes are requested to read the detailed features of Transferee Scheme i.e. quant Liquid Fund as stated in the Scheme Information Document which is available on the website - www.quantmutual.com. For any further assistance/clarification, Unitholders may contact us on 022-6295 5000 or +91 99202 12223 or alternatively, email us at help.mf@quant.in or visit our website www.quantmutual.com.

Thanking you once again and looking forward to a long and enduring relationship.

TAX TREATMENT ON MERGER OF PLANS/SCHEMES OF MUTUAL FUNDS

A. Tax Treatment for Units holders who decide to continue remain invested after merger

I. Consolidation of Mutual Fund Schemes

The Finance Act, 2015 to provide tax neutrality on transfer of units of a scheme of a Mutual Fund under the process of consolidation of schemes of Mutual Funds as per SEBI (Mutual Funds) Regulations, 1996.

- Section 47 was amended to so as to include clause (xviii) which provides that any transfer of unit or units by a unit holder held by him in the Consolidating Scheme of a mutual fund, will not be treated as transfer, if the transfer is made in consideration of the allotment to him of unit or units in the Consolidated Scheme of the mutual fund under the process of consolidation of the schemes of mutual fund in accordance with the SEBI (Mutual Funds) Regulation, 1996 and accordingly capital gains will not apply.

For the purpose of above clause, 'Consolidating Scheme' means the scheme of a mutual fund which merges under the process of consolidation of the schemes of mutual fund in accordance with the SEBI (Mutual Funds) Regulation, 1996 made under the Securities and Exchange Board of India Act, 1992 and 'Consolidated Scheme' means the scheme with which the Consolidating Scheme merges or which is formed as a result of such merger.

Provided that the Consolidation is of two or more schemes of equity oriented fund or of two or more scheme of a fund other than equity oriented fund.

Thus as per the amended Section 47, allotment of units in Surviving Scheme (Consolidated Scheme), pursuant to consolidation of schemes or merger, to Unitholders of Transferor Scheme (Consolidating Scheme) who decide to continue in the Surviving Scheme (Consolidated Scheme) will not be considered as transfer for the purpose of computing capital gains i.e. redemption of units of Transferor Scheme (Consolidating Scheme) and will not result in short term / long term capital gain / loss in the hands of the Unitholders.

Further there would be no securities transaction tax on allotment of units in Surviving Scheme (Consolidated Scheme) pursuant to merger to Unitholders who decide to continue.

The said amendment introduced by the Finance Act, 2015 is made applicable w.e.f. A.Y.2017-18 and subsequent assessment years.

- Section 2(42A) which determines period of holding of a 'capital asset' for computation of short term/long term capital gains is amended with sub clause (hd) to provide that in case of unit or units allotted to Unit holder pursuant to consolidation or merger of schemes of mutual fund, the period for which the unit or units in the Consolidating Scheme were held by the Unit holder will be included in determining the period for which such units were held by the unit holder.

Thus the date of allotment at the time of subscription in Transferor Scheme (Consolidating Scheme) will be considered as the date of allotment for determining period of holding for the purpose of computing short term / long term capital gain / loss at the time of redemption of such units in Surviving Scheme (Consolidated Scheme).

- Section 49 is amended with sub-section (2AD) to provide that where units are allotted in Consolidated Scheme pursuant to consolidation of scheme of mutual funds, the cost of acquisition of the units will be deemed to be the cost of acquisition to unitholder of unit or units in the Consolidating Scheme of the mutual fund.

Thus, the cost of acquisition of units allotted in Surviving Scheme (Consolidated Scheme) pursuant to merger or consolidation of schemes will be the cost of acquisition of units in Transferor scheme (Consolidating Scheme).

II. Consolidation of Mutual Fund Plans

Further, the Finance Act, 2016, the Finance Act, 2017 and Finance Act, 2018 have made several amendments in the provisions of the Act relating to the taxation of mutual funds. The amendments and their implications may be summarised as under:

Amendment in Section 47 of the Act:

Transactions not regarded as transfer The Finance Act, 2016 amended Section 47 so as to include clause (xix) which provides that any transfer of unit or units by a unit holder held by him in the Consolidating Plan of a mutual fund scheme, will not be treated as transfer, if the transfer is made in consideration of the allotment to him of unit or units in the Consolidated Plan of that mutual fund scheme under the process of consolidation of the schemes of mutual fund in accordance with the SEBI (Mutual Funds) Regulation, 1996 and accordingly capital gains will not apply. The amendment is effective from April 1, 2017.

For the purpose of above clause, Consolidating Plan means the plan within a scheme of a mutual fund which merges under the process of consolidation of the plans within a scheme of mutual fund in accordance with the SEBI (Mutual Funds) Regulations, 1996 made under the SEBI Act, 1992.

Provided that the Consolidation is of two or more schemes of equity oriented fund or of two or more scheme of a fund other than equity oriented fund.

Thus, as per the amended section 47, allotment of units in Surviving Plan (Consolidated Plan), pursuant to consolidation of plans or merger, to Unitholders of Transferor Plan (Consolidating Plan) who decides to continue in the Surviving Plan (Consolidated Plan) will not be considered as redemption of units of Transferor Plan (Consolidating Plan) and will not result in short term / long term capital gain / loss in the hands of the Unitholders.

Further there would be no Securities Transaction Tax ("STT") on allotment of units in Surviving Plan (Consolidated Plan) pursuant to merger to Unitholders who decide to continue.

1. Amendment of Section 2(42A) of the Act:

Section 2(42A) is amended with sub clause (hg) by virtue of the Finance Act, 2017 to provide that in case of unit or units allotted to unit holder pursuant to consolidation or merger of plans under a mutual fund scheme, the period for which the unit or units in the Consolidating Plan of a mutual fund scheme were held by the unit holder will be included in determining the period for which such units were held by the unit holder. The amendment is effective from April 1, 2017.

Thus, the date of allotment at the time of subscription in Transferor Plan (Consolidating Plan) under a mutual fund scheme will be considered as the date of allotment for determining period of holding for the purpose of computing short term / long term capital gain/ loss at the time of redemption of such units in Surviving Plan (Consolidated Plan) under a mutual fund scheme.

2. Amendment of Section 49 of the Act:

Section 49 is amended with sub-section (2AF) by Finance Act, 2017 to provide that where units are allotted in Consolidated Plan of a mutual fund scheme pursuant to consolidation of plans of a mutual fund scheme, the cost of acquisition of the units will be deemed to be the cost of acquisition to unit holder of unit or units in the Consolidating Plan of the scheme of mutual fund.

Thus, the cost of acquisition of units allotted in Surviving Plan (Consolidated Plan) pursuant to merger or consolidation of plans of a mutual fund scheme will be the cost of acquisition of units in Transferor Plan (Consolidating Plan).

The above amendment is applicable from Assessment Year 2017-18 and will therefore, apply to the consolidation of plans on or after April 1, 2016.

B. Tax Treatment for Units holders who decide to redeem pursuant to proposed merger during the exit window

The redemption from the Transferor Plan and/or switch-out of units of Transferor Plan to any other plans under the relevant mutual fund scheme of quant Mutual Fund during exit window shall be considered as redemption in Transferor Plan and will result in short term / long term capital gain / loss in the hands of the Unitholders depending on the period of holding of the investment.

Taxation of Capital Gains in case of Resident:

➤ Long Term Capital Gain

Finance Act, 2018 has withdrawn exemption granted u/s 10(38) with respect to long term capital gains on equity shares/equity oriented fund by introduction of section 112A. Accordingly, tax at 10% (without indexation) plus surcharge and cess will be levied on long term capital gains exceeding Rs. 1 lakhs. Detailed mechanism of calculation has been provided in the said section.

"equity oriented fund" has been defined to mean a fund set up under a scheme of a mutual fund specified under clause (23D) of section 10 and, -

- a) In a case where the fund invests in the units of another fund which is traded on a recognized stock exchange, -
 - i. A minimum of 90 per cent. of the total proceeds of such funds is invested in the units of such other fund; and
 - ii. such other fund also invests a minimum of 90 per cent. of its total proceeds in the equity shares of domestic companies listed on recognized stock exchange; and
- b) in any other case, a minimum of 65 per cent. of the total proceeds of such fund is invested in the equity shares of domestic companies listed on recognized stock exchange.

The above amendment will be applicable w.e.f. 1st April 2018.

Long term capital gain arising from the sale of a unit other than an equity oriented fund is taxed at 20% after indexation plus applicable Surcharge and Cess for listed units.

The income by way of long term capital gains of a company on equity oriented funds would be taken into account in computing the book profits and Minimum Alternate Tax payable, if any, u/s 115JB of the Act [].

➤ Short Term Capital Gain:

As per section 111A of the Act, short term capital gain arising from the sale of a unit of an equity oriented fund is taxable at the rate of 15% (excluding surcharge and education cess). In such cases, at the time of sale of units (redemption) the unit holder will have to pay STT of 0.001% of the sale / redemption value. The capital gains will be computed by deducting expenditure incurred in connection with such transfer and cost of acquisition of the unit from the sale consideration.

Short term capital gain arising from sale of a unit other than equity oriented fund is taxed as per the relevant tax slab applicable to respective investors.

Further, in case of an individual or HUF, being a resident, where the total income as reduced by the short term capital gains as per section 111A is below the maximum amount not chargeable to tax i.e. Rs. 2,50,000 in case of all individuals (other than senior citizens and very senior citizens) and HUF, Rs.3,00,000 in case of senior citizens above 60 years of age but less than 80 years of age and Rs.5,00,000 in case of senior citizens above 80 years of age, the short term capital gains as per section 111A shall be reduced to the extent of the shortfall and only the balance short term capital gains as per section 111A will be subject to the flat rate of taxation.

However, in this case, an assessee will have an option to apply the concessional rate of tax of 10% provided the long term capital gains are computed without substituting indexed cost in place of cost of acquisition.

- **For Overseas Financial Organizations, including Overseas Corporate Bodies fulfilling conditions laid down under section 115AB (Offshore Funds):**

Under section 115AB of the Act, long-term capital gains in respect of units purchased in foreign currency will be chargeable at the rate of 10%. (Plus surcharge in case Offshore Funds are corporate bodies). Such gains would be calculated without indexation of cost of acquisition.

Foreign institutional investors (FIL):

Consequent to withdrawal of exemption u/s 10 (38), long term capital gains exceeding Rs. 1 lakhs on equity oriented funds will become taxable at 10% (without indexation) in hands of FILs also. Provisions of section 115AD will be modified suitably. This provision will be applicable w.e.f. 1st April 2018.

➤ **Short Term Capital Gain**

Short-term capital gains arising on sale/repurchase of units of equity oriented funds would be taxed at 15% (excluding surcharge and education cess) (referred in section 111A of the Act, discussed elsewhere in this document).

Short term capital gain arising from sale of a unit other than equity oriented fund is taxed as per the relevant tax slab applicable to respective investors.
