This Key Information Memorandum (KIM) sets forth the information, which a prospective investor ought to know before investing. For further details of the scheme/Mutual Fund, due diligence certificate by the AMC, Key Personnel, investors' rights & services, risk factors, penalties & pending litigations, associate transactions etc. investors should, before investment, refer to the Offer Document available free of cost at any of the Investor Service Centres or distributors or from the website www.quantmutual.com

The Scheme particulars have been prepared in accordance with Securities and Exchange Board of India (Mutual Funds) Regulations 1996, as amended till date, and filed with Securities and Exchange Board of India (SEBI). The units being offered for public subscription have not been approved or disapproved by SEBI, nor has SEBI certified the accuracy or adequacy of this KIM.

This Key Information Memorandum is dated November 29, 2024.

Investment Objective	The investment objective of the scheme is to generate returns by investing in debt and money market instruments with overnight maturity. There is no assurance that the investment objective of the Scheme will be achieved.				
Asset Allocation Pattern of the scheme	Under normal circumstances the asset allocation will be: Asset Class Allocation Indicative Allocation (% of net assets)				
		debt and/or Money Market	Minimum 0	Maximum 100	
		g on or before the next day ble (Actual instrument/perc		to applicable SE	BI circulars)

	The scheme r	may undertake repo transa	ctions in corporate debt se	ecurities in accor	dance with the directions

	issued by RBI and SEBI from time to time. Such investment shall be made subject to the guidelines which may be prescribed.
	Money Market instruments includes (but not limited to) Commercial Paper, Commercial Bills, Certificates of Deposit, Treasury Bills, Bills Rediscounting, Triparty Repo, Government securities having an unexpired maturity of less than 1 year, alternate to Call or notice money, Usance Bills and any other such short-term instruments as may be allowed under the Regulations prevailing from time to time.
	The portion of the Scheme's portfolio invested in each type of security may vary in accordance with economic conditions, interest rates, liquidity and other relevant considerations, including the risks associated with each investment. The Scheme will, in order to reduce the risks associated with any one security, utilize a variety of investments.
	Subject to the Regulations, the securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of varying maturity. The securities may be acquired through secondary market operations, private placement, negotiated deals, etc.
	qMML may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unitholders and if market conditions warrant it. No assurance can be given that the fund manager will be able to identify or execute such strategies.
	Portfolio Construction: The portfolio shall be structured so as to keep risk at acceptable levels based on the risk-on / risk-off environment. This shall be done through various measures including:
	 Broad diversification of portfolio. Ongoing review of relevant market, industry, sector and economic parameters. Investing in companies which have been based on the VLRT investment framework. Investments in debentures and bonds will usually be in instruments which have been assigned investment grade ratings by any approved rating agency.
	The AMC may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unit holders and if market conditions warrant it. Investments in securities and instruments not specifically mentioned earlier may also be made, provided they are permitted by SEBI/RBI and approved by the Trustee. However, such investments shall be made keeping in view the Fundamental Attributes of the Scheme.
	Subject to the SEBI Regulations, the asset allocation pattern indicated above may change from time to time after receiving an approval from SEBI and in line with Regulation 18(15A) of SEBI (Mutual Fund) Regulations, 1996, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors
	For detailed derivative strategies, please refer to SAI
Risk Profile of the Scheme	Mutual Fund Units involve investment risks including the possible loss of principal. Scheme specific risk factors are summarized below:
	Risk factors associated with investing in debt and money market instruments
	Credit Risk: Debt instruments carry a Credit Risk, which essentially implies a failure on the part of the issuer of the security to honour its principal or interest repayment obligations. This inability of a credit issuer to honour its obligation is generally a function of underlying performance of the asset, in terms of generating the requisite cashflows. Credit risks of debt securities are rated by independent rating agencies. These ratings range from 'AAA' (read as 'Triple A' denoting 'Highest Safety') to 'D' (denoting 'Default'), with intermediate ratings between the two extremes. Deteriorating credit profile of an issuer may lead to a rating agency lowering the rating on its debt instruments; this is likely to lead to a fall in the price of these instruments.
	Liquidity Risk: Liquidity risk for debt instruments refers to the possibility that there might not be a ready buyer for the debt instrument at a time when the scheme decides to sell it. Liquidity risk is generally a function of the issuer (government securities are generally more liquid than corporate bonds), ratings (higher rated instruments are

generally more liquid), and tenure (near tenure instruments are generally more liquid).
Interest-Rate Risk: In case of fixed income bearing debt instruments, when interest rates rise, prices of the securities decline and when interest rates fall, the prices increase. The extent of sensitivity of a security to movement in interest rates is determined by its duration, which is a function of the existing coupon, the payment-frequency of such coupon, and days to maturity. Floating rate securities, with coupon linked to market interest rates have less sensitivity to interest rate risk.
Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.
Prepayment Risk: Certain fixed income instruments come with a 'call option' which give the issuer the right to redeem the security through prepayment before the maturity date. This option is generally exercised in periods of declining interest rates, and will result in the scheme having to reinvest the proceeds of prepayment at lower yields, resulting in lower interest income.
Basis Risk: The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.
Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.
Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.
Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Schemes' investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.
Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.
For details on risk factors and risk mitigation measures, please refer SID.

	For Unitholders not holding	J Demat Account:	
	CAS for each calendar month	shall be issued, on or before tenth day of succeeding month by the AMC.	
	succeeding month, detailing I	CAS for every half yearly (September/ March) is issued, on or before tenth day of holding at the end of the six month, across all schemes of all mutual funds, to all s no transaction has taken place during that period.	
		on investors across fund houses by their Permanent Account Number (PAN) for 6. In he event the account has more than one registered holder, the first named Account Statement.	
	The AMC will send statement	of accounts by e-mail where the Investor has provided the e-mail id. Additionally,	

the AMC may at its discretion send Account Statements individually to the investors.
For Unitholders holding Demat Account:
SEBI vide its circular no. CIR/MRD/DP/31/2014 dated November 12, 2014 read with other applicable circulars issued by SEBI from time to time, to enable a single consolidated view of all the investments of an investor in Mutual Fund and securities held in demat form with Depositories, has required Depositories to generate and dispatch a single CAS for investors having mutual fund investments and holding demat accounts.
In view of the aforesaid requirement, for investors who hold demat account, for transactions in the schemes of quant Mutual Fund, a CAS, based on PAN of the holders, will be sent by Depositories to investors holding demat account, for each calendar month within 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month.
CAS will be sent by Depositories every half yearly (September/March), on or before 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios and demat accounts there have been no transactions during that period.
CAS sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, IDCW payout, IDCW reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan (including transaction charges paid to the distributor) and transaction in dematerialized securities across demat accounts of the investors and holding at the end of the month.
In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send account statement in terms of regulations applicable to the depositories. Investors whose folio(s)/ demat account(s) are not updated with PAN shall not receive CAS.
Consolidation of account statement is done on the basis of PAN. Investors are therefore requested to ensure that their folio(s)/ demat account(s) are updated with PAN. In case of multiple holding, it shall be PAN of the first holder and pattern of holding.
For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS is sent by e-mail. However, where an investor does not wish to receive CAS through email, option is given to the investor to receive the CAS in physical form at the address registered in the Depository system.
Investors who do not wish to receive CAS sent by depositories have an option to indicate their negative consent. Such investors may contact the depositories to opt out. Investors who do not hold demat account continue to receive CAS sent by RTA/AMC, based on the PAN, covering transactions across all mutual funds as per the current practice.
In case an investor has multiple accounts across two depositories; the depository with whom the account has been opened earlier will be the default depository.
The dispatches of CAS by the depositories constitute compliance by the AMC/ the Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations. However, the AMC reserves the right to furnish the account statement in addition to the CAS, if deemed fit in the interest of investor(s).
Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS. Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.
For folios not included in the CAS (due to non-availability of PAN), the AMC shall issue monthly account statement to such Unit holder(s), for any financial transaction undertaken during the month on or before 15th of succeeding month by mail or email.
For folios not eligible to receive CAS (due to non-availability of PAN), the AMC shall issue an account statement detailing holding across all schemes at the end of every six months (i.e. September/March), on or before 21st day of succeeding month, to all such Unit holders in whose folios no transaction has taken place during that period shall be sent by mail/e-mail.
Option to hold units in dematerialised (demat) form
Investors shall have an option to receive allotment of Mutual Fund units in their demat account while subscribing to the Scheme in terms of the guidelines/ procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time.
Investors desirous of having the Units of the Scheme in dematerialized form should contact the ISCs of the AMC/Registrar.

r	
	Where units are held by investor in dematerialized form, the demat statement issued by the Depository Participant would be deemed adequate compliance with the requirements in respect of dispatch of statements of account.
	In case investors desire to convert their existing physical units (represented by statement of account) into dematerialized form or vice versa, the request for conversion of units held in physical form into Demat (electronic) form or vice versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. In case the units are desired to be held by investor in dematerialized form, the KYC performed by Depository Participant shall be considered compliance of the applicable SEBI norms.
	Further, demat option shall also be available for SIP transactions. Units will be allotted based on the applicable NAV as per Scheme Information Document and will be credited to investors Demat Account on weekly basis on realization of funds.
	Units held in Demat form are freely transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer can be made only in favour of transferees who are capable of holding units and having a Demat Account. The delivery instructions for transfer of units will have to be lodged with the Depository Participant in requisite form as may be required from time to time and transfer will be affected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode.
	For details, Investors may contact any of the Investor Service Centres of the AMC.
	 Portfolio Disclosure AMC shall disclose portfolio (along with ISIN) as on the last day of the month and half-year (i.e. 31st March and on 30th September) for the Scheme on its website and on the website of AMFI within 10 days from the close of each month/ half-year respectively. AMC shall send the monthly and half-yearly statement of scheme portfolio via email to those unitholders whose email addresses are registered with AMC/Mutual Fund within 10 days from the close of each month and half-year respectively. The unit holders are requested to ensure that their email address is registered with AMC/Mutual Fund. AMC shall publish an advertisement, in all the India edition of at least two daily newspapers, one each in English and Hindi, every half-year disclosing the hosting of the half-yearly statement of its schemes portfolio on its website and on the website of AMFI and the modes such as telephone, email or written request (letter), etc. through which unitholders can submit a request for a physical or electronic copy of the half-yearly statement of its scheme portfolio. Further, AMC shall provide a physical copy of the statement of its scheme portfolio, without charging any cost, on specific request received from a unitholder. Unitholders' can obtain the scheme's latest portfolio holding in a user-friendly and downloadable spreadsheet format at the following link <u>https://quantmutual.com/downloads/factsheet</u>.
	Half Yearly Unaudited Financial Results Disclosure: AMC shall within one month from the close of each half year, (i.e. 31st March and on 30th September), host a soft copy of its unaudited financial results on its website (<u>www.quantmutual.com</u>). Further, the AMC shall publish an advertisement disclosing the hosting of such unaudited half yearly financial results on their website, in atleast one national English daily newspaper and a regional newspaper published in the language of the region where the Head Office of the Mutual Fund is situated. Necessary link for the Half Yearly Unaudited Financial Results Disclosure shall also be provided on the AMFI website (<u>www.amfiindia.com</u>).
	Annual Report or abridged summary thereof: Para 5.4 of SEBI Master Circular dated June 27, 2024, shall be complied with in order to bring cost effectiveness in disclosing and providing information to unitholders and as a green initiative measure. For more details, Investors are requested to refer the Scheme Information Document (SID).

MUTUAL FUND INVESTMENTS ARE SUBJECT TO MARKET RISKS, READ ALL SCHEME RELATED DOCUMENTS CAREFULLY.
