- (i) The Scheme Information Document submitted to SEBI is in accordance with the SEBI (Mutual Funds) Regulations, 1996 and the guidelines and directives issued by SEBI from time to time.
- (ii) All legal requirements connected with the launching of the Scheme as also the guidelines, instructions, etc., issued by the Government and any other competent authority in this behalf, have been duly complied with.
- (iii) The disclosures made in the Scheme Information Document are true, fair and adequate to enable the investors to make a well informed decision regarding investment in the Scheme.
- (iv) The intermediaries named in the Scheme Information Document and Statement of Additional Information are registered with SEBI and their registration is valid, as on date.
- (v) The contents of the Scheme Information Document including figures, data, yields etc. have been checked and are factually correct
- (vi) A confirmation that the AMC has complied with the compliance checklist applicable for Scheme Information Documents and other than cited deviations/ that there are no deviations from the regulations
- (vii) Notwithstanding anything contained in this Scheme Information Document, the provisions of the SEBI (Mutual Funds) Regulations, 1996 and the guidelines there under shall be applicable.
- (viii) The Trustees have ensured that the quant Gilt Fund approved by them is a new product offered by quant Mutual Fund and is not a minor modification of any existing scheme/fund.

Date: November 27, 2025

Place: Mumbai

Name: Sandeep Tandon

Designation: Chief Executive Officer

Part II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances the asset allocation will be:

Instruments	Indicative Allocations (% of total assets)	
	Minimum	Maximum
Government securities across maturities	80	100
G-Sec ETF across maturity	0	20
Other Debt Securities and Money Market Instruments	0	20

The Scheme may invest in the schemes of Mutual Funds in accordance with the applicable extant SEBI (Mutual Funds) Regulations as amended from time to time.

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Sl. no	Type of Instrument	Percentage of exposure	Circular references*
1.	Securities Lending	Upto 10%	Clause 12.11.2.1 of SEBI Master Circular dated June 27, 2024.
2.	Securitized Debt	Upto 10%	Clause 12.15 of SEBI Master Circular on Mutual Funds
3.	Repo in Corporate debt securities	The Scheme may undertake repo transactions in corporate debt securities in accordance with the directions issued by RBI and SEBI from time to time. The gross exposure of the Scheme to repo transactions in corporate debt securities shall not be more than 10% of the net assets of the Scheme or such higher limit as may be specified by SEBI. Further, such investment shall be made subject to the guidelines which may be prescribed by the Board of Directors of the Asset Management Company and Trustee Company.	Clause 12.18 of SEBI Master Circular dated June 27, 2024.
4.	Short Term Deposits	Pending deployment of the funds in securities in terms of investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of the Scheduled Commercial Banks, subject to the guidelines issued by SEBI from time to time. Investment in liquid schemes or schemes that invest predominantly in money market instruments/ securities will be made for funds pending deployment.	Para 12.16 of SEBI Master circular dated June 27, 2024
5.	Credit Default Swaps	The scheme shall not invest in the said security.	-

As per clause 12.24.1 of Master Circular, the cumulative gross exposure through debt, derivative positions (including fixed income derivatives), repo transactions in corporate Debt Securities and other permitted securities/assets and such other securities/ assets as may be permitted by SEBI from time to time shall not exceed 100% of the net assets of the Scheme.

Short Term Defensive Consideration:

Subject to SEBI (MF) Regulations the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unit holders. As per clause 1.14.1.2.b of SEBI Master Circular on Mutual Funds dated June 27, 2024, as may be amended from time to time, such changes in the investment pattern will be for short term and for defensive consideration only.

In the event of change in the asset allocation, the fund manager will carry out portfolio rebalancing within 30 calendar days or such other timeline as may be prescribed by SEBI from time to time.

Portfolio Rebalancing

Portfolio Rebalancing (in case of passive breaches):

As per clause 2.9 of SEBI Master Circular on Mutual Funds dated June 27, 2024, as may be amended/clarified from time to time, in the event of change in the asset allocation due to passive breaches (occurrence of instances not arising out of omission and commission of the AMC), the fund manager is required to carry out portfolio rebalancing within 30 Business Days.

In case the portfolio is not rebalanced within the period of 30 Business Days, justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee. The Investment Committee, if it so desires, can extend the timeline for rebalancing up to 60 Business Days from the date of completion of mandated rebalancing period. In case the portfolio of the investment strategy is not rebalanced within the aforementioned mandated plus extended timelines, the AMC shall follow the requirements specified under the aforesaid circular including reporting the deviation to Trustees at each stage.

Liquidity Support from RBI

Being a Scheme dedicated exclusively to investments in Government securities, the Mutual Fund will be eligible to avail on any day from RBI, liquidity support upto 20% of the outstanding value of its investments in Government securities (as at the close of business on the previous working day), under its Guidelines issued vide letter IDMC.No.2741/03.01.00/95-96 dated April 20, 1996. Liquidity support under these guidelines is available through reverse repurchase agreements in eligible Central Government dated securities and treasury bills of all maturities. The cumulative gross exposure will not exceed 100% of the net assets of the Scheme.

A. WHERE WILL THE SCHEME INVEST?

The corpus of the Scheme, subject to the enabling provisions of asset allocation pattern, will be invested in securities/ instruments which will include but not limited to:

1. Debt Instruments & Money Market Instruments
2. Securities created and issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the government
3. Non - Convertible Debentures
4. Securitized Assets
5. Pass through Certificate (PTC)
6. Debt derivative instruments
7. Short Term Deposit
8. Units of Mutual Fund schemes

B. WHAT ARE THE INVESTMENT STRATEGIES?

The scheme will have minimum investment of 80% of total assets in government securities across maturity and balance amount can be invested in other debt and money market instruments. Money Market

instruments includes (but not limited to) Commercial Paper, Commercial Bills, Certificates of Deposit, Treasury Bills, Bills Rediscounting, Triparty Repo, Government securities having an unexpired maturity of less than 1 year, alternate to Call or notice money, Usance Bills and any other such short-term instruments as may be allowed under the Regulations prevailing from time to time.

The Scheme could invest in fixed income securities issued by central and state government in line with the investment objectives of the Scheme and as permitted by SEBI from time to time. The AMC will seek to underwrite issuance of Government Securities if and when permitted by SEBI/RBI and subject to the prevailing rules and regulations specified in this respect and may also participate in their auction from time to time.

With intent to limit undue risk, rigorous credit evaluation of the securities proposed to be invested in, will be carried out by the AMC. The credit evaluation includes a study of the operating environment of the company, the past track record as well as the future prospects of the issuer, the short as well as longer-term financial health of the issuer. The AMC may consider the ratings of Rating Agencies as approved by SEBI to carry out the functioning of rating agencies. In addition, the macro economic conditions, including the political, economic environment and factors affecting liquidity and interest rates shall be taken into consideration.

Further, the Scheme may invest in other schemes managed by the AMC or in the Schemes of any other Mutual Funds, provided it is in conformity with the prevailing Regulations.

The scheme may undertake repo transactions in corporate debt securities in accordance with the directions issued by RBI and SEBI from time to time. Such investment shall be made subject to the guidelines which may be prescribed. The Scheme may use derivative instruments like Interest Rate Swaps, Interest Rate Futures, Forward Rate Agreements or other derivative instruments for the purpose of hedging, portfolio balancing and other purposes, as permitted under the Regulations. Hedging using Interest Rate Futures could be perfect or imperfect, subject to applicable regulations.

Usage of derivatives may expose the Scheme to certain risks inherent to such derivatives. It may also invest in securitized debt. For the present, the Scheme does not intend to enter into underwriting obligations. However, if the Scheme does enter into an underwriting agreement, it would do so with the prior approval of the Board of the AMC/Trustee.

The portion of the Scheme's portfolio invested in each type of security may vary in accordance with economic conditions, interest rates, liquidity and other relevant considerations, including the risks associated with each investment. The Scheme will, in order to reduce the risks associated with any one security, utilize a variety of investments.

Subject to the Regulations, the securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of varying maturity. The securities may be acquired through secondary market operations, private placement, negotiated deals, etc.

qMML may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unitholders and if market conditions warrant it. No assurance can be given that the fund manager will be able to identify or execute such strategies.

Portfolio Construction:

The portfolio shall be structured so as to keep risk at acceptable levels based on the risk-on / risk-off environment. This shall be done through various measures including:

1. Broad diversification of portfolio.
2. Ongoing review of relevant market, industry, sector and economic parameters.
3. Investing in companies which have been based on the VLRT investment framework.
4. Investments in debentures and bonds will usually be in instruments which have been assigned investment grade ratings by any approved rating agency.

The AMC may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unit holders and if market conditions warrant it.

Investments in securities and instruments not specifically mentioned earlier may also be made, provided they are permitted by SEBI/RBI and approved by the Trustee. However, such investments shall be made keeping in view the Fundamental Attributes of the Scheme.

Subject to the SEBI Regulations, the asset allocation pattern indicated above may change from time to time after receiving an approval from SEBI and in line with Regulation 18(15A) of SEBI (Mutual Fund) Regulations, 1996, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors

For detailed derivative strategies, please refer to SAI.

C. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

CRISIL Dynamic Gilt Index

Justification of benchmark:

The composition of the benchmark is such that, it is most suited for comparing performance of the Scheme. The Trustee reserves the right to change the benchmark for evaluation of performance of the Scheme from time to time in conformity with the investment objectives and appropriateness of the benchmark subject to SEBI (MF) Regulations, and other prevailing guidelines, if any.

The Trustee/AMC reserves the right to change the benchmark for the evaluation of the performance of the Scheme from time to time, keeping in mind the investment objective of the Scheme and the appropriateness of the benchmark, subject to SEBI guidelines and other prevalent guidelines.

Returns for last 1 year	5.31	6.40
Returns for last 3 year	-	-
Returns for last 5 year	-	-
Returns since inception	7.10	8.20

The scheme has not completed 5 Years.

(ii) REGULAR PLAN

Compounded Annualised Returns	quant Gilt Fund %	CRISIL Dynamic Gilt Index %
Returns for last 1 year	4.35	6.40
Returns for last 3 year	-	-
Returns for last 5 year	-	-
Returns since inception	6.13	8.20

The scheme has not completed 5 Years.

G. ADDITIONAL SCHEME RELATED DISCLOSURES

- i. Scheme's portfolio holdings - Top 10 holdings by issuer and fund allocation towards various sectors is available on quantmutual.com/downloads/factsheet
- ii. Disclosure of name and exposure to Top 7 issuers, stocks, groups and sectors as a percentage of NAV of the scheme is available on in case of debt and equity ETFs/index funds through a functional website link that contains detailed description – Not Applicable
- iii. Functional website link for Portfolio Disclosure –
 - a. For Monthly Portfolio: <https://quantmutual.com/statutory-disclosures>
 - b. For Half yearly Portfolio: <https://quantmutual.com/statutory-disclosures>
- iv. Portfolio Turnover Rate as on 30.09.2025: - Not Applicable
- v. Aggregate investment as on September 30, 2025 in the Scheme by:

Sr. No.	Category of Persons	Net Value		Market Value (in Rs.)
		Units	NAV per unit	
1.	Mr. Sanjeev Sharma	1235.078	12.10	14941.97
2.	Mr. Harshvardhan Bharatia	171.275	12.10	2072.08

For any other disclosure w.r.t investments by key personnel and AMC directors including regulatory provisions in this regard kindly refer SAI.

- vi. Investments of AMC in the Scheme – Details are available on <https://quantmutual.com/statutory-disclosures>.

The AMC reserves the right to invest its own funds in the Scheme as may be decided by the AMC from time to time. Under the Regulations, the AMC is not permitted to charge any investment management and advisory services fee on its own investment in the Scheme.

Subject to the Regulations, the AMC may invest either directly or indirectly, in the Scheme during Ongoing Offer Period. As per the existing SEBI (MF) Regulations and circulars issued thereunder, the AMC shall not charge any investment management fee on such investment in the Scheme.

As per the amended regulations i.e. sub -regulation 16(A) in Regulation 25 of SEBI (Mutual Funds) Regulations, 1996 ('MF Regulations'), the asset management companies ('AMCs') are required to invest such amount in such scheme(s) of the mutual fund, based on the risk associated with the scheme, as may be specified by the Board from time to time.

Accordingly, it is decided that based on the risk value assigned to the scheme(s), in terms of Clause 17.4 of Master Circular dated June 27, 2024, the AMC shall invest minimum amount as a percentage of assets under management ('AUM') in their scheme(s) in line with the Clause 6.9 of Master Circular dated June 27, 2024.

Part III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit under the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation day. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

Valuation of Foreign Currency / Securities: On the valuation day, all the assets and liabilities denominated in foreign currency will be valued in Indian Rupees. The valuation price of the security will be converted to INR based on FBIL/any other designated agency, reference rate at the close of banking hours in India. If required, the AMC may change the source of determining the exchange rate. The Fund shall value its investments according to the valuation norms (Valuation Policy includes computation of NAV in case of investment in foreign securities), as specified in the Eighth Schedule of the Regulations, or such guidelines / recommendations as may be specified by SEBI from time to time.

time. The broad valuation norms, policies w.r.t computation of NAV, rounding off, procedure in case of delay in disclosure of NAV etc are detailed in the SAI

The Net Assets Value (NAV) of the Units under the Scheme shall be calculated as shown below:

$$\text{NAV (Rs.)} = [(\text{Assets} + \text{Income}) - (\text{Liabilities} + \text{Expenses})] / \text{Number of units outstanding}$$

Where the assets include the value of securities and liquid cash. The securities in which the scheme has invested include both government securities, Treasury bills including the interest accrued and dividend earned.

The liabilities and expenses include the money payable, interest payable, fund management expenses.

The NAV shall be calculated up to two decimal places. However the AMC reserves the right to declare the NAVs up to additional decimal places as it deems appropriate. Separate NAV will be calculated and disclosed for each Option. The NAVs of the Growth Option and the IDCW Option under each of the Plans will be different after the declaration of the first IDCW.

The AMC will calculate and disclose NAVs on all the Business Days.

Illustration on Computation of NAV:

Particulars	Amount (Rs)	Asset/ Liability
Securities	500,000	Asset
Cash and cash equivalent	300,000	Asset
Receivables	200,000	Asset
Accrued Interest	50,000	Asset
Total Assets	1,050,000	
Short-term liabilities	200,000	Liability
Long-term liabilities	150,000	Liability
Accrued Expenses	100,000	Expense
Total Liabilities and expenses	450,000	

Particulars	Amount (Rs)
Total Assets (A)	1,050,000
Total Liabilities and expenses (B)	450,000
Net Asset value = (A – B)	600,000
Total units outstanding	1,000
NAV per unit	600 per unit

Any change in Load structure will be effective on prospective basis and will not affect the existing Unit holder in any manner. However, the Mutual Fund will ensure that the Redemption Price will not be lower than 97% of the Applicable NAV. The Purchase Price shall be at applicable NAV.

Methodology for calculation of sale and re-purchase price of the units of mutual fund scheme:

Let's assume that the NAV of a Mutual Fund Scheme on April 01, 2018 is Rs. 10/-.

Purchase of mutual fund units:

The Purchase Price of the Units on an ongoing basis will be same as Applicable NAV.

Purchase Price = Applicable NAV

In the above example, purchase is done on April 01, 2018, when the Applicable NAV = Rs. 10/-

Therefore, Purchase Price = Rs. 10/-

As per existing Regulations, no entry load is charged with respect to applications for purchase / additional purchase of mutual funds units.

Redemption/Re-purchase of mutual fund units

The Redemption Price of the Units will be calculated on the basis of the Applicable NAV subject to prevailing Exit Load, if any. In case of redemption, the amount payable to the investor shall be calculated as follows:

Redemption Price = Applicable NAV * (1 - Exit Load)

Say, in the above example the exit load applicable is:

- For exit on or before 12 months from the date of allotment – 1.00%
- For exit after 12 months from the date of allotment – Nil.

Scenario 1: Redemption is done during applicability of exit load

In case the investor requests for redemption on or before 12 months i.e. on or before March 31, 2019; say December 1, 2018, when the NAV of the scheme is Rs. 12/- and the exit load applicable is 1%, so the Redemption amount payable to investor shall be calculated as follows:

Redemption Price = Applicable NAV * (1 - Exit Load)

= Rs. 12 * (1-1%) = Rs. 11.88/-

Scenario 2: Redemption is done when the exit load is NIL

In case the investor requests for redemption after 12 months i.e. after March 31, 2019; say April 1, 2019, when the NAV of the scheme is Rs. 12/- and the exit load applicable is NIL, so the Redemption amount payable to investor shall be calculated as follows:

Redemption Price = Applicable NAV * (1 - Exit Load)

= Rs. 12 * (1-0) = Rs. 12/-

The aforesaid example does not take into consideration any applicable statutory levies or taxes. Accordingly, the redemption amount payable to investor shall further reduce to the extent of applicable statutory levies or taxes.

B. NEW FUND OFFER (NFO) EXPENSES:

This section does not apply to the Scheme, as the ongoing offer of the Scheme has commenced after the NFO, and the Units are available for continuous subscription and redemption.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.00 % of the daily net assets of the Scheme will be charged as expenses. For the actual current expenses being charged, the investor should refer to the website of the AMC.

Expense Head	% of daily Net Assets
Investment Management and Advisory fees	Upto 2.00%
Trustee fees	

Audit fees	
Custodian fees	
RTA fees	
Marketing & Selling expense incl. agent commission	
Cost related to investor communications	
Cost of fund transfer from location to location	
Cost of providing account statements and IDCW redemption cheques and warrants	
Costs of statutory Advertisements	
Cost towards investor education & awareness (at least 2 bps)	
Brokerage & transaction cost over and above 12 bps and 5 bps for cash and derivative market trades resp.	
Goods & Service Tax (GST) on expenses other than investment and advisory fees	
GST on brokerage and transaction cost	
Other Expenses*	
Maximum total expense ratio (TER) permissible under Regulation 52(6)(c)	
Additional expenses under regulation 52(6A)(c)	Upto 0.05%
Additional expenses for gross new inflows from specified cities under regulation 52(6A)(b)	Upto 0.30%

*Any other expenses which are directly attributable to the Scheme, may be charged with the approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in Regular Plan. Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid/ charged under Direct Plan.

The expenses towards Investment Management and Advisory Fees under Regulation 52 (2) and the various sub-heads of recurring expenses mentioned under Regulation 52 (4) of SEBI (MF) Regulations can be apportioned under various expense heads/ sub heads without any sub limit, as permitted under the applicable regulations. Thus, there shall be no internal sub-limits within the expense ratio for expense heads mentioned under Regulation 52 (2) and (4) respectively. Further, the additional expenses under Regulation 52(6A)(c) may be incurred either towards investment & advisory fees and/or towards other expense heads as stated above.

These estimates have been made in good faith as per the information available to the Investment Manager and are subject to change inter-se or in total subject to prevailing Regulations.

The total expenses of the Scheme(s) including the investment management and advisory fee shall not exceed the limit stated in Regulation 52(6) of the SEBI (MF) Regulations and amendments thereto.

Expenses charged to the Scheme:

- A. In addition to the limits as specified in Regulation 52(6) of SEBI (MF) Regulations 1996 or the Total Recurring Expenses (Total Expense Limit) as specified above, the following costs or expenses may be charged to the Scheme namely-

Additional expenses for gross new inflows from specified cities

- a) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from such cities as specified by SEBI/AMFI from time to time are at least -
 - i. 30 per cent of gross new inflows in the Scheme, or;
 - ii. 15 per cent of the average assets under management (year to date) of the Scheme, whichever is higher:

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub-clause (ii), such expenses on daily net assets of the Scheme shall be charged on proportionate basis.

Provided further that, expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities.

Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the Scheme in case the said inflows are redeemed within a period of one year from the date of investment.

Provided further that, additional TER can be charged based on inflows only from retail investors in terms of Clause 10.1 of Master Circular dated June 27, 2024. For this purpose, inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from “retail investor”.

SEBI vide its letter no. SEBI/HO/IMD-SEC-3/P/OW/2023/5823/1 dated February 24, 2023 and AMFI letter dated No. 35P/ MEM-COR/ 85-a/ 2022-23 dated March 02, 2023 has directed AMC's to keep B-30 incentive structure in abeyance with effect from March 01, 2023 till further notice. Accordingly, the B-30 incentive structure shall be implemented as per SEBI / AMFI directions from time to time.

- a) additional expenses, incurred towards different heads mentioned under Regulations 52(2) and 52(4), not exceeding 0.05 per cent of daily net assets of the Scheme;
- b) GST payable on investment and advisory service fees ('AMC fees') charged by quant Money Managers Limited;

Further, brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment shall not exceed 0.12 per cent in case of cash market transactions and 0.05 per cent in case of derivatives transactions.

- B. Within the Total Expense Limit chargeable to the scheme, following will be charged to the Scheme:
 - a) GST on other than investment and advisory fees, if any, (including on brokerage and transaction costs on execution of trades) shall be borne by the Scheme
 - b) Investor education and awareness initiative fees of at least 2 basis points on daily net assets of the Scheme.
- C. AMC fees charged by quant AMC to the scheme will be within the Total Expense Limit as prescribed by SEBI Regulations, as amended from time to time.

Expenses over and above the prescribed limit shall be charged / borne in accordance with the Regulations prevailing from time to time.

The mutual fund would update the current expense ratios on its website (www.quantmutual.com) atleast three working days prior to the effective date of the change. Investors can refer 'Total Expense Ratio of Mutual Fund Schemes' section on <https://quantmutual.com/statutory-disclosures> for Total Expense Ratio (TER) details.

Illustration of impact of expense ratio on scheme's returns

For any scheme, NAV is computed on a daily basis factoring in all the assets as well as liabilities of the Scheme (including expenses charged). Expenses charged to the Scheme bring down its NAV and hence the investor's net returns on a corresponding basis.

Illustration:

Particulars	Regular Plan (Amount in Rs.)	Direct Plan (Amount in Rs.)
Amount Invested at the beginning of the year	10,000	10,000
Returns before Expenses	1,500	1,500
Expenses other than Distribution Expenses	150	150
Distribution Expenses	50	-
Returns after Expenses at the end of the Year	1,300	1350
Returns after Expenses at the end of the Year (in %)	13%	13.5%

Please Note:

- The purpose of the above illustration is purely to explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year. The expenses of the Direct Plan under the Scheme may vary with that of the Regular Plan under the Scheme.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. Load amounts are variable and are subject to change from time to time. For the current applicable structure, investors may refer to the website of the AMC (www.quantmutual.com) or may call at 022-6295 5000 on any business day between 9.30 am - 5.00 pm or can contact his distributor.

Type of	Load chargeable (as %age of NAV)
Exit Load	Nil

Units issued on reinvestment of IDCW shall not be subject to Load. No load shall be levied on switches between options and sub-options of the Scheme.

The above mentioned load structure shall be equally applicable to the special products such as switches, STP, SWP, etc. offered by the AMC. Further, for switches between the Growth and IDCW Option, no load will be charged by the Scheme.

Exit load, if any, charged to the investors will be credited back to the Scheme net of GST. The Investor is requested to check the prevailing Load structure of the Scheme before investing.

For any change in Load structure, AMC will issue an addendum and display it on the website/ Investor Service Centres.

Under the Scheme, the AMC/ Trustee reserves the right to change / modify the Load structure if it so deems fit in the interest of smooth and efficient functioning of the Mutual Fund. The AMC/ Trustee reserves the right to introduce / modify the Load depending upon the circumstances prevailing at that time subject to maximum limits as prescribed under the Regulations.

The Redemption Price however, will not be lower than 97% of the NAV. Any imposition or enhancement of Load in future shall be applicable on prospective investments only.

At the time of changing the Load Structure:

1. An Addendum detailing the changes will be attached to Scheme Information Document and Key Information Memorandum. The addendum may be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Document and Key Information Memorandum already in stock.
2. The addendum will be displayed on the website of the AMC and arrangements will be made to display the addendum in the form of a notice in all the Investor Service Centres and distributors / brokers office.
3. The introduction of the Exit Load alongwith the details may be stamped in the acknowledgement slip issued to the Investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such Load.
4. Any other measure which the Mutual Fund may consider necessary.

The Trustee/AMC reserves the right to change the load structure subject to the limits prescribed under the Regulations. Any change in load structure shall be only on a prospective basis i.e. any such changes would be chargeable only for Redemptions from prospective purchases (applying first in first out basis).

SECTION II

I. INTRODUCTION

A.DEFINITIONS/INTERPRETATION

https://quantmutual.com/Pdf/Definitions_and_Interpretation.pdf

B.RISK FACTORS

Scheme Specific Risk Factors

Risks associated with investments in Fixed Income Securities

- Interest rate risk: This risk results from changes in demand and supply for money and other macroeconomic factors and creates price changes in the value of debt instruments. Consequently, the Net Asset Value of the scheme may be subject to fluctuation. Changes in the interest rates may affect the Scheme's Net Asset Value as the prices of securities generally increase as interest rates decline and generally decrease as interest rates rise. Prices of long term securities generally fluctuate more in response to interest rate changes than do short-term securities. Indian debt markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby possible movements in the NAV. This may expose the scheme to possible capital erosion.
- Credit risk or default risk: This refers to the risk that an issuer of a fixed income security may default (i.e. will be unable to make timely principal and interest payments on the security). Default risk / credit risk arises due to an issuer's inability to meet obligations on the principal repayment and interest payments. Because of this risk corporate debentures are sold at a yield above those offered on Government Securities, which are sovereign obligations and free of credit risk. Normally the value of a fixed income security will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk.
- Market risk: This risk arises due to price volatility due to such factors as interest sensitivity, market perception or the credit worthiness of the issuer and general market liquidity, change in interest rate expectations and liquidity flows. Market risk is a risk which is inherent to investments in securities. This may expose the scheme to possible capital erosion.
- Reinvestment risk: This risk refers to the interest rate levels at which cash flows received for the securities in the Scheme are reinvested. Investments in debt instruments are subject to reinvestment risks as interest rates prevailing on interest or maturity due dates may differ from the original coupon of the bond, which might result in the proceeds being invested at a lower rate. The additional risk from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows can be reinvested may be lower than that originally assumed.
- Liquidity or Marketability Risk: This refers to the ease with which a security can be sold at or near to its valuation yield-to-maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk today is a characteristic of the Indian fixed income market. Certain fixed income securities give an issuer the right to call its securities, before their maturity date, in periods of declining interest rates. The possibility of such prepayment risk may force the fund to re-invest the proceeds of such investments in securities offering lower yields, thereby reducing the fund's interest income. The scheme may invest in non-publicly offered debt securities. This may expose the scheme to liquidity risks. Different types of securities in which the scheme would invest as given in the Scheme Information Document carry different levels and types of risks. Accordingly, the scheme's risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds which are AAA rated are comparatively less risky than bonds which are AA rated. Money market securities, while fairly liquid, lack a well-developed secondary market, which may restrict the selling ability of the scheme.
- The use of an Interest Rate Swap ('IRS') does not eliminate the credit (default) risk on the original investment. While the fixed to floating rate IRS reduces interest rate risk caused by rise in interest rates, it also restricts the profit in case interest rates decline. In case of a floating to fixed rate swap, any subsequent rise in interest rates will result in a loss like in any fixed rate investment. Any IRS

carries, the risk of default of the counter party to the swap, which may lead to a loss. Such loss is usually, a small proportion of the notional principal amount of the swap.

- **Basis Risk:** During the life of floating rate security or a swap the underlying benchmark index may become less active and may not capture the actual movement in the interest rates or at times the benchmark may cease to exist. These types of events may result in loss of value in the portfolio. Where swaps are used to hedge an underlying fixed income security, basis risk could arise when the fixed income yield curve moves differently from that of the swap benchmark curve.

Risk factors associated with investing in Preference Shares

- **Credit Risk:** Credit risk is the risk that an issuer will be unable to meet its obligation of payment of Dividend and/ or redemption of principal amount on the due date. Further, for non-cumulative preference shares, issuer also has an option to not pay dividends on preference shares in case of inadequate profits in any year.
- **Liquidity Risk:** The preference shares generally have limited secondary market liquidity and thus the fund might be forced to hold the instrument till maturity.
- **Unsecured in nature:** Preference shares are unsecured in nature and rank lower than secured and unsecured debt in hierarchy of payments in case of liquidation. Thus, there is significant risk of capital erosion in case the company goes into liquidation.

Market Risk: The Scheme will be vulnerable to movements in the prices of securities invested by the schemes which could have a material bearing on the overall returns from the scheme

Risk associated with Securitized Debt

The Risks involved in Securitised Papers described below are the principal ones and does not represent that the statement of risks set out hereunder is exhaustive.

- **Limited Liquidity & Price Risk:** There is no assurance that a deep secondary market will develop for the Certificates. This could limit the ability of the investor to resell them.
- **Limited Recourse, Delinquency and Credit Risk:** The Credit Enhancement stipulated represents a limited loss cover to the Investors. These Certificates represent an undivided beneficial interest in the underlying receivables and do not represent an obligation of either the Issuer or the Seller or the originator, or the parent or any affiliate of the Seller, Issuer and Originator. No financial recourse is available to the Certificate Holders against the Investors' Representative. Delinquencies and credit losses may cause depletion of the amount available under the Credit Enhancement and thereby the Investor Payouts to the Certificate Holders may get affected if the amount available in the Credit Enhancement facility is not enough to cover the shortfall. On persistent default of an Obligor to repay his obligation, the Servicer may repossess and sell the Asset. However, many factors may affect, delay or prevent the repossession of such Asset or the length of time required to realise the sale proceeds on such sales. In addition, the price at which such Asset may be sold may be lower than the amount due from that Obligor.
- **Risks due to possible prepayments and Charge Offs:** In the event of prepayments, investors may be exposed to changes in tenor and yield. Also, any Charge Offs would result in the reduction in the tenor of the Pass Through Certificates (PTCs).
- **Bankruptcy of Bank with Liquidity Facility:** If the Bank with Liquidity facility, becomes subject to bankruptcy proceedings then an investor could experience losses or delays in the payments.

Risk of Co-Mingling With respect to the Certificates: The Servicer will deposit all payments received from the Obligors into the Collection Account. However, there could be a time gap between collection by a Servicer and depositing the same into the Collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the Loan Agreements may not be segregated from other funds of originator. If originator in its capacity as Servicer fails to remit such funds due to Investors, the Investors may be exposed to a potential loss.

Risks associated with Repo transactions in Corporate Bonds

The Scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour the repurchase agreement. However, in repo transactions, the collateral may be sold and a loss is realized only if the sale price is less than the repo amount. The risk is further mitigated through over-collateralization (the value of the collateral being more than the repo amount).

Risk Factor associated with debt instruments having credit enhancement:

The Scheme may invest in debt instruments having credit enhancement backed by equity shares/guarantees or other any assets as collateral. The profile of these issuers tend to be relatively weak and there may be a pledge of shares of a related party to enhance credit quality or guarantees provided or any other asset provided as security acceptable to lenders.

Where equity shares are provided as collateral there is the risk of sharp price volatility of underlying securities which may lead to erosion in value of collateral which may affect the ability of the fund to enforce collateral and recover capital and interest obligations. Also there is a possibility of guarantor going insolvent which also can impact the recovery value of exposure. In case of credit enhanced structures backed by equity share the liquidity of the underlying shares may be low leading to a lower recovery and a higher impact cost of liquidation. In case of other assets provided recovery value and enforce ability of asset can also be a risk factor which can lower the recovery value.

Risks associated with Short Selling & Securities Lending

As with other modes of extensions of credit, there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The scheme may not be able to sell lent out securities, which can lead to temporary illiquidity & loss of opportunity.

Short-selling is the sale of securities that the seller does not own at the time of trading. Instead, he borrows it from someone who already owns it. Later, the short seller buys back the security he shorted and returns the security to the lender to close out the loan. The inherent risks are Counterparty risk and liquidity risk of the security being borrowed. The security being short sold might be illiquid or become illiquid and covering of the security might occur at a much higher price level than anticipated, leading to losses.

Risk factors associated with processing of transaction through Stock Exchange Mechanism:

The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognised stock exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing/settlement, etc. upon which the AMC has no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s).

Risk factors associated with investment in Tri-Party Repo:

All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by Clearing Corporation of India (CCIL). This reduces the settlement and counterparty risks considerably. Mutual funds are member of securities segment and Triparty Repo trade settlement of CCIL. The members are required to contribute an amount from time to time to the default fund maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). As per the waterfall mechanism, after the defaulter's margins and the defaulter's contribution to the default fund have been appropriated, CCIL's contribution is used to meet the losses. Post utilization of CCIL's contribution if there is a residual loss, it is appropriated from the default fund contributions of the nondefaulting members. Thus, the scheme is subject to risk of the initial margin and default fund contribution being invoked in the event of failure of any settlement

obligations. Additionally, the fund contribution is allowed to meet the residual loss in case of default by the other clearing member (the defaulting member). CCIL maintains two separate Default Funds with respect to the Securities Segment. One with a view to meet losses arising out of any default by its members from outright and repo trades and the other for meeting losses arising out of any default by its members from Triparty Repo trades. Therefore, mutual fund is exposed to the extent of its contribution to the default fund of CCIL, in the event that the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, as a result the scheme may lose an amount equivalent to its contribution to the default fund.

C. RISK MITIGATION STRATEGIES

Investments made by the Scheme would be in accordance with the investment objectives of the scheme and provisions of SEBI (MF) Regulations. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification. The AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, the investment team of the AMC will carry out rigorous in-depth analysis of the securities proposed to be invested in. The Scheme may also use various derivatives products for the purpose of trading, hedging and portfolio balancing from time to time, with an attempt to protect the value of the portfolio and enhance Unitholders' interest. While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.

Credit Evaluation Policy

The credit evaluation policy of the AMC entails evaluation of credit fundamentals of each investment opportunity. Some of the factors that are evaluated inter-alia may include outlook on the sector, parentage, quality of management, and overall financial strength of the credit. The AMC utilises ratings of recognised rating agencies as an input in the credit evaluation process. Investments in bonds and debenture are usually in instruments that have been assigned high investment grade ratings by a recognized rating agency.

In line with clause 12.12 of Master Circular dated June 27, 2024, the AMC may constitute committee(s) to approve proposals for investments in unrated instruments. The AMC Board and the Trustee shall approve the detailed parameters for such investments. The details of such investments would be communicated by the AMC to the Trustee in their periodical reports. It would also be clearly mentioned in the reports, how the parameters have been complied with. However, in case any security does not fall under the parameters, the prior approval of Board of AMC and Trustee shall be sought.

- **Liquidity Risk:** Liquidity risk is the risk of not being able to sell / liquidate a security at short notice at prevailing market prices or without incurring impact cost. While government bonds, money market instruments and shorter maturity instruments are generally easier to sell, corporate bonds and other instruments typically face higher liquidity risk. Further, higher rated securities normally are more liquid compared to lower rated securities. As a result, different portfolios will face different levels of liquidity risk based on the underlying portfolio composition. Some of the strategies to reduce liquidity risk are creating portfolios that are diversified across maturities, ratings, types of securities, etc. in line with the fund objectives, regulations and investment strategy.
- **Credit Risk:** Lower rated securities have a higher credit risk compared to higher rated securities. Hence, credit risk faced by different schemes will be different based on the underlying portfolio / investment strategy. To reduce the credit risk, a comprehensive and in-depth credit evaluation of each issuer will be undertaken, using both quantitative (leverage, profitability, solvency ratios etc.) and qualitative factors (parentage, track record etc.). Each of the scheme/ portfolio will endeavour to maintain adequate diversification across issuers / sectors in line with scheme objectives, regulations and investment strategy. Unrated investments, if any, would require specific approval from a committee constituted for the purpose.
- **Debt Derivatives Risk:** The AMC has provision for using derivative instruments for portfolio balancing and hedging purposes. Interest Rate Swaps will be done with approved counter parties under pre approved ISDA agreements. Mark to Market of swaps, netting off of cash flow and default provision clauses will be provided as per standard practice on a reciprocal basis. Interest Rate Swaps and other derivative instruments will be used as per local (RBI and SEBI) regulatory guidelines.

- Interest Rate Risk: Interest rate risk is the risk of change in the NAVs due to change in overall market yields. The change in value of a security, for a given change in yield, is higher for a security with higher duration and vice versa. Hence portfolios with higher duration will have higher volatility. The AMC shall strive to actively manage the duration of the respective funds based on the prevailing market conditions / outlook of interest rates, keeping in mind the scheme objectives, investment strategy and applicable regulations.
- Concentration Risk: The AMC will attempt to mitigate this risk by maintaining adequate diversification across issuers/ sectors / instrument type in line with the scheme objectives, investment strategy and applicable regulations. This will also be managed by keeping prudent investment limits on any particular industry or issuer or issuer group based on the size, credit profile, etc. to reduce issuer or industry specific risk.

Risk Mitigation measures for investments in Non-Convertible Preference Shares:

- Credit Risk - To reduce the credit risk, a comprehensive and in-depth credit evaluation of each issuer will be undertaken, using both quantitative (leverage, profitability, solvency ratios etc.) and qualitative factors (parentage, track record etc.)
- Liquidity Risk - The Fund endeavours to invest in preference shares of those companies which have relatively better market acceptability amongst market participants that increases the probability of secondary sale in case an exit from the investment is required.
- Unsecured in nature - The Fund endeavours to mitigate this risk by exercising due diligence while assessing the business, financial and management risks of the company before investing.
- **Risk Mitigation factors relating to investment in Perpetual Debt Instruments (PDI):**
- **Risk on coupon servicing and Risk of write-down or conversion into equity**

Banks: The risks on coupon servicing or principal write down/ conversion to equity are mitigated, to a certain extent, if the investee bank has strong financial position and meets the required regulatory guidelines. Hence, an in-depth credit evaluation of each bank is undertaken, keeping in mind both quantitative (leverage, profitability, solvency ratios, capital adequacy, etc.) and qualitative factors (parentage, track record etc.). Given the regulatory guidelines, special focus is on capital cushion, track record of profitability, distributable surplus and/or strong parentage which has the capacity and willingness to infuse capital, in case it is needed. Investment is done only in the AT-1 bonds of banks with strong credit worthiness, in our assessment. This, in turn, reduces the risk of its capital position falling below regulatory requirements and / or reaching PONV.

Risk of write-down or conversion into equity is not applicable in case of NBFCs and Corporates.

- **Risk on coupon servicing**

NBFCs

These risks are mitigated, to certain extent, if the investee NBFC has strong financial position and meets the required regulatory guidelines. Hence, an in-depth credit evaluation of each NBFC is undertaken, keeping in mind both quantitative (leverage, profitability, solvency ratios, capital adequacy, etc.) and qualitative factors (parentage, track record etc.). Given the regulatory guidelines, special focus is on capital cushion, track record of profitability, distributable surplus and/or strong parentage which has the capacity and willingness to infuse capital, in case it is needed.

Corporates

To mitigate this risk, an in-depth credit evaluation of each corporate is undertaken, keeping in mind both quantitative (leverage, profitability, industry position, market share etc.) and qualitative factors (parentage, track record etc.). Additionally, given that the coupon is usually cumulative in nature and the corporate is restricted from paying any dividends till all previous dues are paid to the perpetual bond investor, the company has adequate incentive to not defer coupon on PDIs.

- **Risk of instrument not being called by the Issuer**

Banks

While the issuer bank does have an option to not exercise the first call, experience suggests that all Indian banks till now have exercised the call option during the call period. We believe that banks are cognizant of the investor sensitivities with regards to risk of not exercising the call option at the first call date. Further, as we invest in issuers with sound credit worthiness, we expect them to understand the importance of exercising the call as the part of their long term capital raising strategy. Any instance of skipping of call option exercise can lead to increase in cost of AT1 bonds for future issuance (as investor would start factoring in longer bond tenors) and impact the bank's profitability adversely. Given the importance of AT1 instruments for prudently managing the capital levels and improving the returns for the equity holders, we are of the opinion that banks would choose to service the interest on AT1 bonds and exercise the first call option on AT1 bonds, as they have done in the past. Finally, in case the issuer is unable to call the perpetual instrument on first call date (say due to market disruption), the annual call on these instruments would enable the bank to call the bond on any of the subsequent annual call options dates.

NBFCs and Corporates

While the issuer is not obligated to exercise the call option on first call date, the coupon stepup usually provides financial incentive to the Issuer to exercise the call option. Further, as we invest in issuer with sound credit worthiness, we expect them to be cognizant of the investor sensitivities with regards to exercising the call as the part of their long term resource raising strategy. Any instance of skipping of first call option exercise can lead to increase in cost of PDI for future issuance (as investor would start factoring in longer bond tenors) and impact the issuer's profitability adversely. Finally, in case the issuer is unable to call the perpetual instrument on first call date (say due to market disruption), the coupon step up also compensates the investor for extended holding period.

While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.

Fixed Income Derivative Instruments

The Scheme may use Derivative instruments like interest rate swaps like overnight indexed swaps (OIS), forward rate agreements, interest rate futures (as and when permitted) or such other Derivative instruments as may be permitted under the applicable regulations. Derivatives will be used for the purpose of hedging, and portfolio balancing or such other purpose as may be permitted under the regulations and guidelines from time to time.

The Fund will be allowed to take exposure in interest rate swaps only on a non-leveraged basis. A swap will be undertaken only if there is an underlying asset in the portfolio. In terms of circular

no. MFD.BC.191/07.01.279/1999-2000 and MPD.BC.187/07.01.279/1999 - 2000 dated November 1, 1999 and July 7, 1999 respectively issued by RBI permitting participation by Mutual Funds in interest rate swaps and forward rate agreements, the Scheme will use Derivative instruments for the purpose of hedging and portfolio balancing. The Scheme may also use derivatives for such purposes as maybe permitted from time to time. Further, the guidelines issued by RBI from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to by the Mutual Fund.

IRS and FRAs do also have inherent credit and settlement risks. However, these risks are substantially reduced as they are limited to the interest streams and not the notional principal amounts.

Investments in Derivatives will be in accordance with the extant SEBI Regulations / guidelines. Presently Derivatives shall be used for hedging and / or portfolio balancing purposes, as permitted under the Regulations. The circumstances under which such transactions would be entered into would be when, for example using the IRS route it is possible to generate better returns / meet the objective of the Scheme at a lower cost. e.g. if buying a 2 Yr MIBOR based instrument and receiving the 2 Yr swap rate yields better return than the 2 Yr AAA corporate, the Scheme would endeavor to do that. Alternatively, the Scheme would also look to hedge existing fixed rate positions if the view on interest rates is that it would likely rise in the future.

The following information provides a basic idea as to the nature of the Derivative instruments proposed to be used by the Scheme and the benefits and risks attached therewith. Please note that the examples have been given for illustration purposes only.

Using Overnight Indexed Swaps

In a rising interest rate scenario, the Scheme may enhance returns for the Investor by hedging the risk on its fixed interest paying assets by entering into an OIS contract where the Scheme agrees to pay a fixed interest rate on a specified notional amount, for a pre determined tenor and receives floating interest rate payments on the same notional amount. The fixed returns from the Scheme assets and the fixed interest payments to be made by the Scheme on account of the OIS transaction offset each other and the Scheme benefits on the floating interest payments that it receives. The Scheme may enter into an opposite position in case of a falling interest rate scenario, i.e. to hedge the floating rate assets in its portfolio the Scheme enters into an OIS transaction wherein it receives a fixed interest rate on a specified notional amount for a specified time period and pays a floating interest rate on the same notional amount. The floating interest payments that the Scheme receives on its floating rate securities and the floating interest payments that the Scheme has to pay on account of the OIS transaction offset each other and the Scheme benefits on the fixed interest payments that it receives in such a scenario.

Swap

Assume that the Scheme has a Rs. 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 12%) and pays the "benchmark rate" (MIBOR), which is fixed by the NSE or any other agency such as Reuters. This swap would effectively lock-in the rate of 12% for the next 6 months, eliminating the daily interest rate risk. This transaction is usually routed through an intermediary who runs a book and matches deals between various counterparties.

The steps will be as follows:

Assuming the swap is for Rs. 20 Crores for June 1, 2009 to December 1, 2009. The Scheme is a fixed rate receiver at 12% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).

On June 1, 2009 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association (ISDA) norms.

On a daily basis, the benchmark rate fixed by NSE will be tracked by them. On December 1, 2009 they will calculate the following:

- The Scheme is entitled to receive interest on Rs. 20 Crores at 12% for 184 days i.e. Rs. 1.21 Crores, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.
- The counterparty is entitled to receive daily compounded call rate for 184 days & pay 12% fixed.
- On December 1, 2009, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 1.21 Crores, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.
- Effectively the Scheme earns interest at the rate of 12% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 12% p.a. for 6 months on Rs. 20 Crores, without borrowing for 6 months fixed.

The above example illustrates the use of Derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

Forward Rate Agreement

Assume that on June 30, 2009, the 30 day Commercial Paper (CP) rate is 4% and the Scheme has an investment in a CP of face value Rs. 50 Crores, which is going to mature on July 31, 2009. If the interest rates are likely to remain stable or decline after July 31, 2009, and if the fund manager, who wants to re-deploy the maturity proceeds for 1 more month does not want to take the risk of interest rates going down, he can then enter into a following Forward Rate Agreement (FRA) say as on June 30, 2009:

He can receive 1 X 2 FRA on June 30, 2009 at 4.00% (FRA rate for 1 months lending in 1 months time) on the notional amount of Rs. 50 Crores, with a reference rate of 30 day CP benchmark. If the CP benchmark on the settlement date i.e. July 30, 2009 falls to 3.75%, then the Scheme receives the difference 4.00 – 3.75 i.e. 25 basis points on the notional amount Rs. 50 Crores.

Interest Rate Futures

Assume that the Scheme holds an Indian ten year benchmark and the fund manager has a view that the yields will go up in the near future leading to decrease in value of the investment and subsequent decrease in Net Asset Value of the Scheme. The fund manager decides to use Interest Rate Futures to mitigate the risk of decline of Net Asset Value of the Scheme.

12th October 2009

- The benchmark ten year paper 6.88 2009, is trading at INR 98.00 at a yield of 7.19%.
- December 2009 futures contract on the ten year notional 7% coupon bearing Government paper is trading at a yield of 7.29% at a price of INR 98.50.
- The mutual fund decides to hedge the exposure by taking a short position in December 2009 interest rate futures contract.

25th November 2009

- As expected by the fund manager the yield of the benchmark ten year paper has increased to 8% and the price has decreased to 92.70.
- The December 2009 futures contract is trading at a price of INR 93.17 indicating a yield of 8.05%
- The mutual fund unwinds the short position by buying the December 2009 futures contract. The transaction results in profit from the futures position, against the corresponding loss from the Government of India security position.

II. INFORMATION ABOUT THE SCHEME:

A. WHERE WILL THE SCHEME INVEST –

The corpus of the Scheme, subject to the enabling provisions of asset allocation pattern, will be invested in securities/ instruments which will include but not limited to:

Debt Instruments & Money Market Instruments

1. Certificate of Deposit (CD)
Certificate of Deposit (CD) is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to raise short term resources. The maturity period of CDs issued by the Banks is between 7 days to one year, whereas, in case of FIs, maturity is one year to 3 years from the date of issue.
2. Commercial Paper (CP)
Commercial Paper (CP) is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. CP is traded in secondary market and can be freely bought and sold before maturity.
3. Treasury Bill (T-Bill)
Treasury Bills (T-Bills) are issued by the Government of India to meet their short term borrowing requirements. T-Bills are issued for maturities of 14 days, 91 days, 182 days and 364 days. The Scheme may also invest in Cash Management Bill (CMB) issued by the Government of India to meet their short term borrowing requirements. CMB are generally issued for maturities of less than 91 days.
4. Commercial Usance Bills
Bill (bills of exchange/promissory notes of public sector and private sector corporate entities) Rediscounting, usance bills and commercial bills.

Repos

Repo (Repurchase Agreement) or Reverse Repo is a transaction in which two parties agree to sell and purchase the same security with an agreement to purchase or sell the same security at a mutually decided future date and price. The transaction results in collateralized borrowing or lending of funds. Presently in India, corporate debt securities, Government Securities, State Government Securities and T-Bills are eligible for Repo/Reverse Repo.

Tri-party repo means a repo contract where a third entity (apart from the borrower and lender), called a Tri-Party Agent, acts as an intermediary between the two parties to the repo to facilitate services like collateral selection, payment and settlement, custody and management during the life of the transaction.

The Scheme may undertake repo or reverse repo transactions in accordance with the directions issued by RBI and SEBI from time to time. Such investment shall be made subject to the guidelines which may be prescribed by the Board of Directors of the Asset Management Company and Trustee Company.

Securities created and issued by the Central and State Governments as may be permitted by RBI, securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). State Government securities (popularly known as State Development Loans or SDLs) are issued by the respective State Government in co- ordination with the RBI.

Non - Convertible Debentures

Non convertible debentures are securities issued by companies / institutions promoted / owned by the Central or State Governments and statutory bodies which may or may not carry a Central/State Government guarantee, Public and private sector banks, all India Financial Institutions and Private Sector Companies. These instruments may be secured or unsecured against the assets of the Company and generally issued to meet the short term and long term fund requirements. These instruments may have fixed or floating rate coupon. The Scheme may also invest in the non convertible part of convertible debt securities.

Securitized Assets

Securitization is a structured finance process which involves pooling and repackaging of cash flow producing financial assets into securities that are then sold to investors. They are termed as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are backed by other assets such as credit card, automobile or consumer loan receivables, retail installment loans or participations in pools of leases. Credit support for these securities may be based on the underlying assets and/or provided through credit enhancements by a third party. MBS is an asset backed security whose cash flows are backed by the principal and interest payments of a set of mortgage loans. Such Mortgage could be either residential or commercial properties. ABS/MBS instrument reflect the undivided interest in the underlying assets and do not represent the obligation of the issuer of ABS/MBS or the originator of underlying receivables. Securitization often utilizes the services of SPV.

Pass through Certificate (PTC)

(Pay through or other Participation Certificates) represents beneficial interest in an underlying pool of cash flows. These cash flows represent dues against single or multiple loans originated by the sellers of these loans. These loans are given by banks or financial institutions to corporates. PTCs may be backed, but not exclusively, by receivables of personal loans, car loans, two wheeler loans and other assets subject to applicable regulations.

The following are certain additional disclosures w.r.t. investment in securitized debt:

1. How the risk profile of securitized debt fits into the risk appetite of the Scheme

Securitized debt is a form of conversion of normally non-tradable loans to transferable securities. This is done by assigning the loans to a special purpose vehicle (a trust), which in turn issues Pass-Through-Certificates (PTCs). These PTCs are transferable securities with fixed income characteristics. The risk of investing in securitized debt is similar to investing in debt securities. However it differs in two respects.

Typically the liquidity of securitized debt is less than similar debt securities. For certain types of securitized debt (backed by mortgages, personal loans, credit card debt, etc.), there is an additional pre-payment risk. Pre-payment risk refers to the possibility that loans are repaid before they are due, which may reduce returns if the re-investment rates are lower than initially envisaged.

Because of these additional risks, securitized debt typically offers higher yields than debt securities of similar credit rating and maturity. If the fund manager judges that the additional risks are suitably compensated by the higher returns, he may invest in securitized debt up to the limits specified in the asset allocation table above.

Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitized debt, etc

The originator is the person who has initially given the loan. The originator is also usually responsible for servicing the loan (i.e. collecting the interest and principal payments). An analysis of the originator is especially important in case of retail loans as this affects the credit quality and servicing of the PTC. The key risk is that of the underlying assets and not of the originator. For example, losses or performance of earlier issuances does not indicate quality of current series. However such past performance may be used as a guide to evaluate the loan standards, servicing capability and performance of the originator.

Originators may be: Banks, Non Banking Finance Companies, Housing Finance Companies, etc. The fund manager / credit analyst evaluates originators based on the following parameters

- Track record
- Willingness to pay, through credit enhancement facilities etc.
- Ability to pay
- Business risk assessment, wherein following factors are considered:
 - Outlook for the economy (domestic and global)
 - Outlook for the industry
 - Company specific factors

In addition a detailed review and assessment of rating rationale is done including interactions with the originator as well as the credit rating agency.

The following additional evaluation parameters are used as applicable for the originator / underlying issuer for pool loan and single loan securitization transactions:

- Default track record/ frequent alteration of redemption conditions / covenants
- High leverage ratios of the ultimate borrower (for single-sell downs) – both on a standalone basis as well on a consolidated level/ group level
- Higher proportion of reschedulement of underlying assets of the pool or loan, as the case may be
- Higher proportion of overdue assets of the pool or the underlying loan, as the case may be
- Poor reputation in market
- Insufficient track record of servicing of the pool or the loan, as the case may be.

1. Risk mitigation strategies for investments with each kind of originator

An analysis of the originator is especially important in case of retail loans as the size and reach affects the credit quality and servicing of the PTC. In addition, the quality of the collection process, infrastructure and follow-up mechanism; quality of MIS; and credit enhancement mechanism are key risk mitigants for the better originators / servicers.

In case of securitization involving single loans or a small pool of loans, the credit risk of the underlying borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to determine the credit risk. The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of evaluating the performance potential of the PTC. Securitization transactions may include some risk mitigants (to reduce credit risk). These may include interest subvention (difference in interest rates on the underlying loans and the PTC serving as margin against defaults), overcollateralization (issue of PTCs of lesser value than the underlying loans, thus even if some loans default, the PTC continues to remain protected), presence of an equity / subordinate tranche (issue of PTCs of differing seniority when it comes to repayment - the senior tranches get paid before the junior tranche) and / or guarantees.

2. The level of diversification with respect to the underlying assets, and risk mitigation measures for less diversified investments

In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. In case of diversified pools of loans, the overall characteristic of the loans is analyzed to determine the credit risk.

The credit analyst looks at ageing (i.e. how long the loan has been with the originator before securitization) as one way of judging the performance potential of the PTC. Additional risk mitigants may include interest subvention, over collateralization, presence of an equity / subordinate tranche and / or guarantees. The credit analyst also uses analyses by credit rating agencies on the risk profile of the securitized debt.

Currently, the following parameters are used while evaluating investment decision relating to a pool securitization transaction. The Investment Review Committee may revise the parameters from time to time.

Characteristic s/Type of Pool	Mortgage Loan	Commercial Vehicle and Constructio n Equipment	CAR	2 wheelers	Micro Financ e Pools *	Persona l Loans *	Single Sell Down s	Other s
Approximate Average maturity (in Months)	Up to 10 years	Upto 3 years	Up to 3 years	Up to 3 years	NA	NA	Ref er Not e 1	Ref er Not e 2

Collateral margin (including cash, guarantees, excess interest	>10%	>10%	>10%	>10%	NA	NA	"	"
Average Loan to Value Ratio	<90%	<80%	<80%	<80%	NA	NA	"	"
Average seasoning of the Pool	>3 months	>3 months	>3 months	>3 months	NA	NA	"	"
Maximum single exposure	<1%	<1%	<1%	<1%	NA	NA	"	"
Average single exposure	<1%	<1%	<1%	<1%	NA	NA	"	"

* Currently, the Scheme will not invest in these types of securitized debt.

Note 1: In case of securitization involving single loans or a small pool of loans, the credit risk of the borrower is analyzed. The investment limits applicable to the underlying borrower are applied to the single loan sell-down.

Note 2: Other investments will be decided on a case-to-case basis

The credit analyst may consider the following risk mitigating measures in his analysis of the securitized debt:

- Size of the loan
- Average original maturity of the pool
- Loan to Value Ratio
- Average seasoning of the pool
- Default rate distribution
- Geographical Distribution
- Credit enhancement facility
- Liquid facility
- Structure of the pool

1. Minimum retention period of the debt by originator prior to securitization

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements. In addition, RBI has proposed minimum holding period of between nine and twelve months for assets before they can be securitized. The minimum holding period depends on the tenor of the securitization transaction. The Scheme will invest in securitized debt that is compliant with the laws and regulations.

2. Minimum retention percentage by originator of debts to be securitized

Issuance of securitized debt is governed by the Reserve Bank of India. RBI norms cover the "true sale" criteria including credit enhancement and liquidity enhancements, including maximum exposure by the originator in the PTCs. In addition, RBI has proposed minimum retention requirement of between five and ten percent of the book value of the loans by the originator. The minimum retention requirement depends on the tenor and structure of the securitization transaction. The Fund will invest in securitized debts that are compliant with the laws and regulations.

3. The mechanism to tackle conflict of interest when the mutual fund invests in securitized debt of an originator and the originator in turn makes investments in that particular scheme of the fund.

The key risk is securitized debt relates to the underlying borrowers and not the originator. In a securitization transaction, the originator is the seller of the debt(s) and the fund is the buyer. However, the originator is also usually responsible for servicing the loan (i.e. collecting

the interest and principal payments). As the originators may also invest in the scheme, the fund manager shall ensure that the investment decision is based on parameters as set by the Investment Review Committee (IRC) of the Asset Management Company and IRC shall review the same at regular interval.

4. The resources and mechanism of individual risk assessment with the AMC for monitoring investment in securitized debt. The fund management team including the credit analyst has the experience to analyze securitized debt. In addition, credit research agencies provide analysis of individual instruments and pools. On an on-going basis (typically monthly) the servicer provides reports regarding the performance of the pool. These reports would form the base for ongoing evaluation where applicable. In addition, rating reports indicating rating changes would be monitored for changes in rating agency opinion of the credit risk.

Debt derivative instruments

- i. **Interest Rate Swap** - An Interest Rate Swap (IRS) is a financial contract between two parties exchanging or swapping a stream of interest payments for a "notional principal" amount on multiple occasions during a specified period. Such contracts generally involve exchange of a "fixed to floating" or "floating to fixed rate" of interest. Accordingly, on each payment date that occurs during the swap period, cash payments based on fixed/ floating and floating rates are made by the parties to one another.
- ii. **Forward Rate Agreement** - A Forward Rate Agreement (FRA) is a financial contract between two parties to exchange interest payments for a 'notional principal' amount on settlement date, for a specified period from start date to maturity date. Accordingly, on the settlement date, cash payments based on contract (fixed) and the settlement rate, are made by the parties to one another. The settlement rate is the agreed bench-mark/ reference rate prevailing on the settlement date.
- iii. **Interest Rate Futures**
A futures contract is a standardized, legally binding agreement to buy or sell a commodity or a financial instrument in a designated future month at a market determined price (the futures price) by the buyer and seller. The contracts are traded on a futures exchange. An Interest Rate Future is a futures contract with an interest bearing instrument as the underlying asset.

Characteristics of Interest Rate Futures

1. Obligation to buy or sell a bond at a future date
2. Standardized contract.
3. Exchange traded
4. Physical settlement
5. Daily mark to market

Short Term Deposits

Pending deployment of funds as per the investment objective of the Scheme, the Funds may be parked in short term deposits of the Scheduled Commercial Banks, subject to guidelines and limits specified by SEBI.

Units of Mutual Fund schemes

The scheme may invest in units of debt and liquid mutual fund schemes of quant AMC or in the Scheme of other mutual funds in conformity with the investment objective of the Scheme and in terms of the prevailing SEBI (MF) Regulations. Provided that such investment will be within the limits specified under SEBI (MF) Regulations and will be done for cash management purposes.

The securities / instruments mentioned above and such other securities the Scheme is permitted to invest in could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of any maturity.

The securities may be acquired through initial public offering (IPOs), secondary market, private placement, rights offers, negotiated deals etc. Further investments in debentures, bonds and other

fixed income securities will be in instruments which have been assigned investment grade rating by the Credit Rating Agency.

Investment in unrated debt instruments shall be subject to complying with the norms as specified by Board from time to time. For applicable regulatory investment limits please refer paragraph "Investment Restrictions".

The Fund Manager may invest in any other security as maybe permitted from time to time and which are in line with the investment objectives of the Scheme.

B. WHAT ARE THE INVESTMENT RESTRICTIONS?

1. The mutual fund having an aggregate of securities which are worth Rs. 10 crores or more, as on the latest balance-sheet date, shall subject to such instructions as may be issued from time to time by the Board settle their transactions, only through dematerialised securities.
2. The mutual fund shall not borrow except to meet temporary liquidity needs of the mutual funds for the purpose of repurchase, redemption of units or payment of interest or dividend to the unitholders: Provided that the mutual fund shall not borrow more than 20 per cent of the net asset of the scheme and the duration of such a borrowing shall not exceed a period of six months.

Save as otherwise expressly provided under these regulations, the mutual fund shall not advance any loans for any purpose.

3. A mutual fund may lend and borrow securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board.
4. A mutual fund may enter into short selling transactions on a recognized stock exchange, subject to the framework relating to short selling and securities lending and borrowing specified by the Board.
5. A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorised to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and Board of Directors of the asset management company:

Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and [triparty repo on Government securities or treasury bills]:

Provided further that investments within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board:

Provided further that such limit shall not be applicable for investments in case of debt exchange traded funds or such other funds as may be specified by the Board from time to time.

6. A mutual fund scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments:

Provided that Mutual Fund Schemes may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the Board from time to time:

Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the Board:

Provided further that the norms for investments by mutual fund schemes in unrated debt

instruments shall be specified by the Board from time to time.

As per these norms, investments in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. by mutual fund schemes shall not exceed 5% of net assets of the Scheme.

Further, the Scheme shall comply with provisions of clauses 4.3.1 and 12.1 of Master Circular regarding investment in Debt and Money Market Instruments, as amended from time to time, to the extent applicable to the Scheme.

7. Transfer of investments from one scheme to another scheme in the same Mutual Fund, shall be allowed only if: -
 - a) such transfers are made at the prevailing market price for quoted Securities on spot basis
Explanation: spot basis shall have the same meaning as specified by Stock Exchange for spot transactions.
Provided that inter scheme transfer of money market or debt security (irrespective of maturity) shall take place based on prices made available by valuation agencies as prescribed by SEBI from time to time.
 - b) the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.
 - c) Inter Scheme Transfers are effected in accordance with the guidelines specified by clause 12.30 of SEBI Master Circular as amended from time to time.
8. A scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate inter scheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund [Provided that this clause shall not apply to any fund of funds scheme.]
9. The mutual fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that a mutual fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board:

[Provided further that a mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the Board.]

[Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.]
10. The mutual fund shall get the securities purchased or transferred in the name of the mutual fund on account of the concerned scheme, wherever investments are intended to be of long-term nature.
11. Pending deployment of funds of a scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of scheduled commercial banks, subject to such Guidelines as may be specified by the Board.
12. The scheme shall follow the guidelines for parking of funds in short term deposits as specified in clause 12.16 of SEBI Master Circular.
 - (a) "Short Term" for parking of funds shall be treated as a period not exceeding 91 days.

(b) Such short-term deposits shall be held in the name of the Scheme.

(c) The Scheme(s) shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustee.

(d) Parking funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.

(e) The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.

(F) The Scheme shall not park funds in short-term deposit of a bank, which has invested in the Scheme.

(g) Trustees/AMC shall also take steps to ensure that a bank in which the Scheme has short term deposit does not invest in the Scheme until the Scheme has short term deposit with such bank.

(h) No investment management and advisory fees will be charged for such investments in the respective Scheme.

(i) The aforesaid limits shall not be applicable to term deposits placed as margins for trading in cash and derivatives market.

13. The Scheme shall invest in Debt instruments having Structured Obligations/Credit Enhancements in accordance with provisions of clause 4.3.1 of Master Circular as may be amended by SEBI from time to time

14. The Scheme shall not make any investments in: (a) any unlisted security of an associate or group company of the Sponsors; (b) any security issued by way of private placement by an associate or group company of the Sponsors; (c) the listed securities of group companies of the Sponsors which is in excess of 25% of the net assets; (d) any fund of funds scheme.

All investment restrictions shall be applicable at the time of making investment.

C. FUNDAMENTAL ATTRIBUTES

Following are the Fundamental Attributes of the scheme, in terms of Clause 1.14 of SEBI Master Circular for Mutual Funds dated June 27, 2024:

i. **Type of a Scheme**

An open ended debt scheme investing in government securities across maturity.

ii. **Investment Objective:** The investment objective of the scheme is to generate returns through investments in sovereign securities issued by the Central Government and/or State Government. There can be no assurance that the investment objective of the Scheme will be achieved.

Investment Pattern: Please refer to 'How will the Scheme Allocate its Assets?' under the Part II 'INFORMATION ABOUT THE SCHEME'.

iii. **Terms of Issue**

- Liquidity provisions such as listing, repurchase, redemption. (please refer to relevant provisions on listing, repurchase, redemption in section II 'Other Scheme Specific Disclosures')
- Aggregate fees and expenses charged to the scheme (please refer to ANNUAL SCHEME RECURRING EXPENSES under Part III – Other Details).
- Any safety net or guarantee provided -

This Scheme does not provide any guaranteed or assured return.

In accordance with Regulation 18(15A) of SEBI (MF) Regulations, 1996 and in terms of Clause 1.14.1.4 of SEBI Master Circular for Mutual Funds dated June 27,2024, the Trustees shall ensure that no change in the fundamental attributes of the Scheme and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- SEBI has reviewed and provided its comments on the proposal
- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of atleast 30 calendar days to exit at the prevailing Net Asset Value without any exit load.

D. OTHER SCHEME SPECIFIC DISCLOSURES:

Listing and transfer of units	<p>Listing:</p> <p>The Scheme is an open ended scheme under which sale and repurchase will be made on a continuous basis and therefore listing on stock exchanges is not envisaged. However, the Trustee reserves the right to list the units as and when considered necessary in the interest of Unit holders of the Fund.</p> <p>Transfer of Units:</p> <p>Unless otherwise restricted or prohibited, units shall be freely transferable by act of parties or by operation of law. Transfer of units will be subject to submission of valid documents and fulfillment of the eligibility requirements by the unitholder/investor as stated under prevailing AMFI / SEBI guidelines from time to time.</p> <p>For more details, refer SAI.</p>
Dematerialization of units	<p>The Unit holders would have an option to hold the Units in demat form or account statement (non-demat) form. Units held in Demat Form are freely transferable. The Applicant intending to hold Units in demat form will be required to have a beneficiary account with a Depository Participant (DP) of the NSDL/ CDSL and will be required to mention in the application form DP's Name, DP ID No. and Beneficiary Account No. with the DP at the time of purchasing Units.</p>
Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)	Not Applicable
Maximum Amount to be raised (if any)	Not Applicable
Dividend Policy (IDCW)	<p>Under the IDCW option, the Trustee will have the discretion to declare the IDCW, subject to availability of distributable surplus calculated in accordance with the Regulations. The actual</p>

	<p>declaration of IDCW and frequency will inter-alia, depend on availability of distributable surplus calculated in accordance with SEBI (MF) Regulations and the decisions of the Trustee shall be final in this regard. There is no assurance or guarantee to the Unit holders as to the rate of IDCW nor that it will be paid regularly.</p> <p>The AMC/Trustee reserves the right to change the frequency of declaration of IDCW or may provide for additional frequency for declaration of IDCW.</p> <p>IDCW Distribution Procedure</p> <p>In accordance with Clause 11 of Master Circular dated June 27, 2024, the procedure for distribution would be as under:</p> <ol style="list-style-type: none"> 1. Quantum of IDCW and the record date will be fixed by the Trustee. IDCW so decided shall be paid, subject to availability of distributable surplus. 2. Within one calendar day of the decision by the Trustees, AMC shall issue notice to the public communicating the decision including the record date. The record date shall be 2 Business Days from the date of publication in at least one English newspaper or in a newspaper published in the language of the region where the Head Office of the mutual fund is situated, whichever is issued earlier. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose names appear on the register of Unit holders for receiving IDCW. 4. The notice will, in font size 10, bold, categorically state that pursuant to payment of dividend, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable). 5. The NAV will be adjusted to the extent of IDCW distribution and statutory levy, if any, at the close of business hours on record date. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by Mutual Fund. <p>However, the requirement of giving notice shall not be applicable for IDCW options having frequency up to one month.</p>
Allotment (Detailed procedure)	<p>All Applicants whose monies towards purchase of Units have been realised by the Fund will receive a full and firm allotment of Units, provided also the applications are complete in all respects and are found to be in order. Any application for subscription of units may be rejected if found invalid, incomplete or due to unavailability of underlying securities, etc. Units will be allotted upto 3 decimals. Any application for subscription of units may be rejected if found invalid, incomplete or due to unavailability of underlying securities, etc. Applicants under the Scheme will have an option to hold the Units either in physical form (i.e. account statement) or in dematerialized form. Accordingly, the AMC shall allot units either in physical form (i.e. account statement) or in dematerialized form within 5 working days from the date of receipt of valid application / transaction to the Unitholders.</p> <p>Dematerialization The Applicants intending to hold the Units in</p>

	<p>dematerialized mode will be required to have a beneficiary account with a Depository Participant (DP) of the NSDL/CDSL and will be required to mention in the application form DP's Name, DP ID No. and Beneficiary Account No. with the DP at the time of purchasing Units. The Units allotted will be credited to the DP account of the Unit holder as per the details provided in the application form. The statement of holding of the beneficiary account holder for units held in demat will be sent by the respective DPs periodically.</p> <p>Units held in demat form are freely transferable. If the Unit holder desires to hold the Units in a Dematerialized / Rematerialized form at a later date, the request for conversion of units held in Account Statement (non demat) form into Demat (electronic) form or vice versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. However, the Trustee / AMC reserves the right to change the dematerialization / rematerialization process in accordance with the procedural requirements laid down by the Depositories, viz. NSDL/ CDSL and/or in accordance with the provisions laid under the Depositories Act, 1996 and Regulations thereunder. All Units will rank pari passu, among Units within the same Option in the Scheme concerned as to assets, earnings and the receipt of Distributions, if any, as may be declared by the Trustee.</p> <p>Allotment Confirmation</p> <p>An allotment confirmation specifying the units allotted shall be sent by way of email and/or SMS within 5 working days of the closure of the application to the Unit holder's registered e-mail address and/or mobile number.</p> <p>Note: Allotment of units will be done after deduction of applicable stamp duty, if any.</p>
Refund	Not Applicable
<p>Who can invest</p> <p>This is an indicative list and investors shall consult their financial advisor to ascertain whether the scheme is suitable to their risk profile.</p>	<p>The following persons (i.e. an indicative list of persons) are eligible and may apply for subscription to the Units of the Scheme provided they are not prohibited by any law/ Constitutive documents governing them:</p> <ol style="list-style-type: none"> 1. Investors desiring to invest / transact in mutual fund schemes are required to mandatorily furnish PAN (PAN of the guardian in case minor does not have a PAN) and comply with the KYC norms applicable from time to time. Under the KYC norms,</p>
--	--

	<p>Investors are required to provide prescribed documents for establishing their identity and address including in case of non-individuals copy of the Memorandum and Articles of Association / bye-laws/trust deed/ partnership deed/ Certificate of Registration along with the proof of authorization to invest, as applicable, to the KYC Registration Agency (KRA) registered with SEBI. The Fund / AMC / Trustees / other intermediaries will rely on the declarations/affirmations provided by the Investor(s) in the Application/Transaction Form(s) and the documents furnished to the KRA that the Investor(s) is permitted/ authorised by the Constitution document/their Board of Directors etc. to make the investment / transact. Further, the Investor shall be liable to indemnify the Fund / AMC / Trustee / other intermediaries in case of any dispute regarding the eligibility, validity and authorization of the transactions and / or the applicant who has applied on behalf of the Investors. The Fund / AMC / Trustee reserves the right to call for such other information and documents as may be required by it in connection with the investments made by the investor. Where the Units are held by a Unit holder in breach of any Regulations, AMC / the Fund may effect compulsory redemption of such units. Returned cheques are liable not to be presented again for collection, and the accompanying application forms are liable to be rejected. In case the returned cheques are presented again, the necessary charges are liable to be debited to the investor.</p> <p>4. The Trustee reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by the investor for purchase of Units of this Scheme.</p> <p>5. Subject to the SEBI (MF) Regulations, the Trustee may inter-alia reject any application for the purchase of Units if the application is invalid or incomplete or non-permissible under law or if the Trustee for any other reason does not believe that it would be in the best interest of the Scheme or its Unitholders to accept such an application.</p>
Who cannot invest	<p>The aforementioned persons/entities as specified under section “Who Can Invest?” shall not be eligible to invest in the Scheme, if such persons/entities are: 1. United States Person (U.S. person*) as defined under the extant laws of the United States of America, except the following:</p> <p>a. NRIs/PIOs may invest/transact, in the Scheme, when present in India, as lump sum subscription, redemption and/or switch transaction and registrations of systematic transactions only through physical form and upon submission of such additional documents/undertakings, etc., as may be stipulated by AMC/ Trustee from time to time and subject to compliance with all applicable laws and regulations prior to investing in the Scheme.</p> <p>b. FPIs may invest in the Scheme as lump sum subscription and/or switch transaction (other than systematic transactions) through submission of physical form in India, subject to compliance with all applicable laws and regulations and the terms, conditions, and documentation requirements stipulated by the AMC/Trustee from time to time, prior to investing in the Scheme.</p>

	<p>The Trustee/AMC reserves the right to put the transaction requests received from such U.S. person on hold/reject the transaction request/redeem the units, if allotted, as the case may be, as and when identified by the AMC that the same is not in compliance with the applicable laws and/or the terms and conditions stipulated by Trustee/AMC from time to time. Such redemptions will be subject to applicable taxes and exit load, if any.</p> <p>The physical application form(s) for transactions (in nondemat mode) from such U.S. person will be accepted ONLY at the Investor Service Centres (ISCs) of quant Money Managers Limited (AMC). Additionally, such transactions in physical application form(s) will also be accepted through Distributors and other platforms subject to receipt of such additional documents/undertakings, etc., as may be stipulated by AMC/ Trustee from time to time from the Distributors/ Investors.</p> <p>2. Residents of Canada;</p> <p>3. Investor residing in any Financial Action Task Force (FATF)designated High Risk jurisdiction.</p> <p>*The term “U.S. person” means any person that is a U.S. person within the meaning of RegulationS under the Securities Act of 1933 of U.S. or as defined by the U.S. Commodity Futures Trading Commission or as per such further amended definitions, interpretations, legislations, rules etc, as may be in force from time to time.</p>
How to Apply and other details	<p>The Applications Forms shall be made available at Investor Service Centres (ISCs)/Official Points of Acceptance (OPAs) of Mutual Fund and/ or may be downloaded from the website of AMC www.quantmutual.com. For further details, refer to the SAI and Application form for the instructions.</p> <p>1 The list of the Investor Service Centres (ISCs)/Official Points of Acceptance (OPAs) of the Mutual Fund will be provided on the website of the AMC https://quantmutual.com/about-us/contact-us</p> <p>2. Please refer the last page of SID for Name, address and contact no. of Registrar and Transfer Agent (R&T), email id of R&T, website address of R&T, official points of acceptance.</p> <p>As per the directives issued by SEBI it is mandatory for an investor to declare his/her bank account number. To safeguard the interest of Unitholders from loss or theft of their refund orders/redemption cheques, investors are requested to provide their bank details in the Application Form.</p> <p>In case an existing Unitholder is submitting a request for Change in his Bank Details, he needs to submit a copy of cancelled cheque leaf of the new bank account or Bank</p>

	<p>statement of the new bank account attested by his banker with seal & signature of banker or letter from the Banker of the investor. In absence of the same, the request for Change in Bank Mandate is liable to be rejected.</p> <p>Investors are required to note that it is mandatory to mention their bank account numbers in their applications/requests for redemption. At the time of redemption, investors can select the bank account to receive the amount.</p>
The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	<p>The number of Units held by the Unit holder under his folio / Demat Account will stand reduced by the number of Units redeemed. Presently, the AMC does not intend to reissue the repurchased units. However, the Trustee reserves the right to reissue the repurchased units at a later date after issuing adequate public notices and taking approvals, if any, from SEBI.</p>
Restrictions, if any, on the right to freely retain or dispose of units being offered.	<p>SUSPENSION OF SALE OF UNITS OF THE SCHEME</p> <p>The Mutual Fund at its sole discretion reserves the right to withdraw the Sale of Units i.e. subscriptions in the Scheme(s) (including any one Plan/ Option) temporarily or indefinitely, if in the opinion of the AMC the general market conditions are not favourable and / or suitable investment opportunities are not available for deployment of funds or if in the view of AMC/Trustee changing the size of the corpus may prove detrimental to the existing Unit holders of the Scheme(s) or for any other reason deemed fit by the AMC / Trustee. Further, the indicative list of circumstances under which sale of units may temporarily be suspended is as follows:</p> <ol style="list-style-type: none"> 1. When one or more stock exchanges or markets, which provide basis for valuation for a substantial portion of the assets of the Scheme are closed otherwise than for ordinary holidays. 2. In case of natural calamities, war, strikes, riots and bandhs. 3. In the event of any force majeure or disaster that affects the normal functioning of the AMC or the Official Point(s) of Acceptance 4. If so directed by SEBI. <p>RIGHT TO RESTRICT REDEMPTION AND / OR SUSPEND REDEMPTION OF THE UNITS (as per para 1.12 of SEBI Master Circular dated June 27, 2024 as may be amended from time to time):</p> <p>The Fund at its sole discretion reserves the right to restrict Redemption (including switch- out) of the Units (including Plan /Option) of the Scheme of the Fund upon occurrence of the below mentioned events for a period not exceeding ten (10) working days in any ninety (90) days period subject to approval of the Board of Directors of the AMC and the Trustee. The restriction on Redemption (including switch-out) shall be applicable where the Redemption (including switch-out) request is for a value above Rs. 2,00,000/- (Rupees Two Lakhs). Further, no restriction shall be applicable to the Redemption / switch-out request upto Rs. 2,00,000/- (Rupees Two Lakhs). It is further clarified that, in case of redemption request beyond Rs. 2,00,000/- (Rupees Two Lakhs), no restriction shall be applicable on first Rs. 2,00,000/- (Rupees</p>

	<p>Two Lakhs).</p> <p>The Trustee / AMC reserves the right to restrict Redemption or suspend Redemption of the Units in the Scheme of the Fund on account of circumstances leading to a systemic crisis or event(s) that severely constrict market liquidity or the efficient functioning of the markets.</p> <p>A list of such circumstances under which the restriction on Redemption or suspension of Redemption of the Units in the Scheme of the Fund may be imposed are as follows:</p> <ol style="list-style-type: none"> 1. Liquidity issues- when market at large becomes illiquid affecting almost all securities rather than any issuer specific security; or 2. Market failures / exchange closures; or 3. Operational issues; or 4. If so directed by SEBI. <p>It is clarified that since the occurrence of the abovementioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines, if any mentioned by the Fund in the scheme offering documents, for processing of requests for Redemption may not be applicable.</p> <p>Any restriction on Redemption or suspension of Redemption of the Units in the Scheme(s) of the Mutual Fund shall be made applicable only after specific approval of the Board of Directors of the AMC and Trustee Company and thereafter, immediately informing the same to SEBI.</p> <p>The AMC / Trustee reserves the right to change / modify the provisions of right to restrict Redemption and / or suspend Redemption of the Units in the Scheme of the Fund.</p>
<p>Cut off timing for subscriptions/ redemptions/ switches</p> <p>This is the time before which your application (complete in all respects) should reach the official points of acceptance.</p>	<p>The below cut-off timings and applicability of NAV shall be applicable in respect of valid applications received at the Official Point(s) of Acceptance on a Business Day:</p> <p>A] For Purchase (including switch-in) of any amount:</p> <ul style="list-style-type: none"> • In respect of valid applications received upto 3.00 p.m. and where the funds for the entire amount are available for utilization before the cut-off time i.e. credited to the bank account of the Scheme before the cut-off time - the closing NAV of the day shall be applicable. • In respect of valid applications received after 3.00 p.m. and where the funds for the entire amount are credited to the bank account of the Scheme either at any time on the same day or before the cut-off time of the next Business Day i.e. available for utilization before the cut-off time of the next Business Day - the closing NAV of the next Business Day shall be applicable. • Irrespective of the time of receipt of application, where the funds for the entire amount are credited to the bank account of the Scheme before the cut-off time on any subsequent Business Day i.e. available for utilization before the cut-off time on any subsequent Business Day - the closing NAV of such subsequent Business Day shall be applicable. <p>B] For Switch-ins of any amount: For determining the applicable NAV, the following shall be ensured:</p> <ul style="list-style-type: none"> • Application for switch-in is received before the applicable

	<p>cutoff time.</p> <ul style="list-style-type: none"> • Funds for the entire amount of subscription/purchase as per the switch-in request are credited to the bank account of the Scheme before the cut-off time. • The funds are available for utilization before the cut-off time. • In case of 'switch' transactions from one scheme to another, the allocation shall be in line with redemption payouts. <p>C) For Redemption (including switch-out) applications</p> <ul style="list-style-type: none"> • In respect of valid applications received upto 3 p.m. on a Business Day by the Fund, same day's closing NAV shall be applicable. • In respect of valid applications received after 3 p.m. on a Business Day by the Fund, the closing NAV of the next Business Day shall be applicable. • With respect to investors who transact through the stock exchange, a confirmation slip given by the stock exchange mechanism shall be considered for the purpose of determining Applicable NAV for the Scheme and cut off timing for the transactions. <p>To clarify, for investments through systematic investment routes such as Systematic Investment Plans (SIP), Systematic Transfer Plans (STP), etc. the units will be allotted as per the closing NAV of the day on which the funds are available for utilization by the Target Scheme irrespective of the installment date of the SIP, STP or record date of dividend etc.</p>
Minimum amount for purchase/redemption/switches	<p>Minimum amount for Purchase/Switch in Rs. 5,000 and in multiples of Re. 1/- thereafter</p> <p>Minimum Additional Purchase/Switch in Amount Rs.1,000 and in multiples of Re. 1/- thereafter</p> <p>Non applicability Minimum Application Amount (Lump-sum) and Minimum Redemption amount</p> <p>SEBI vide its Clause 6.10 of SEBI Master Circular dated June 27, 2024 (Alignment of interest of Designated Employees of Asset Management Companies (AMCs) with the Unitholders of the Mutual Fund Schemes), SEBI Mutual Fund Amendment dated 14th February 2025 and SEBI Circular dated 21 March 2025, has inter alia mandated that the AMC shall invest a certain percentage of the remuneration of such employees as specified by SEBI in units of the Mutual Fund schemes based on the roles of the Designated Employees.</p> <p>In accordance with the regulatory requirement, the minimum application amount and minimum redemption amount wherever specified will not be applicable for investment made in schemes of the Fund in compliance with the aforesaid circular(s).</p> <p>Minimum Redemption Amount/Switch Out There will be no minimum redemption criterion. The Redemption / Switch- out would be permitted to the extent of credit balance in the Unit holder's account of the Plan(s)</p>

	<p>/ Option(s) of the Scheme (subject to release of pledge / lien or other encumbrances). The Redemption / Switch-out request can be made by specifying the rupee amount or by specifying the number of Units of the respective Plan(s) / Option(s) to be redeemed. In case a Redemption / Switch-out request received is for both, a specified rupee amount and a specified number of Units of the respective Plan(s)/ Option(s), the specified number of Units will be considered the definitive request.</p> <p>In case of Units held in dematerialized mode, the Unit Holder can give a request for Redemption only in number of Units which can be fractional units also. Depository participants of registered Depositories can process only redemption request of units held in demat mode.</p> <p>The AMC/ Trustee reserves the right to change/ modify the terms of minimum redemption amount/switch-out, but not more than the minimum subscription amount.</p>
Minimum balance to be maintained and consequences of non-maintenance	Not Applicable
Accounts Statements	<p>The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 business days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form).</p> <p>In case of a specific request received from the Unit holders, the AMC will provide an account statement (reflecting transactions of the Fund) to the investors within 5 Business Days from the receipt of such request, by mail/email.</p> <p>The Unit holder without any charges may request for a physical account statement by writing to/calling the AMC/ISC/RTA. The Mutual Fund/ AMC shall dispatch an account statement within 5 Business Days from the date of the receipt of request from the Unit holder.</p> <p>A consolidated Account Statement and Monthly CAS shall be issued to investors that have opted for delivery via electronic mode (e-CAS) by the twelfth (12th) day from the month end, detailing all the transactions across all schemes of quant Mutual Fund and to investors that have opted for delivery via physical mode by the fifteenth (15th) day from the month end.</p> <p>The CAS will be dispatched by email to all the investors whose email addresses are registered with the Depositories and AMCs/MF-RTAs. However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form at the address registered with the Depositories and the AMCs/MF-RTAs. The depositories shall also intimate the investor on quarterly basis through the SMS mode specifying the email id on which the CAS is being sent.</p>

	<p>If there is any transaction in any of the demat accounts of the investor or in any of his mutual fund folios, then CAS shall be sent to that investor through email on monthly basis. In case there is no transaction in any of the mutual fund and demat accounts then CAS with holding details shall be sent to the investors by email on half yearly basis.</p> <p>The depositories shall dispatch the CAS to investors that have opted for delivery via electronic mode, on or before the eighteenth (18th) day of April and October and to investors that have opted for delivery via physical mode, on or before the twenty-first (21st) day of April and October.</p> <p>However, where an investor does not wish to receive CAS through email, option shall be given to the investor to receive the CAS in physical form at the address registered with the Depositories and the AMCs/MF-RTAs.</p> <p>In the event the account has more than one registered holder, the first named Unit holder shall receive the CAS/ account statement.</p> <p>The transactions viz. purchase redemption, switch, etc., carried out by the Unit holders shall be reflected in the CAS on the basis of Permanent Account Number (PAN).</p> <p>The CAS shall not be received by the Unit holders for the folio(s) not updated with PAN details. The Unit holders are therefore requested to ensure that the folio(s) are updated with their PAN.</p> <p>Half Yearly CAS shall be issued to investors that have opted for e-CAS on or before the eighteenth (18th) day of April and October, to all investors providing the prescribed details across all schemes of mutual funds and to investors that have opted for delivery via physical mode by the twenty first (21st) day of April and October.</p> <p>The statement of holding of the beneficiary account holder for units held in demat will be sent by the respective DPs periodically.</p> <p>The Account Statement shall state that the net investment as gross subscription less transaction charges, if any and specify the no. of units allotted against the net investment.</p> <p>CAS for investors having Demat account:</p> <ul style="list-style-type: none"> Investors having MF investments and holding securities in Demat account shall receive a single Consolidated Account Statement (CAS) from the Depository. Consolidation of account statement shall be done on the basis of Permanent Account Number (PAN). In case of multiple holding, it shall be PAN of the first holder and pattern of holding. The CAS shall be generated on a monthly basis. If there is any transaction in any of the Demat accounts of the investor or in any of his mutual fund folios, depositories shall send the CAS within ten days from
--	---

	<p>the month end. In case, there is no transaction in any of the mutual fund folios and demat accounts then CAS with holding details shall be sent to the investor on half yearly basis.</p> <ul style="list-style-type: none"> • In case an investor has multiple accounts across two depositories, the depository with whom the account has been opened earlier will be the default depository. • No Account Statements will be issued by the AMC to Unit holders who hold units in dematerialized mode. For Units in dematerialised mode, the Account Statements may be obtained by the Investor from the depository participants with whom the investor holds the DP account. <p>The dispatch of CAS by the depositories would constitute compliance by the AMC/ the Mutual Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations and as per SEBI Circular Reference no. SEBI/HO/MRD/PoD1/CIR/P/2025/16 dated February 14, 2025.</p> <p>For further details, refer SAI</p>
Dividend/ IDCW	<p>The payment of dividend/IDCW to the unitholders shall be made within seven working days from the record date.</p>
Redemption	<p>The redemption or repurchase proceeds shall be dispatched to the unitholders within one working days from the date of redemption or repurchase.</p> <p>For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.</p>
Bank Mandate	<p>As per the directives issued by SEBI it is mandatory for an investor to declare his/her bank account number. To safeguard the interest of Unitholders from loss or theft of their refund orders/redemption cheques, investors are requested to provide their bank details in the Application Form.</p> <p>Multiple Bank Accounts Registration</p> <p>The AMC/ Mutual Fund provides a facility to the investors to register multiple bank accounts (currently upto 5 for Individuals and 10 for Non - Individuals) for receiving redemption/ IDCW proceeds etc. by providing necessary documents. Investors must specify any one account as the "Default Bank Account".</p> <p>Change in Bank Account</p> <p>In case an existing Unitholder is submitting a request for Change in his Bank Details, he needs to submit a copy of cancelled cheque leaf of the new bank account or Bank statement of the new bank account attested by his banker with seal & signature of banker or letter from the Banker of the investor. In absence of the same, the request for Change in Bank Mandate is liable to be rejected.</p> <p>Investors have an option of registering multiple bank accounts, by submitting the necessary forms & documents. At</p>

	the time of redemption, investors can select the bank account to receive the amount.
Delay in payment of redemption / repurchase proceeds/dividend	<p>The Asset Management Company shall be liable to pay interest to the unitholders at rate as specified vide clause 14.2 of SEBI Master Circular for Mutual Funds dated June 27, 2024 by SEBI for the period of such delay.</p> <p>However, the AMC will not be liable to pay any interest or compensation or any amount otherwise, in case the AMC / Trustee is required to obtain from the investor / unit holders verification of identity or such other details relating to subscription for Units under any applicable law.</p>
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	<p>The unclaimed Redemption and IDCW amounts shall be deployed by the Fund in money market instruments and such other instruments/securities as maybe permitted from time to time. The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. The circular also specifies that investors who claim these amounts during a period of three years from the due date shall be paid at the prevailing NAV. Thus, after a period of three years, this amount can be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. In terms of the circular, the onus is on the AMC to make a continuous effort to remind investors through letters to take their unclaimed amounts. The details of such unclaimed amounts shall be disclosed in the annual report sent to the Unit Holders.</p> <p>https://app.mfcentral.com/links/inactive-folios</p>
Disclosure w.r.t investment by minors	<p>Payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian. For existing folios, the AMC shall accept a Change of Pay-out Bank mandate before redemption is processed.</p> <p>Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with parent/legal guardian after completing all KYC formalities.</p> <p>Upon the minor attaining the status of major, the minor in whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new account. No further transactions shall be allowed till the status of the minor is changed to major.</p> <p>The claimant has to submit the Transmission Request Form (TRF) and NOC form along with the prescribed common set of documents. All such forms and formats are available on AMC website, RTA and AMFI.</p> <p>AMCs shall not accept requests for redemption from a claimant pending completion of the transmission of units in his / her favour.</p>

	The Stamp duty is payable by the claimant with respect to the indemnity bond and affidavit, shall be in accordance with the stamp duty prescribed by law.
--	---

III. OTHER DETAILS

A. PERIODIC DISCLOSURES SUCH AS HALF YEARLY DISCLOSURES, HALF YEARLY RESULTS, ANNUAL REPORT

<p>Monthly and Half yearly Disclosures: Portfolio / Financial Results</p> <p>This is a list of securities where the corpus of the scheme is currently invested. The market value of these investments is also stated in portfolio disclosures.</p>	<p>The Mutual Fund shall disclose the Portfolio of the Scheme as on the last day of the month on its website: https://quantmutual.com/statutory-disclosures on or before the tenth day of the succeeding month in the prescribed format.</p> <p>The Mutual Fund shall provide a complete statement of the Scheme portfolio within ten days from the close of each half year (i.e. 31st March and 30th September), in the manner specified by SEBI. The Portfolio Statement will also be displayed on the website of the AMC and AMFI.</p> <p>Further, AMC shall publish an advertisement in an all India edition of one national English daily newspaper and one Hindi newspaper, every half year, disclosing the hosting of the half-yearly statement of its schemes' portfolio on the website of the Mutual Fund and AMFI and the modes through which unitholder(s) can submit a request for a physical or electronic copy of the statement of scheme portfolio.</p>
<p>Half Yearly Results</p>	<p>The Mutual Fund shall within one month from the close of each half year, that is on 31st March and on 30th September, host a soft copy of its unaudited financial results on the website of the AMC and AMFI.</p> <p>The mutual fund shall publish an advertisement disclosing the hosting of such financial results on their website, in atleast one English daily newspaper having nationwide circulation and in a newspaper having wide circulation published in the language of the region where the Head Office of the Mutual Fund is situated.</p> <p>The unaudited financial results will also be displayed on the website of the AMC https://quantmutual.com/statutory-disclosures and Association of Mutual Funds in India (https://www.amfiindia.com/).</p>

Annual Report	<p>The Scheme wise annual report or an abridged summary thereof shall be provided to all Unit holders not later than four months (or such other period as may be specified by SEBI from time to time) from the date of closure of the relevant accounting year (i.e. 31st March each year) in the manner specified by SEBI. The mutual fund shall provide physical copy of the abridged summary of the Annual Report without any cost, if a request through any mode is received from a unit holder. The full annual report shall be available for inspection at the Head Office of the Mutual Fund and a copy shall be made available to the Unit holders on request on payment of nominal fees, if any.</p> <p>Scheme wise annual report shall also be displayed on the website of the AMC https://quantmutual.com/statutory-disclosures and Association of Mutual Funds in India (www.amfiindia.com).</p> <p>A link of the scheme annual report or abridged summary shall be displayed prominently on the website of the Fund and shall also be displayed on the website of Association of Mutual Funds in India (AMFI).</p> <p>Scheme wise annual report shall also be displayed on the website of the AMC https://quantmutual.com/statutory-disclosures and Association of Mutual Funds in India (www.amfiindia.com).</p>
Product Labeling	<p>Risk-o-meter forms part of the Product labeling and depicts Risk level of the scheme. The risk-o-meter of the scheme shall be in accordance with Clause 17.4 of Master Circular dated June 27, 2024 and SEBI Circular dated November 05, 2024 and the same shall be evaluated and updated on a monthly basis.</p>
Disclosure of Risk-o-meter of schemes and benchmark	<p>In terms of Clause 5.16 of Master Circular dated June 27, 2024, and SEBI Circular dated November 05, 2024 the risk-o-meter of the schemes and benchmark shall be disclosed while disclosing the performance of the schemes from time to time.</p>

<p>AMFI Best Practice Guidelines Circular No.118 /2024-25) on Acceptance of financial transactions through email in respect of non-individual investor.</p>	<p>Non-individual Investors are requested to note the following:</p> <p>1.Risks Involved in Transacting via Email The Non-individual investor acknowledges and accepts the inherent risks associated with conducting financial transactions via email. These risks include, but are not limited to, the possibility of unauthorized access to email communications, transmission delays, data loss, or alteration due to technical glitches or cyberattacks, which could impact the completeness or accuracy of the transaction. Additionally, emails may be susceptible to interception, unauthorized access, and other security vulnerabilities, which could lead to fraudulent transactions. Therefore, investors must be cautious while initiating financial transactions via email and should ensure the confidentiality and integrity of their communication.</p> <p>2.Limitation of Liability of AMC / RTA The Asset Management Company (AMC) and the Registrar and Transfer Agent (RTA) shall not be held liable for any loss or damage caused by the non-receipt or delay in receiving any transaction sent by the investor via email. This includes situations where emails are not delivered, are delayed, or are intercepted due to issues beyond the control of the AMC or RTA, including but not limited to, technical failures, service provider errors, or unauthorized access to the email account. The AMC and RTA will not be responsible for any transactions that are erroneously processed or not processed due to such issues. The liability of the AMC and RTA is limited solely to the extent of ensuring that the transaction is processed once received in the proper format and within a reasonable timeframe, subject to system availability and security checks.</p> <p>3.Security Measures to Ensure Safe Email Communication The AMC and RTA are committed to ensuring the highest level of security for email communications and shall implement appropriate safeguards. These measures include the use of encrypted email services, secure authentication protocols, and virus/malware scanning for all incoming and outgoing emails. Additionally, access to email accounts and transaction systems shall be restricted to authorized personnel only, and multi-factor authentication will be employed to verify the identity of the individuals initiating transactions. The AMC shall take all reasonable steps to prevent unauthorized access, disclosure, or alteration of the financial data transmitted via email.</p> <p>4.Retention of Transaction RecordsThe AMC and RTA will retain records of all transactions routed via email in accordance with applicable laws and regulations. These records will include, but are not limited to, transaction requests, email correspondence, and confirmation receipts, for a minimum period as mandated by regulatory authorities. The Non-Individual investor agrees that these records shall be stored in a secure digital format to ensure their integrity and availability for future reference. In addition, the AMC shall maintain an audit trail for each transaction, allowing for the traceability of emails and the status of each request submitted via email.</p> <p>5.Procedure for Addition/Deletion of Authorized Signatories The facility to transact via email shall follow an appropriate procedure for the addition or deletion of authorized signatories. Such changes must be communicated to the AMC through a formal notification, in the form of a signed letter or email from the authorized representative of the entity, accompanied by the requisite board resolution or authority letter. The AMC shall process these changes only upon receipt of valid documentation confirming the updated list of authorized signatories. These changes will only be effective once the AMC has acknowledged receipt and validation of the notification.</p> <p>6.Authorization for Non-Individual Investors For non-individual investors, including registered mutual fund distributors or third parties authorized by the investor, to submit financial transactions via email on behalf of the entity, the AMC and RTA require prior written authorization from the investor. This authorization should clearly state the scope of authority granted to the third party and must be submitted with each transaction request. The AMC will</p>
--	---

	<p>accept such transactions only if the relevant authorization documents are in place and the email corresponds with the pre-registered contact information for the entity or authorized third party.</p> <p>7.Security Procedures for Transaction Confirmation To confirm and authenticate email-based financial transactions, the AMC will employ a range of security procedures, including digital signatures, encrypted communication, and multi-step verification processes. These procedures are designed to verify that the transaction is genuinely authorized by the investor and ensure that the instructions have not been tampered with. Upon receipt of an email transaction, the AMC will conduct thorough checks to confirm the authenticity of the request, including comparing it against the pre-registered information (email addresses, signatories, etc.). Only upon successful verification will the transaction be processed.</p> <p>8.Electronic Time Stamping and Audit Trail for Email Transactions Each transaction processed via email shall be subject to an electronic time-stamping mechanism that records the exact time and date of receipt. This time stamp will serve as a reference point for any future inquiries or disputes regarding the transaction. Furthermore, AMC shall maintain an audit trail, tracking all actions related to the email transaction, including receipt, verification, and processing. The audit trail will provide transparency, ensure accountability, and facilitate the resolution of any issues related to email-based transactions.</p> <p>9.Change in Registered Email Address / Contact Details Any change in the registered email address or contact details of the entity must be communicated to the AMC via a physical letter, including a scanned copy, signed by the designated authorized officials of the entity. This change request must also be supported by a copy of the relevant board resolutions or authority letter from the entity, issued on the official letterhead. The AMC will not accept email requests for such changes. Further, changes in the registered email address will not be processed unless the request complies with these requirements. This ensures that only authorized personnel can modify the contact details associated with the Non-individual investor's account.</p> <p>10.Changes in Bank Mandate No changes to the bank mandate (including adding or modifying bank account details) will be accepted via email. Such changes must be submitted using the prescribed service request form, duly signed by the entity's authorized signatories. The form must also be accompanied by the wet signatures of the designated officials of the entity. This ensures the authenticity and validity of any change in the bank details associated with the Non-individual Investor's account, and that no unauthorized modifications are made via email.</p> <p>11.Digital Signatures and Validity of Electronically Executed Documents In case of any document executed electronically, the AMC recognizes the validity of Digital Signature Certificates (DSCs) or Aadhaar-based e-signatures provided by the authorized officials of the entity. These digitally signed documents will be treated as legally binding and valid, even if they are not sent from the registered email address of the authorized officials. However, the email domain from which the document is sent must match the official domain name of the entity. Such documents, when executed with a valid DSC or e-signature, will be processed by the AMC without requiring further verification through physical signatures</p>
Disclosure of Scheme Summary Document	The Scheme Summary Document of each scheme shall be disclosed on AMC website and to be uploaded AMFI portal in three different formats, ie. Pdf, excel and xml.

B. TRANSPARENCY/NAV DISCLOSURE (DETAILS WITH REFERENCE TO INFORMATION GIVEN IN SECTION I)

<p>Net Asset Value</p> <p>This is the value per unit of the scheme on a particular day. You can ascertain the value of your investments by multiplying the NAV with your unit balance.</p>	<p>The NAVs will be calculated and disclosed on all the Business Days. The AMC shall update the NAVs on the website Association of Mutual Funds in India - AMFI (www.amfiindia.com) before 11.00 p.m. on every Business Day and shall also update the NAVs on the website of AMC (www.quantmutual.com) before 11.00 p.m. on every Business Day for a given business day. If the NAVs are not available before the commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAV.</p> <p>Information regarding NAV can be obtained by the Unit holders / Investors by calling or visiting the nearest ISC.</p>
---	--

C. TRANSACTION CHARGES AND STAMP DUTY

<p>Transaction Charges</p>	<p>Transaction charges have been removed pursuant to SEBI Circular No.: SEBI/HO/IMD/PoD1/CIR/P/2025/115 dated August 08, 2025</p>
<p>Stamp Duty</p>	<p>Mutual fund units issued against Purchase transactions (whether through lump-sum investments or SIP or STP or switch-ins or reinvestment under IDCW Option) would be subject to levy of stamp duty @ 0.005% of the amount invested. Transfer of mutual fund units (such as transfers between demat accounts) are subject to payment of stamp duty @ 0.015%. The rate and levy of stamp duty may vary as amended from time to time.</p> <p>*Pursuant to Notification No. S.O. 4419(E) dated December 10, 2019 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, and subsequent Notification dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India.</p> <p>The stamp duty will be deducted from the net investment amount i.e. gross investment amount less any other deduction like transaction charge. Units will be created only for the balance amount i.e. net investment amount as reduced by the stamp duty. The stamp duty will be computed at the rate of 0.005% on an inclusive method basis.</p>

D. ASSOCIATE TRANSACTIONS

Please refer to Statement of Additional Information (SAI).

E. TAXATION

For details on taxation please refer to the clause on Taxation in the SAI apart from the following:

The information is provided for general information purposes only. However, in view of the individual nature of tax implications, each investor is advised to consult his or her own tax adviser with respect to the specific tax implications arising out of his or her participation in the scheme.

Tax	Resident Investors	Non-Resident Investors	Mutual Fund
-----	--------------------	------------------------	-------------

Tax on Income Distribution under IDCW Option	Slab rates plus applicable surcharge and cess ²	20% plus applicable surcharge and cess ²	Nil
Capital Gains Short Term Capital Gains on investments in Specified Mutual Funds ¹ (irrespective of period of holding) Short Term Capital Gains on Non-Equity Funds (other than Specified Mutual Funds) ¹ (period of holding up to 24 months)	Slab rates plus applicable surcharge and cess Slab rates plus applicable surcharge and cess	Slab rates plus applicable surcharge and cess ² Slab rates plus applicable surcharge and cess ²	Nil
Long Term Capital Gains on Non-Equity Funds (other than Specified Mutual Funds) ¹ (period of holding more than 24 months)	12.50% (without indexation benefit)	12.50% (without indexation and foreign exchange fluctuation benefit) ²	Nil

1. Non-Equity Funds are those funds wherein equity exposure is less than 65% of total proceeds of such fund.

As per Section 50AA of the Income-tax Act, 1961, investments in Specified Mutual Funds on or after April 1, 2023 shall be deemed to be short term capital assets irrespective of holding period.

Up to 31st March 2025, a "Specified Mutual Fund" means a Mutual Fund by whatever name called, where not more than 35% of its total proceeds is invested in the equity shares of domestic companies. The percentage of equity shareholding held in respect of the Specified Mutual Fund shall be computed with reference to the annual average of the daily closing figures. It is possible that an "equity-oriented fund" which invests in units of another equity fund instead of investing directly in equity shares of domestic company may be regarded as "specified mutual fund" and taxed accordingly.

From 1st April 2025 onwards, a "Specified Mutual Fund" means: (a) a Mutual Fund by whatever name called, which invests more than 65% of its total proceeds in debt and money market instruments; or (b) a fund which invests 65% or more of its total proceeds in units of a fund referred to in (a). The percentage of investment in debt and money market instruments or in units of a fund, as the case may be, in respect of the Specified Mutual Fund, shall be computed with reference to the annual average of the daily closing figures.

2. The Mutual Fund will pay/deduct taxes as per the applicable tax laws on the relevant date considering the provisions of the Income-tax Act, 1961 read with the Income-tax Rules, 1962 and any circulars or notifications or directives or instructions issued thereunder. Please note that grant of DTAA benefit, if any, is subject to fulfilment of stipulated conditions under the provisions of the Income-tax Act, 1961 and the relevant DTAA as well as interpretation of relevant Article of such DTAA.

In case of Resident Investors: TDS is applicable at the rate of 10% on income distributed in excess of Rs.10,000 by a mutual fund.

In case of Non-Resident Investors: TDS is applicable on any income in respect of units of a Mutual Fund at lower of 20% (plus applicable surcharge and cess) or rate of income-tax provided in the relevant

DTAA (read with CBDT Circular no. 3/2022 dated 3rd February 2022), provided such investor furnishes valid Tax Residency Certificate (TRC) for concerned FY. Tax will be deducted on Short-term/Long-term capital gains at the tax rates (plus applicable Surcharge and Health and Education Cess) specified in the Finance Act 2025 at the time of redemption of units in case of Non-Resident investors (other than FIIs) only.

TDS at higher rates: In case PAN is not furnished or PAN is inoperative, then TDS as per Section 206AA of the Income-tax Act, 1961 would apply (higher of specified rate or rates in force or 20%) would apply, subject to Rule 37BC of the Income-tax Rules, 1962.

Investors are requested to note that the tax position prevailing at the time of investment may change in future due to statutory amendment(s). The Mutual Fund will pay/deduct taxes as per the applicable tax laws on the relevant date considering the provisions of the Income-tax Act, 1961. Additional tax liability, if any, imposed on investors due to such changes in the tax structure, shall be borne solely by the investors and not by the AMC or Trustee.

3. Under section 10(23D) of the Income tax Act, 1961, income earned by a Mutual Fund registered with SEBI is exempt from income tax. quant Mutual Fund is registered with Securities and Exchange Board of India (SEBI) and is as such eligible for benefits u/s. 10(23D) of the Income-tax Act, 1961.

F. RIGHTS OF UNITHOLDERS
