Part II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances the asset allocation will be:

Asset Class Allocation	Indicative Allocation (% of net assets)	
	Minimum	Maximum
Overnight* debt and/or Money Market Instruments	0	100

*Maturing on or before the next day

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Sl. no	Type of Instrument	Percentage of exposure	Circular references
1	Foreign Debt Securities	The Scheme will not invest in Foreign Debt Securities	-
2	Derivatives	The Scheme will not invest in Derivatives	-
3	Short term deposits of scheduled commercial banks	The Scheme shall not park funds pending deployment in short term deposits of scheduled commercial banks	-
4	Debt securities having structured obligations (SO rating) and/ or credit enhancements (CE rating).	The Scheme shall not invest in debt securities having structured obligations (SO rating) and/ or credit enhancements (CE rating). However, debt securities with government guarantee shall be excluded from such restriction. The Scheme will comply with investment restrictions applicable from time to time	-

Since the category of the scheme is Overnight Fund, the mandated Rebalancing period is not applicable to the scheme in line with para 2.9 of Master Circular dated June 27, 2024.

The Scheme retains the flexibility to invest across all the securities in the debt and money markets instruments with overnight maturity. The portfolio holds cash depending on the market condition.

Subject to the SEBI Regulations, the asset allocation pattern indicated above may change from time to time, after receiving an approval from SEBI and in line with Regulation 18(15A) of SEBI (Mutual Fund) Regulations, 1996, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors.

B. WHERE WILL THE SCHEME INVEST?

The total assets of the Scheme will be invested in debt securities and money market instruments maturing on or before next day. In case of securities with put and call options (daily or otherwise) the residual maturity (deemed or actual) shall be on or before the next day. Investments under the Scheme would be made predominantly in Tri-Party Repos (TREPS), overnight reverse repos and fixed income securities/ instruments with overnight maturity. The Scheme may invest in liquid instruments like T-bills having residual maturity upto 30 days, Commercial papers, Certificate of Deposits and Government Securities for overnight deployment.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The investment objective of the Scheme is to generate returns by investing in debt and money market instruments with overnight maturity.

With intent to limit undue risk, rigorous credit evaluation of the securities proposed to be invested in will be carried out by the AMC. The credit evaluation includes a study of the operating environment of the company, the past track record as well as the future prospects of the issuer, the short as well as longer-term financial health of the issuer. The AMC may consider the ratings of Rating Agencies as approved by SEBI to carry out the functioning of rating agencies. In addition, the macro economic conditions, including the political, economic environment and factors affecting liquidity and interest rates shall be taken into consideration.

The scheme may undertake repo transactions in corporate debt securities in accordance with the directions issued by RBI and SEBI from time to time. Such investment shall be made subject to the guidelines which may be prescribed.

Money Market instruments includes (but not limited to) Commercial Paper, Commercial Bills, Certificates of Deposit, Treasury Bills, Bills Rediscounting, Triparty Repo, Government securities having an unexpired maturity of less than 1 year, alternate to Call or notice money, Usance Bills and any other such short-term instruments as may be allowed under the Regulations prevailing from time to time.

The portion of the Scheme's portfolio invested in each type of security may vary in accordance with economic conditions, interest rates, liquidity and other relevant considerations, including the risks associated with each investment. The Scheme will, in order to reduce the risks associated with any one security, utilize a variety of investments.

Subject to the Regulations, the securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated or unrated and of varying maturity. The securities may be acquired through secondary market operations, private placement, negotiated deals, etc.

qMML may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unitholders and if market conditions warrant it. No assurance can be given that the fund manager will be able to identify or execute such strategies.

Portfolio Construction:
The portfolio shall be structured so as to keep risk at acceptable levels based on the risk-on / risk-off environment. This shall be done through various measures including:

1. Broad diversification of portfolio.
2. Ongoing review of relevant market, industry, sector and economic parameters.
3. Investing in companies which have been based on the VLRT investment framework.
4. Investments in debentures and bonds will usually be in instruments which have been assigned investment grade ratings by any approved rating agency.

The AMC may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unit holders and if market conditions warrant it. Investments in securities and instruments not specifically mentioned earlier may also be made, provided they are permitted by SEBI/RBI and approved by the Trustee. However, such investments shall be made keeping in view the Fundamental Attributes of the Scheme.

Subject to the SEBI Regulations, the asset allocation pattern indicated above may change from time to time after receiving an approval from SEBI and in line with Regulation 18(15A) of SEBI (Mutual Fund) Regulations, 1996, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors

For detailed derivative strategies, please refer to SAI

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

CRISIL Overnight Index

Justification of benchmark:

The Scheme intends to invest predominantly in overnight debt and money market instruments which are well captured by the index; hence, it is an appropriate benchmark for the Scheme.

The Trustee reserves the right to change the benchmark for evaluation of performance of the Scheme from time to time in conformity with the investment objectives and appropriateness of the benchmark subject to SEBI (MF) Regulations, and other prevailing guidelines, if any.

Sr. No.	Category of Persons	Net Value		Market Value (in Rs.)
		Units	NAV per unit	
1	Concerned scheme's Fund Manager	4.24	11.32	48.02

For any other disclosure w.r.t investments by key personnel and AMC directors including regulatory provisions in this regard kindly refer SAI.

vi. Investments of AMC in the Scheme – Details are available on https://quantmutual.com/statutory-disclosures.
The AMC reserves the right to invest its own funds in the Scheme as may be decided by the AMC from time to time. Under the Regulations, the AMC is not permitted to charge any investment management and advisory services fee on its own investment in the Scheme.

Subject to the Regulations, the AMC may invest either directly or indirectly, in the Scheme during Ongoing Offer Period. As per the existing SEBI (MF) Regulations and circulars issued thereunder, the AMC shall not charge any investment management fee on such investment in the Scheme.

As per the amended regulations i.e. sub -regulation 16(A) in Regulation 25 of SEBI (Mutual Funds) Regulations,1996 ('MF Regulations'), the asset management companies ('AMCs') are required to invest such amount in such scheme(s) of the mutual fund, based on the risk associated with the scheme, as may be specified by the Board from time to time.

Accordingly, it is decided that based on the risk value assigned to the scheme(s), in terms of Clause 17.4 of Master Circular dated June 27, 2024, the AMC shall invest minimum amount as a percentage of assets under management ('AUM') in their scheme(s) in line with the Clause 6.9 of Master Circular dated June 27, 2024.

Part III- OTHER DETAILS

A. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit under the Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation day. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

Valuation of Foreign Currency / Securities: On the valuation day, all the assets and liabilities denominated in foreign currency will be valued in Indian Rupees. The valuation price of the security will be converted to INR based on FBIL/any other designated agency, reference rate at the close of banking hours in India. If required, the AMC may change the source of determining the exchange rate. The Fund shall value its investments according to the valuation norms (Valuation Policy includes computation of NAV in case of investment in foreign securities), as specified in the Eighth Schedule of the Regulations, or such guidelines / recommendations as may be specified by SEBI from time to time. The broad valuation norms, policies w.r.t computation of NAV, rounding off, procedure in case of delay in disclosure of NAV etc are detailed in the SAI .

The Net Assets Value (NAV) of the Units under the Scheme shall be calculated as shown below:

NAV (Rs.) = [(Assets + Income) – (Liabilities + Expenses)] / Number of units outstanding

Where the assets include the value of securities and liquid cash. The securities in which the scheme has invested include both equity, debentures, bonds, bills of exchange, commercial paper. It also includes the interest accrued and dividend earned.

The liabilities and expenses include the money payable, interest payable, fund management expenses.

The NAV shall be calculated up to two decimal places. However the AMC reserves the right to declare the NAVs up to additional decimal places as it deems appropriate. Separate NAV will be calculated and disclosed for each Option. The NAVs of the Growth Option and the IDCW Option under each of the Plans will be different after the declaration of the first IDCW.

The AMC will calculate and disclose NAVs on all Business Days.

Illustration on Computation of NAV:

Particulars	Amount (Rs)	Asset/ Liability
Securities	500,000	Asset
Cash and cash equivalent	300,000	Asset
Receivables	200,000	Asset
Accrued Interest	50,000	Asset
Total Assets	1,050,000	
Short-term liabilities	200,000	Liability
Long-term liabilities	150,000	Liability
Accrued Expenses	100,000	Expense
Total Liabilities and expenses	450,000	

Particulars	Amount (Rs)
Total Assets (A)	1,050,000
Total Liabilities and expenses (B)	450,000
Net Asset value = (A – B)	600,000
Total units outstanding	1,000
NAV per unit	600 per unit

Any change in Load structure will be effective on prospective basis and will not affect the existing Unit holder in any manner. However, the Mutual Fund will ensure that the Redemption Price will not be lower than 95% of the Applicable NAV. The Purchase Price shall be at applicable NAV.

B. NEW FUND OFFER (NFO) EXPENSES:

This section does not apply to the Scheme, as the ongoing offer of the Scheme has commenced after the NFO, and the Units are available for continuous subscription and redemption.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.00 % of the daily net assets of the Scheme will be charged as expenses. For the actual current expenses being charged, the investor should refer to the website of the AMC.

Expense Head	**% of daily Net Assets**
Investment Management and Advisory fees	**Upto 2.00%**
Trustee fees	
Audit fees	
Custodian fees	
RTA fees	
Marketing & Selling expense incl. agent commission	
Cost related to investor communications	
Cost of fund transfer from location to location	
Cost of providing account statements and IDCW redemption cheques and warrants	
Costs of statutory Advertisements	
Cost towards investor education & awareness (at least 2 bps)	
Brokerage & transaction cost over and above 12 bps and 5 bps for cash and derivative market trades resp.	
Goods & Service Tax (GST) on expenses other than investment and advisory fees	
GST on brokerage and transaction cost	
Other Expenses*	
Maximum total expense ratio (TER) permissible under Regulation 52(6)(c)	
Additional expenses under regulation 52(6A)(c)	Upto 0.05%
Additional expenses for gross new inflows from specified cities under regulation 52(6A)(b)	Upto 0.30%

*Any other expenses which are directly attributable to the Scheme, may be charged with the approval of the Trustee within the overall limits as specified in the Regulations except those expenses which are specifically prohibited.

All fees and expenses charged in a Direct Plan (in percentage terms) under various heads including the investment and advisory fee shall not exceed the fees and expenses charged under such heads in Regular Plan.Direct Plan shall have a lower expense ratio excluding distribution expenses, commission, etc. and no commission for distribution of Units will be paid/ charged under Direct Plan.

The expenses towards Investment Management and Advisory Fees under Regulation 52 (2) and the various sub-heads of recurring expenses mentioned under Regulation 52 (4) of SEBI (MF) Regulations can be apportioned under various expense heads/ sub heads without any sub limit, as permitted under the applicable regulations. Thus, there shall be no internal sub-limits within the expense ratio for expense heads mentioned under Regulation 52 (2) and (4) respectively. Further, the additional expenses under Regulation 52(6A)(c) may be incurred either towards investment & advisory fees and/or towards other expense heads as stated above.

These estimates have been made in good faith as per the information available to the Investment Manager and are subject to change inter-se or in total subject to prevailing Regulations.

The total expenses of the Scheme(s) including the investment management and advisory fee shall not exceed the limit stated in Regulation 52(6) of the SEBI (MF) Regulations and amendments thereto.

Expenses charged to the Scheme:

A. In addition to the limits as specified in Regulation 52(6) of SEBI (MF) Regulations 1996 or the Total Recurring Expenses (Total Expense Limit) as specified above, the following costs or expenses may be charged to the Scheme namely-

Additional expenses for gross new inflows from specified cities

a) expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from such cities as specified by SEBI/AMFI from time to time are at least -

i. 30 per cent of gross new inflows in the Scheme, or;

ii. 15 per cent of the average assets under management (year to date) of the Scheme, whichever is higher:

Provided that if inflows from such cities is less than the higher of sub-clause (i) or sub- clause (ii), such expenses on daily net assets of the Scheme shall be charged on proportionate basis.

Provided further that, expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities.

Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the Scheme in case the said inflows are redeemed within a period of one year from the date of investment.

Provided further that, additional TER can be charged based on inflows only from retail investors in terms of Clause 10.1 of Master Circular dated June 27, 2024. For this purpose, inflows of amount upto Rs 2,00,000/- per transaction, by individual investors shall be considered as inflows from "retail investor".

a) additional expenses, incurred towards different heads mentioned under Regulations 52(2) and 52(4), not exceeding 0.05 per cent of daily net assets of the Scheme;

b) GST payable on investment and advisory service fees ('AMC fees') charged by quant Money Managers Limited;

Further, brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment shall not exceed 0.12 per cent in case of cash market transactions and 0.05 per cent in case of derivatives transactions.

B. Within the Total Expense Limit chargeable to the scheme, following will be charged to the Scheme:

a) GST on other than investment and advisory fees, if any, (including on brokerage and transaction costs on execution of trades) shall be borne by the Scheme

b) Investor education and awareness initiative fees of at least 2 basis points on daily net assets of the Scheme.

C. AMC fees charged by quant AMC to the scheme will be within the Total Expense Limit as prescribed by SEBI Regulations, as amended from time to time.

Expenses over and above the prescribed limit shall be charged / borne in accordance with the Regulations prevailing from time to time.

The mutual fund would update the current expense ratios on its website (www.quantmutual.com) atleast three working days prior to the effective date of the change. Investors can refer 'Total Expense Ratio of Mutual Fund Schemes' section on https://quantmutual.com/Total-Expense-Ratio for Total Expense Ratio (TER) details.

Illustration of impact of expense ratio on scheme's returns

For any scheme, NAV is computed on a daily basis factoring in all the assets as well as liabilities of the Scheme (including expenses charged). Expenses charged to the Scheme bring down its NAV and hence the investor's net returns on a corresponding basis.

Illustration:

Particulars	Regular Plan (Amount in Rs.)	Direct Plan (Amount in Rs.)
Amount Invested at the beginning of the year	10,000	10,000
Returns before Expenses	1,500	1,500
Expenses other than Distribution Expenses	150	150
Distribution Expenses	50	-

Returns after Expenses at the end of the Year	1,300	1350
Returns after Expenses at the end of the Year (in %)	13%	13.5%

Please Note:

- The purpose of the above illustration is purely to explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year. The expenses of the Direct Plan under the Scheme may vary with that of the Regular Plan under the Scheme.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, investors may refer to the website of the AMC (www.quantmutual.com) or may call at **022-6295 5000** and additional contact number +91 9920212223 from 09.00 am to 06.00 pm (Monday to Friday) or can contact his distributor.

.

Type of Load	Load chargeable (as %age of NAV)
Exit Load	Nil

Units issued on reinvestment of IDCW shall not be subject to Load. No load shall be levied on switches between options and sub-options of the Scheme.

The above mentioned load structure shall be equally applicable to the special products such as switches, STP, SWP, etc. offered by the AMC. Further, for switches between the Growth and IDCW Option, no load will be charged by the Scheme. However, for switches between the Plans i.e. between Regular and Direct Plan or vice versa, load will be charged by the Scheme.

Exit load, if any, charged to the investors will be credited back to the Scheme net of GST. The Investor is requested to check the prevailing Load structure of the Scheme before investing.

For any change in Load structure, AMC will issue an addendum and display it on the website/ Investor Service Centres.

Under the Scheme, the AMC/ Trustee reserves the right to change / modify the Load structure if it so deems fit in the interest of smooth and efficient functioning of the Mutual Fund. The AMC/ Trustee reserves the right to introduce / modify the Load depending upon the circumstances prevailing at that time subject to maximum limits as prescribed under the Regulations.

The Redemption Price however, will not be lower than 95% of the NAV. Any imposition or enhancement of Load in future shall be applicable on prospective investments only.

At the time of changing the Load Structure:

1. An Addendum detailing the changes will be attached to Scheme Information Document and Key Information Memorandum. The addendum may be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Document and Key Information Memorandum already in stock.
2. The addendum will be displayed on the website of the AMC and arrangements will be made to display the addendum in the form of a notice in all the Investor Service Centres and distributors / brokers office.
3. The introduction of the Exit Load alongwith the details may be stamped in the acknowledgement slip issued to the Investors on submission of the application form and may also be disclosed in the statement of accounts issued after the introduction of such Load.
4. A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.
5. Any other measure which the Mutual Fund may consider necessary.

The Trustee/AMC reserves the right to change the load structure subject to the limits prescribed under the Regulations. Any change in load structure shall be only on a prospective basis i.e. any such changes would be chargeable only for Redemptions from prospective purchases (applying first in first out basis).

Section II

I. Introduction

A. Definitions/interpretation

https://quantmutual.com/Pdf/Definitions_and_Interpretation.pdf

B. RISK FACTORS

Scheme Specific Risk Factors

Risks associated with investments in Fixed Income Securities

Interest-Rate Risk: Fixed income securities such as government bonds, corporate bonds, money market instruments and derivatives run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase.

The extent of fall or rise in the prices depends upon the coupon and maturity of the security. It also depends upon the yield level at which the security is being traded.

Re-investment Risk: Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.

Basis Risk: The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.

Spread Risk: In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.

Liquidity Risk: The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.

Liquidity Risk on account of unlisted securities: The liquidity and valuation of the Schemes' investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.

Credit Risk: This is the risk associated with the issuer of a debenture/bond or a Money Market Instrument defaulting on coupon payments or in paying back the principal amount on maturity. Even when there is no default, the price of a security may change with expected changes in the credit rating of the issuer. It is to be noted here that a Government Security is a sovereign security and is the safest. Corporate bonds carry a higher amount of credit risk than Government Securities. Within corporate bonds also there are different levels of safety and a bond rated higher by a particular rating agency is safer than a bond rated lower by the same rating agency.

Settlement Risk: Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.

Risk associated with Securitized Debt

The Scheme may invest in domestic securitized debt such as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties.

At present in Indian market, following types of loans are securitized:

1. Auto Loans (cars / commercial vehicles /two wheelers)
2. Residential Mortgages or Housing Loans
3. Consumer Durable Loans
4. Personal Loans
5. Corporate Loans

In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default. A corporate loan/receivable, depend upon the nature of the underlying security for the loan or the nature of the receivable and the risks correspondingly fluctuate.

The rating agencies define margins, over collateralisation and guarantees to bring risk in line with similar AAA rated securities. The factors typically analyzed for any pool are as follows:

a. Assets securitized and Size of the loan: This indicates the kind of assets financed with the loan and the average ticket size of the loan. A very low ticket size might mean more costs in originating and servicing of the assets.
b. Diversification: Diversification across geographical boundaries and ticket sizes might result in lower delinquency
c. Loan to Value Ratio: Indicates how much % value of the asset is financed by borrower's own equity. The lower this value the better it is. This suggests that where the borrowers own contribution of the asset cost is high; the chances of default are lower.
d. Average seasoning of the pool: This indicates whether borrowers have already displayed repayment discipline. The higher the number, the more superior it is.

The other main risks pertaining to Securitised debt are as follows:

Prepayment Risk: This arises when the borrower pays off the loan sooner than expected. When interest rates decline, borrowers tend to pay off high interest loans with money borrowed at a lower interest rate, which shortens the average maturity of ABS. However, there is some prepayment risk even if interest rates rise, such as when an owner pays off a mortgage when the house is sold or an auto loan is paid off when the car is sold.

Reinvestment Risk: Since prepayment risk increases when interest rates decline, this also introduces reinvestment risk, which is the risk that the principal can only be reinvested at a lower rate.

Risks associated with Covered Call Strategy

The risk associated with covered calls is the loss of upside, i.e. if the shares are assigned (called away), the option seller forgoes any share price appreciation above the option strike price.

The Scheme may write covered call option only in case it has adequate number of underlying equity shares as per regulatory requirement. This would lead to setting aside a portion of investment in underlying equity shares. If covered call options are sold to the maximum extent allowed by regulatory authority, the scheme may not be able to sell the underlying equity shares immediately if the view changes to sell and exit the stock. The covered call options need to be unwound before the stock positions can be liquidated. This may lead to a loss of opportunity, or can cause exit issues if the strike price at which the call option contracts have been written become illiquid. Hence, the scheme may not be able to sell the underlying equity shares, which can lead to temporary illiquidity of the underlying equity shares and result in loss of opportunity.

The writing of covered call option would lead to loss of opportunity due to appreciation in value of the underlying equity shares. Hence, when the appreciation in equity share price is more than the option premium received the scheme would be at a loss.

The total gross exposure related to option premium paid and received must not exceed the regulatory limits of the net assets of the scheme. This may restrict the ability of Scheme to buy any options.

Risks associated with Repo transactions in Corporate Bonds

The Scheme may be exposed to counter party risk in case of repo lending transactions in the event of the counterparty failing to honour the repurchase agreement. However, in repo transactions, the collateral may be sold and a loss is realized only if the sale price is less than the repo amount. The risk is further mitigated through over-collateralization (the value of the collateral being more than the repo amount).

Risk Factor associated with debt instruments having credit enhancement:

The Scheme may invest in debt instruments having credit enhancement backed by equity shares/guarantees or other any assets as collateral. The profile of these issuers tend to be relatively weak and there may be a pledge of shares of a related party to enhance credit quality or guarantees provided or any other asset provided as security acceptable to lenders.

Where equity shares are provided as collateral there is the risk of sharp price volatility of underlying securities which may lead to erosion in value of collateral which may affect the ability of the fund to enforce collateral and recover capital and interest obligations. Also there is a possibility of guarantor going insolvent which also can impact the recovery value of exposure. In case of credit enhanced structures backed by equity share the liquidity of the underlying shares may be low leading to a lower recovery and a higher impact cost of liquidation. In case of other assets provided recovery value and enforce ability of asset can also be a risk factor which can lower the recovery value.

Risks associated with Short Selling & Securities Lending

Securities Lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. There are risks inherent in securities lending, including the risk of failure of the other party, in this case the approved intermediary to comply with the terms of the agreement. Such failure can result in a possible loss of rights to the collateral, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of corporate benefits accruing thereon.

Short-selling is the sale of shares or securities that the seller does not own at the time of trading. Instead, he borrows it from someone who already owns it. Later, the short seller buys back the stock/security he shorted and returns the stock/security to the lender to close out the loan. The inherent risks are Counterparty risk and liquidity risk of the stock/security being borrowed. The security being short sold might be illiquid or become illiquid and covering of the security might occur at a much higher price level than anticipated, leading to losses.

B. Risk mitigation strategies

Investments made by the Scheme would be in accordance with the investment objectives of the scheme and provisions of SEBI (MF) Regulations. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification. The AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, the investment team of the AMC will carry out rigorous in-depth analysis of the securities proposed to be invested in. The Scheme may also use various derivatives products for the purpose of trading, hedging and portfolio balancing from time to time, with an attempt to protect the value of the portfolio and enhance Unitholders' interest. While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.

Risk Mitigation measures for investments in equity / equity related instruments:

The Scheme is mandated to construct a portfolio predominantly of equity and equity related instruments in the large, mid and small cap companies. This will help mitigate the risk associated with investments in large, mid and small cap companies. Risk Mitigation for investments in debt securities: Any investments in debt securities would be undertaken after assessing the associated credit risk, interest rate risk and liquidity risk.

Credit Evaluation Policy

The credit evaluation policy of the AMC entails evaluation of credit fundamentals of each investment opportunity. Some of the factors that are evaluated inter-alia may include outlook on the sector, parentage, quality of management, and overall financial strength of the credit. The AMC utilises ratings of recognised rating agencies as an input in the credit evaluation process. Investments in bonds and debenture are usually in instruments that have been assigned high investment grade ratings by a recognized rating agency.

In line with clause 12.12 of Master Circular dated June 27, 2024, the AMC may constitute committee(s) to approve proposals for investments in unrated instruments. The AMC Board and the Trustee shall approve the detailed parameters for such investments. The details of such investments would be communicated by the AMC to the Trustee in their periodical reports. It would also be clearly mentioned in the reports, how the parameters have been complied with. However, in case any security does not fall under the parameters, the prior approval of Board of AMC and Trustee shall be sought.

- Liquidity Risk: Liquidity risk is the risk of not being able to sell / liquidate a security at short notice at prevailing market prices or without incurring impact cost. While government bonds, money market instruments and shorter maturity instruments are generally easier to sell, corporate bonds and other instruments typically face higher liquidity risk. Further, higher rated securities normally are more liquid compared to lower rated securities. As a result, different portfolios will face different levels of liquidity risk based on the underlying portfolio composition. Some of the strategies to reduce liquidity risk are creating portfolios that are diversified across maturities, ratings, types of securities, etc. in line with the fund objectives, regulations and investment strategy.
- Credit Risk: Lower rated securities have a higher credit risk compared to higher rated securities. Hence, credit risk faced by different schemes will be different based on the underlying portfolio / investment strategy. To reduce the credit risk, a comprehensive and in-depth credit evaluation of each issuer will be undertaken, using both quantitative (leverage, profitability, solvency ratios etc.) and qualitative factors (parentage, track record etc.). Each of the scheme/ portfolio will endeavour to maintain adequate diversification across issuers / sectors in line with scheme objectives, regulations and investment strategy. Unrated investments, if any, would require specific approval from a committee constituted for the purpose.
- Debt Derivatives Risk: The AMC has provision for using derivative instruments for portfolio balancing and hedging purposes. Interest Rate Swaps will be done with approved counter parties under pre approved ISDA agreements. Mark to Market of swaps, netting off of cash flow and default provision clauses will be provided as per standard practice on a reciprocal basis. Interest Rate Swaps and other derivative instruments will be used as per local (RBI and SEBI) regulatory guidelines.
- Interest Rate Risk: Interest rate risk is the risk of change in the NAVs due to change in overall market yields. The change in value of a security, for a given change in yield, is higher for a security with higher duration and vice versa. Hence portfolios with higher duration will have higher volatility. The AMC shall strive to actively manage the duration of the respective funds based on the prevailing market conditions / outlook of

interest rates, keeping in mind the scheme objectives, investment strategy and applicable regulations.

- Concentration Risk: The AMC will attempt to mitigate this risk by maintaining adequate diversification across issuers/ sectors / instrument type in line with the scheme objectives, investment strategy and applicable regulations. This will also be managed by keeping prudent investment limits on any particular industry or issuer or issuer group based on the size, credit profile, etc. to reduce issuer or industry specific risk.

Risk Mitigation measures for investments in Non-Convertible Preference Shares:

- Credit Risk - To reduce the credit risk, a comprehensive and in-depth credit evaluation of each issuer will be undertaken, using both quantitative (leverage, profitability, solvency ratios etc.) and qualitative factors (parentage, track record etc.)
- Liquidity Risk - The Fund endeavours to invest in preference shares of those companies which have relatively better market acceptability amongst market participants that increases the probability of secondary sale in case an exit from the investment is required.
- Unsecured in nature - The Fund endeavours to mitigate this risk by exercising due diligence while assessing the business, financial and management risks of the company before investing.

Risk Mitigation factors relating to investment in Perpetual Debt Instruments (PDI):

- **Risk on coupon servicing and Risk of write-down or conversion into equity**

  Banks: The risks on coupon servicing or principal write down/ conversion to equity are mitigated, to a certain extent, if the investee bank has strong financial position and meets the required regulatory guidelines. Hence, an in-depth credit evaluation of each bank is undertaken, keeping in mind both quantitative (leverage, profitability, solvency ratios, capital adequacy, etc.) and qualitative factors (parentage, track record etc.). Given the regulatory guidelines, special focus is on capital cushion, track record of profitability, distributable surplus and/or strong parentage which has the capacity and willingness to infuse capital, in case it is needed. Investment is done only in the AT-1 bonds of banks with strong credit worthiness, in our assessment. This, in turn, reduces the risk of its capital position falling below regulatory requirements and / or reaching PONV.

  Risk of write-down or conversion into equity is not applicable in case of NBFCs and Corporates.

- **Risk on coupon servicing**

  NBFCs
  These risks are mitigated, to certain extent, if the investee NBFC has strong financial position and meets the required regulatory guidelines. Hence, an in-depth credit evaluation of each NBFC is undertaken, keeping in mind both quantitative (leverage, profitability, solvency ratios, capital adequacy, etc.) and qualitative factors (parentage, track record etc.). Given the regulatory guidelines, special focus is on capital cushion, track record of profitability, distributable surplus and/or strong parentage which has the capacity and willingness to infuse capital, in case it is needed.

  Corporates
  To mitigate this risk, an in-depth credit evaluation of each corporate is undertaken, keeping in mind both quantitative (leverage, profitability, industry position, market share etc.) and qualitative factors (parentage, track record etc.). Additionally, given that the coupon is usually cumulative in nature and the corporate is restricted from paying any dividends till all previous dues are paid to the perpetual bond investor, the company has adequate incentive to not defer coupon on PDIs.

- **Risk of instrument not being called by the Issuer**

  Banks
  While the issuer bank does have an option to not exercise the first call, experience suggests that all Indian banks till now have exercised the call option during the call period. We believe that banks are cognizant of the investor sensitivities with regards to risk of not exercising the call option at the first call date. Further, as we invest in issuers with sound credit worthiness, we expect them to understand the importance of exercising the call as the part of their long term capital raising strategy. Any instance of skipping of call option exercise can lead to increase in cost of AT1 bonds for future issuance (as investor would start factoring in longer bond tenors) and impact the bank's profitability adversely. Given the importance of AT1 instruments for prudently managing the capital levels and improving the returns for the equity holders, we are of the opinion that banks would choose to service the interest on AT1 bonds and exercise the first call option on AT1 bonds, as they have done in the past. Finally, in case the issuer is unable to call the perpetual instrument on first call date (say due to market disruption), the annual call on these instruments would enable the bank to call the bond on any of the subsequent annual call options dates.

  NBFCs and Corporates
  While the issuer is not obligated to exercise the call option on first call date, the coupon stepup usually provides financial incentive to the Issuer to exercise the call option. Further, as we invest in issuer with sound credit worthiness, we expect them to be cognizant of the investor sensitivities

with regards to exercising the call as the part of their long term resource raising strategy. Any instance of skipping of first call option exercise can lead to increase in cost of PDI for future issuance (as investor would start factoring in longer bond tenors) and impact the issuer's profitability adversely. Finally, in case the issuer is unable to call the perpetual instrument on first call date (say due to market disruption), the coupon step up also compensates the investor for extended holding period.

While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.

Fixed Income Derivative Instruments

The Scheme may use Derivative instruments like interest rate swaps like overnight indexed swaps (OIS), forward rate agreements, interest rate futures (as and when permitted) or such other Derivative instruments as may be permitted under the applicable regulations. Derivatives will be used for the purpose of hedging, and portfolio balancing or such other purpose as may be permitted under the regulations and guidelines from time to time.

The Fund will be allowed to take exposure in interest rate swaps only on a non-leveraged basis. A swap will be undertaken only if there is an underlying asset in the portfolio. In terms of circular no. MFD.BC.191/07.01.279/1999-2000 and MPD.BC.187/07.01.279/1999 - 2000 dated November 1, 1999 and July 7, 1999 respectively issued by RBI permitting participation by Mutual Funds in interest rate swaps and forward rate agreements, the Scheme will use Derivative instruments for the purpose of hedging and portfolio balancing. The Scheme may also use derivatives for such purposes as maybe permitted from time to time. Further, the guidelines issued by RBI from time to time for forward rate agreements and interest rate swaps and other derivative products would be adhered to by the Mutual Fund.

IRS and FRAs do also have inherent credit and settlement risks. However, these risks are substantially reduced as they are limited to the interest streams and not the notional principal amounts.

Investments in Derivatives will be in accordance with the extant SEBI Regulations / guidelines. Presently Derivatives shall be used for hedging and / or portfolio balancing purposes, as permitted under the Regulations. The circumstances under which such transactions would be entered into would be when, for example using the IRS route it is possible to generate better returns / meet the objective of the Scheme at a lower cost. e.g. if buying a 2 Yr MIBOR based instrument and receiving the 2 Yr swap rate yields better return than the 2 Yr AAA corporate, the Scheme would endeavor to do that. Alternatively, the Scheme would also look to hedge existing fixed rate positions if the view on interest rates is that it would likely rise in the future.

The following information provides a basic idea as to the nature of the Derivative instruments proposed to be used by the Scheme and the benefits and risks attached therewith. Please note that the examples have been given for illustration purposes only.

Using Overnight Indexed Swaps

In a rising interest rate scenario, the Scheme may enhance returns for the Investor by hedging the risk on its fixed interest paying assets by entering into an OIS contract where the Scheme agrees to pay a fixed interest rate on a specified notional amount, for a pre determined tenor and receives floating interest rate payments on the same notional amount. The fixed returns from the Scheme assets and the fixed interest payments to be made by the Scheme on account of the OIS transaction offset each other and the Scheme benefits on the floating interest payments that it receives. The Scheme may enter into an opposite position in case of a falling interest rate scenario, i.e. to hedge the floating rate assets in its portfolio the Scheme enters into an OIS transaction wherein it receives a fixed interest rate on a specified notional amount for a specified time period and pays a floating interest rate on the same notional amount. The floating interest payments that the Scheme receives on its floating rate securities and the floating interest payments that the Scheme has to pay on account of the OIS transaction offset each other and the Scheme benefits on the fixed interest payments that it receives in such a scenario.

Swap

Assume that the Scheme has a Rs. 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 12%) and pays the "benchmark rate" (MIBOR), which is fixed by the NSE or any other agency such as Reuters. This swap would effectively lock-in the rate of 12% for the next 6 months, eliminating the daily interest rate risk. This transaction is usually routed through an intermediary who runs a book and matches deals between various counterparties.

The steps will be as follows:

Assuming the swap is for Rs. 20 Crores for June 1, 2009 to December 1, 2009. The Scheme is a fixed rate receiver at 12% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).

On June 1, 2009 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association (ISDA) norms.

On a daily basis, the benchmark rate fixed by NSE will be tracked by them. On December 1, 2009 they will calculate the following:

- The Scheme is entitled to receive interest on Rs. 20 Crores at 12% for 184 days i.e. Rs. 1.21 Crores, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.
- The counterparty is entitled to receive daily compounded call rate for 184 days & pay 12% fixed.
- On December 1, 2009, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 1.21 Crores, the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.
- Effectively the Scheme earns interest at the rate of 12% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 12% p.a. for 6 months on Rs. 20 Crores, without borrowing for 6 months fixed.

The above example illustrates the use of Derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

Forward Rate Agreement

Assume that on June 30, 2009, the 30 day Commercial Paper (CP) rate is 4% and the Scheme has an investment in a CP of face value Rs. 50 Crores, which is going to mature on July 31, 2009. If the interest rates are likely to remain stable or decline after July 31, 2009, and if the fund manager, who wants to re-deploy the maturity proceeds for 1 more month does not want to take the risk of interest rates going down, he can then enter into a following Forward Rate Agreement (FRA) say as on June 30, 2009:

He can receive 1 X 2 FRA on June 30, 2009 at 4.00% (FRA rate for 1 months lending in 1 months time) on the notional amount of Rs. 50 Crores, with a reference rate of 30 day CP benchmark. If the CP benchmark on the settlement date i.e. July 30, 2009 falls to 3.75%, then the Scheme receives the difference 4.00 – 3.75 i.e. 25 basis points on the notional amount Rs. 50 Crores.

Interest Rate Futures

Assume that the Scheme holds an Indian ten year benchmark and the fund manager has a view that the yields will go up in the near future leading to decrease in value of the investment and subsequent decrease in Net Asset Value of the Scheme. The fund manager decides to use Interest Rate Futures to mitigate the risk of decline of Net Asset Value of the Scheme.

12th October 2009

- The benchmark ten year paper 6.88 2009, is trading at INR 98.00 at a yield of 7.19%.
- December 2009 futures contract on the ten year notional 7% coupon bearing Government paper is trading at a yield of 7.29% at a price of INR 98.50.
- The mutual fund decides to hedge the exposure by taking a short position in December 2009 interest rate futures contract.

25th November 2009

- As expected by the fund manager the yield of the benchmark ten year paper has increased to 8% and the price has decreased to 92.70.
- The December 2009 futures contract is trading at a price of INR 93.17 indicating a yield of 8.05%
- The mutual fund unwinds the short position by buying the December 2009 futures contract. The transaction results in profit from the futures position, against the corresponding loss from the Government of India security position.

II. Information about the scheme:

A. Where will the scheme invest –

The corpus of the Scheme, subject to the enabling provisions of asset allocation pattern, will be invested in securities/ instruments which will include but not limited to:

The total assets of the Scheme will be invested in debt securities and money market instruments maturing on or before next day. In case of securities with put and call options (daily or otherwise) the residual maturity (deemed or actual) shall be on or before the next day. Investments under the Scheme would be made predominantly in Tri-Party Repos (TREPS), overnight reverse repos and fixed income securities/ instruments with overnight maturity. The Scheme may invest in liquid instruments like T-bills having residual maturity upto 30 days, Commercial papers, Certificate of Deposits and Government Securities for overnight deployment.

B. What are the investment restrictions?

Pursuant to Regulations, specifically the Seventh Schedule and amendments thereto, the following investment restrictions are currently applicable to the Scheme:

1. The scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorized to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company:
Provided that such limit shall not be applicable for investments in Government Securities, treasury bills and collateralized borrowing and lending obligations:
Provided further that the schemes already in existence shall within an appropriate time and in the manner, as may be specified by the Board, conform to such limits

As per Clause 12.8.3 of SEBI Master Circular dated June 27, 2024, the scheme shall not invest more than:

a. 10% of its NAV in debt and money market securities rated AAA; or
b. 8% of its NAV in debt and money market securities rated AA; or
c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in clause 1 of Seventh Schedule of MF Regulation

2. Mutual Funds/AMCs shall ensure that total exposure of debt schemes of mutual funds in a group (excluding investments in securities issued by Public Sector Units, Public Financial Institutions and Public Sector Banks) shall not exceed 20% of the net assets of the scheme. Such investment limit may be extended to 25% of the net assets of the scheme with the prior approval of the Board of Trustees.

3. Investment in unrated debt and money market instruments, other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. by mutual fund schemes shall be subject to the following:
a. Investments should only be made in such instruments, including bills re-discounting, usance bills, etc., that are generally not rated and for which separate investment norms or limits are not provided in SEBI (Mutual Fund) Regulations, 1996 and various circulars issued thereunder.
b. Exposure of mutual fund schemes in such instruments, shall not exceed 5% of the net assets of the schemes.
c. All such investments shall be made with the prior approval of the Board of AMC and the Board of trustees.

4. The Mutual Fund under all its schemes taken together will not own more than 10% of any companies paid up capital carrying voting rights.

5. Transfers of investments from one scheme to another scheme in the Mutual Fund shall be allowed only if:
i. Such transfers are done at the prevailing market price for quoted instruments on spot basis;
ii. The securities so transferred shall be in conformity with the investment objectives & policies of the Scheme to which such transfer has been made. Such transfer would be in accordance with clause 12.30 of SEBI Master Circular dated June 27, 2024 or any other circular issued by SEBI from time to time.

6. The Scheme may invest in another scheme under the same asset management company or in any other mutual fund without charging any fees, provided the aggregate inter scheme investments made by all Schemes under the same management company or in schemes under the management of any other AMC shall not exceed 5% of NAV of the Mutual Fund.

7. Mutual fund schemes may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payme nt frequency on monthly basis.

8. The Mutual Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relative securities and in all cases of sale, deliver the securities and shall in no case put itself in a position whereby it has to make short sale or carry forward transactions or engage in badla finance :
Provided that a mutual fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the Board:
Provided further that a mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the Board.

Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.

9. The Fund shall get the securities purchased or transferred in the name of the Fund on account of the concerned scheme, wherever investments are intended to be of a long-term nature.

10. The fund's schemes shall not make any investment in:
i. Any unlisted security of an associate or group company of the sponsor
ii. Any security issued by way of private placement by an associate or group company of the sponsor
iii. The investments by debt mutual fund schemes in debt and money market instruments of group companies of both the sponsor and the asset management company shall not exceed 10% of the net assets of the scheme. Such investment limit may be extended to 15% of the net assets of the scheme with the prior approval of the Board of Trustees

11. The Scheme shall not invest in a fund of funds scheme.

12. Liquid Funds and Overnight Funds shall not park funds pending deployment in short term deposits of scheduled commercial banks. Liquid Funds and Overnight Funds shall not invest in debt securities having structured obligations (SO rating) and/ or credit enhancements (CE rating). However, debt securities with government guarantee shall be excluded from such restriction

13. No term loans for any purpose will be advanced by the Scheme.

14. In case any company has invested more than 5% of the net asset value of a scheme, the investment made by that scheme or by any other scheme of the same Mutual Fund in that company or its subsidiaries, if any, shall be brought to the notice of the Trustees by the AMC and be disclosed in the half-yearly and annual accounts with justification for such investment provided that the latter investment has been made within one year of the date of the former investment calculated on either side

15. Total exposure of the scheme in a particular sector (excluding investments in Bank CDs, G-Secs, T-Bills and AAA rated securities issued by Public Financial Institutions and Public Sector Banks and such other instruments if any, as may be specified by SEBI from time to time) shall not exceed 20% or such other percentage of the net assets of the scheme, as prescribed by SEBI from time to time, unless the scheme has specifically been exempted from the requirement by SEBI.

An additional exposure to financial services sector (over and above the limit of 20%) not exceeding 10% of the net assets of the scheme shall be allowed by way of increase in exposure to Housing Finance Companies (HFCs) rated AA and above and registered with National Housing Bank (NHB). Further, an additional exposure of 5% of the net assets of the scheme has been allowed for investments in securitized debt instruments based on retail housing loan portfolio and/or affordable housing loan portfolio.
However, such total investment/ exposure in HFCs shall not exceed 20% of the net assets of the scheme or such other percentage of the net assets of the scheme, as prescribed by SEBI from time to time.
Note : The sector classification shall be basis the data provided by Association of Mutual Fund in India.

16. The Fund shall not borrow except to meet temporary liquidity needs of the Fund for the purpose of repurchase / Redemption of Units or payment of interest and IDCW to the Unitholders. Provided that the Fund shall not borrow more than 20% of the net assets of any individual Scheme and the duration of the borrowing shall not exceed a period of 6 months. In case of borrowing through repo transactions the tenor of such transaction shall not exceed a period of six months.

17. The investment of mutual fund schemes in the following instruments shall not exceed 10% of the debt portfolio of the schemes and the group exposure in such instruments shall not exceed 5% of the debt portfolio of the schemes: a. Unsupported rating of debt instruments (i.e. without factoring-in credit enhancements) is below investment grade and b. Supported rating of debt instruments (i.e. after factoring-in credit enhancement) is above investment grade.

18. The scheme shall participate Repo in corporate debt securities in accordance with Clause 12.18 of SEBI Master Circular dated June 27, 2024 and such other directions issued by RBI and SEBI from time to time. The Gross exposure of the scheme to repo transactions in corporate debt securities shall not be more than 10% of the net asset of the scheme. The cumulative gross exposure through repo transactions in Corporate debt securities along with debt and Money Market instruments shall not exceed 100% of the net assets of the scheme as per Clauses 12.24 and 12.25 of SEBI Master Circular dated June 27, 2024. The scheme shall participate Repo in corporate debt securities in accordance with directions issued by RBI and SEBI from time to time

The Scheme will comply with the other Regulations applicable to the investments of Mutual Funds from time to time.

All the investment restrictions will be applicable at the time of making investments.

The AMC/Trustee may alter these above stated restrictions from time to time to the extent the Regulations change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for mutual funds to achieve its respective investment objective.

C. FUNDAMENTAL ATTRIBUTES

Following are the Fundamental Attributes of the scheme, in terms of Clause 1.14 of SEBI Master Circular for Mutual Funds dated June 27, 2024:

(i) Type of a Scheme

An open ended debt scheme investing in overnight securities.

Investment Objective: To generate returns by investing in debt and money market instruments with overnight maturity. However, there can be no assurance that the investment objective of the Scheme will be realized.

Investment Pattern: Please refer to 'How will the Scheme Allocate its Assets?' under the Part II 'INFORMATION ABOUT THE SCHEME'.

(ii) Terms of Issue

- Liquidity provisions such as listing, repurchase, redemption. (please refer to relevant provisions on listing, repurchase, redemption in section II 'Other Scheme Specific Disclosures ')
- Aggregate fees and expenses charged to the scheme (please refer to ANNUAL SCHEME RECURRING EXPENSES under Part III – Other Details).
- Any safety net or guarantee provided -
  This Scheme does not provide any guaranteed or assured return.

In accordance with Regulation 18(15A) of SEBI (MF) Regulations, 1996 and in terms of Clause 1.14.1.4 of SEBI Master Circular for Mutual Funds dated June 27, 2024, the Trustees shall ensure that no change in the fundamental attributes of the Scheme and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- SEBI has reviewed and provided its comments on the proposal
- A written communication about the proposed change is sent to each Unitholder and an advertisement is given in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated; and
- The Unitholders are given an option for a period of atleast 30 calendar days to exit at the prevailing Net Asset Value without any exit load.

D. Other Scheme Specific Disclosures:

Listing and transfer of units	The Scheme is an open ended scheme under which sale and repurchase will be made on a continuous basis and therefore listing on stock exchanges is not envisaged. However, the Trustee reserves the right to list the units as and when considered necessary in the interest of Unit holders of the Fund.
Dematerialization of units	The Unit holders would have an option to hold the Units in demat form or account statement (non-demat) form. Units held in Demat Form are freely transferable. The Applicant intending to hold Units in demat form will be required to have a beneficiary account with a Depository Participant (DP) of the NSDL/ CDSL and will be required to mention in the application form DP's Name, DP ID No. and Beneficiary Account No. with the DP at the time of purchasing Units.
Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)	Not Applicable
Maximum Amount to be raised (if any)	Not Applicable

Dividend Polic y (ID CW)	Under the IDCW option, the Trustee will have the discretion to declare the IDCW, subject to availability of distributable surplus calculated in accordance with the Regulations. The actual declaration of IDCW and frequency will inter-alia, depend on availability of distributable surplus calculated in accordance with SEBI (MF) Regulations and the decisions of the Trustee shall be final in this regard. There is no assurance or guarantee to the Unit holders as to the rate of IDCW nor that it will be paid regularly. The AMC/Trustee reserves the right to change the frequency of declaration of IDCW or may provide for additional frequency for declaration of IDCW. **IDCW Distribution Procedure** In accordance with Clause 11 of Master Circular dated June 27, 2024, the procedure for distribution would be as under: 1. Quantum of IDCW and the record date will be fixed by the Trustee. IDCW so decided shall be paid, subject to availability of distributable surplus. 2. Within one calendar day of the decision by the Trustees, AMC shall issue notice to the public communicating the decision including the record date. The record date shall be 2 Business Days from the date of publication in at least one English newspaper or in a newspaper published in the language of the region where the Head Office of the mutual fund is situated, whichever is issued earlier. 3. Record date shall be the date, which will be considered for the purpose of determining the eligibility of investors whose names appear on the register of Unit holders for receiving IDCW. 4. The notice will, in font size 10, bold, categorically state that pursuant to payment of dividend, the NAV of the Scheme would fall to the extent of payout and statutory levy (if applicable). 5. The NAV will be adjusted to the extent of IDCW distribution and statutory levy, if any, at the close of business hours on record date. Before the issue of such notice, no communication indicating the probable date of IDCW declaration in any manner whatsoever will be issued by Mutual Fund. However, the requirement of giving notice shall not be applicable for IDCW options having frequency up to one month.
Allotment (Detailed procedure)	All Applicants whose monies towards purchase of Units have been realised by the Fund will receive a full and firm allotment of Units, provided also the applications are complete in all respects and are found to be in order. Any application for subscription of units may be rejected if found invalid, incomplete or due to unavailability of underlying securities, etc. Units will be allotted upto 3 decimals.. Any application for subscription of units may be rejected if found invalid, incomplete or due to unavailability of underlying securities, etc. Applicants under the Scheme will have an option to hold the Units either in physical form (i.e. account statement) or in dematerialized form. Accordingly, the AMC shall allot units either in physical form (i.e. account statement) or in dematerialized form within 5 working days from the date of receipt of valid application / transaction to the Unitholders. Dematerialization The Applicants intending to hold the Units in dematerialized mode will be required to have a beneficiary account with a Depository Participant (DP) of the NSDL/CDSL and will be required to mention in the application form DP's Name, DP ID No. and Beneficiary Account No. with the DP at the time of purchasing Units. The Units allotted will be credited to the DP account of the Unit holder as per the details provided in the application form. The statement of holding of the beneficiary account holder for units held in demat will be sent by the respective DPs periodically. Units held in demat form are freely transferable. If the Unit holder desires to hold the Units in a Dematerialized / Rematerialized form at a later date, the request for conversion of units held in Account Statement (non demat) form into Demat

	(electronic) form or vice versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. However, the Trustee / AMC reserves the right to change the dematerialization / rematerialization process in accordance with the procedural requirements laid down by the Depositories, viz. NSDL/ CDSL and/or in accordance with the provisions laid under the Depositories Act, 1996 and Regulations thereunder. All Units will rank pari passu, among Units within the same Option in the Scheme concerned as to assets, earnings and the receipt of Distributions, if any, as may be declared by the Trustee. **Allotment Confirmation** An allotment confirmation specifying the units allotted shall be sent by way of email and/or SMS within 5 working days of the closure of application to the Unit holder's registered e-mail address and/or mobile number. Note: Allotment of units will be done after deduction of applicable stamp duty and transaction charges, if any.
Refund	Not Applicable
Who can invest This is an indicative list and investors shall consult their financial advisor to ascertain whether the scheme is suitable to their risk profile.	The following persons (i.e. an indicative list of persons) are eligible and may apply for subscription to the Units of the Scheme provided they are not prohibited by any law/ Constitutive documents governing them: 1. Resident adult individuals either singly or jointly (not exceeding three) or on an Anyone or Survivor basis; 2. Karta of Hindu Undivided Family (HUF); 3. Non-resident Indians (NRIs)/Persons of Indian Origin residing abroad (PIO)/ Overseas Citizen of India (OCI) on repatriation basis or on non-repatriation basis; 10. Foreign Portfolio Investors (FPI) registered with SEBI in accordance with applicable laws; 11. Army, Air Force, Navy and other paramilitary units and bodies created by such institutions; 12. Council of Scientific and Industrial Research, India; 13. Multilateral Financial Institutions/ Bilateral Development Corporation Agencies/ Bodies Corporate incorporated outside India with the permission of Government of India/Reserve Bank of India; 14. Other Schemes of quant Mutual Fund subject to the conditions and limits prescribed by SEBI (MF) Regulations; 15. Trustee, AMC, Sponsor and their associates may subscribe to Units under the Scheme;

	16. Such other category of investors as may be decided by the AMC / Trustee from time to time provided their investment is in conformity with the applicable laws and SEBI (MF) Regulations. Note: 1. Non Resident Indians (NRIs) and Persons of Indian Origin (PIOs) residing abroad / Overseas Citizens of India (OCI) / Foreign Portfolio Investors (FPIs) have been granted a general permission by Reserve Bank of India under Schedule 5 of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 for investing in / redeeming units of the mutual funds subject to conditions set out in the aforesaid regulations. 2. In case of application(s) made by Individual Investors under a Power of Attorney, the original Power of Attorney or a certified true copy duly notarised should be submitted. In case of applications made by Non-Individual Investors, the authorized signatories / officials of Non-Individual investors should sign the application under their official designation and as per the authority granted to them under their Constitutive Documents/Board resolutions, etc. A list of specimen signatures of the authorized officials, duly certified / attested should also be attached to the Application Form. The Fund/AMC/Trustees shall deem that the investments made by the Investors are not prohibited by any law/Constitutive documents governing them and they possess the necessary authority to invest/transact. 3. Investors desiring to invest / transact in mutual fund schemes are required to mandatorily furnish PAN (PAN of the guardian in case minor does not have a PAN) and comply with the KYC norms applicable from time to time. Under the KYC norms, Investors are required to provide prescribed documents for establishing their identity and address including in case of non-individuals copy of the Memorandum and Articles of Association / bye-laws/trust deed/ partnership deed/ Certificate of Registration along with the proof of authorization to invest, as applicable, to the KYC Registration Agency (KRA) registered with SEBI. The Fund / AMC / Trustees / other intermediaries will rely on the declarations/affirmations provided by the Investor(s) in the Application/Transaction Form(s) and the documents furnished to the KRA that the Investor(s) is permitted/ authorised by the Constitution document/their Board of Directors etc. to make the investment / transact. Further, the Investor shall be liable to indemnify the Fund / AMC / Trustee / other intermediaries in case of any dispute regarding the eligibility, validity and authorization of the transactions and / or the applicant who has applied on behalf of the Investors. The Fund / AMC / Trustee reserves the right to call for such other information and documents as may be required by it in connection with the investments made by the investor. Where the Units are held by a Unit holder in breach of any Regulations, AMC / the Fund may effect compulsory redemption of such units. Returned cheques are liable not to be presented again for collection, and the accompanying application forms are liable to be rejected. In case the returned cheques are presented again, the necessary charges are liable to be debited to the investor. 4. The Trustee reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by the investor for purchase of Units of this Scheme. 5. Subject to the SEBI (MF) Regulations, the Trustee may inter-alia reject any application for the purchase of Units if the application is invalid or incomplete or non-permissible under law or if the Trustee for any other reason does not believe that it would be in the best interest of the Scheme or its Unitholders to accept such an application.
Who cannot invest	The aforementioned persons/entities as specified under section **"Who Can Invest?"** shall not be eligible to invest in the Scheme, if such persons/entities are: 1. United States Person (U.S. person*) as defined under the extant laws of the United States of America, except the following: a. NRIs/PIOs may invest/transact, in the Scheme, when present in India, as lump sum subscription, redemption and/or switch transaction and registrations of systematic transactions only through physical form and upon submission of such additional documents/undertakings, etc., as may be stipulated by AMC/ Trustee

	from time to time and subject to compliance with all applicable laws and regulations prior to investing in the Scheme. b. FPIs may invest in the Scheme as lump sum subscription and/or switch transaction (other than systematic transactions) through submission of physical form in India, subject to compliance with all applicable laws and regulations and the terms, conditions, and documentation requirements stipulated by the AMC/Trustee from time to time, prior to investing in the Scheme. The Trustee/AMC reserves the right to put the transaction requests received from such U.S. person on hold/reject the transaction request/redeem the units, if allotted, as the case may be, as and when identified by the AMC that the same is not in compliance with the applicable laws and/or the terms and conditions stipulated by Trustee/AMC from time to time. Such redemptions will be subject to applicable taxes and exit load, if any. The physical application form(s) for transactions (in nondemat mode) from such U.S. person will be accepted ONLY at the Investor Service Centres (ISCs) of quant Money Managers Limited (AMC). Additionally, such transactions in physical application form(s) will also be accepted through Distributors and other platforms subject to receipt of such additional documents/undertakings, etc., as may be stipulated by AMC/ Trustee from time to time from the Distributors/ Investors. 2. Residents of Canada; 3. Investor residing in any Financial Action Task Force (FATF)designated High Risk jurisdiction. *The term "U.S. person" means any person that is a U.S. person within the meaning of RegulationS under the Securities Act of 1933 of U.S. or as defined by the U.S. Commodity Futures Trading Commission or as per such further amended definitions, interpretations, legislations, rules etc, as may be in force from time to time.
How to Apply and other details	The Applications Forms shall be made available at Investor Service Centres (ISCs)/Official Points of Acceptance (OPAs) of Mutual Fund and/ or may be downloaded from the website of AMC www.quantmutual.com. For further details, refer to the SAI and Application form for the instructions. 1 The list of the Investor Service Centres (ISCs)/Official Points of Acceptance (OPAs) of the Mutual Fund will be provided on the website of the AMC **https://quantmutual.com/about-us/contact-us**. 2. Please refer back cover page of SID for Name, address and contact no. of Registrar and Transfer Agent (R&T), email id of R&T, website address of R&T, official points of acceptance. As per the directives issued by SEBI it is mandatory for an investor to declare his/her bank account number. To safeguard the interest of Unitholders from loss or theft of their refund orders/redemption cheques, investors are requested to provide their bank details in the Application Form. In case an existing Unitholder is submitting a request for Change in his Bank Details, he needs to submit a copy of cancelled cheque leaf of the new bank account or Bank statement of the new bank account attested by his banker with seal & signature of banker or letter from the Banker of the investor. In absence of the same, the request for Change in Bank Mandate is liable to be rejected. Investors are required to note that it is mandatory to mention their bank account

	numbers in their applications/requests for redemption. At the time of redemption, investors can select the bank account to receive the amount.
The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	The number of Units held by the Unit holder under his folio / Demat Account will stand reduced by the number of Units redeemed. Presently, the AMC does not intend to reissue the repurchased units. However, the Trustee reserves the right to reissue the repurchased units at a later date after issuing adequate public notices and taking approvals, if any, from SEBI.
Restrictions, if any, on the right to freely retain or dispose of units being offered.	SUSPENSION OF SALE OF UNITS OF THE SCHEME The Mutual Fund at its sole discretion reserves the right to withdraw the Sale of Units i.e. subscriptions in the Scheme(s) (including any one Plan/ Option) temporarily or indefinitely, if in the opinion of the AMC the general market conditions are not favourable and / or suitable investment opportunities are not available for deployment of funds or if in the view of AMC/Trustee changing the size of the corpus may prove detrimental to the existing Unit holders of the Scheme(s) or for any other reason deemed fit by the AMC / Trustee. Further, the indicative list of circumstances under which sale of units may temporarily be suspended is as follows: 1. When one or more stock exchanges or markets, which provide basis for valuation for a substantial portion of the assets of the Scheme are closed otherwise than for ordinary holidays. 2. In case of natural calamities, war, strikes, riots and bandhs. 3. In the event of any force majeure or disaster that affects the normal functioning of the AMC or the Official Point(s) of Acceptance 4. If so directed by SEBI. **RIGHT TO RESTRICT REDEMPTION AND / OR SUSPEND REDEMPTION OF THE UNITS** (as per para 1.12 of SEBI Master Circular dated June 27, 2024 as may be amended from time to time): The Fund at its sole discretion reserves the right to restrict Redemption (including switch- out) of the Units (including Plan /Option) of the Scheme of the Fund upon occurrence of the below mentioned events for a period not exceeding ten (10) working days in any ninety (90) days period subject to approval of the Board of Directors of the AMC and the Trustee. The restriction on Redemption (including switch-out) shall be applicable where the Redemption (including switch-out) request is for a value above Rs. 2,00,000/- (Rupees Two Lakhs). Further, no restriction shall be applicable to the Redemption / switch-out request upto Rs. 2,00,000/- (Rupees Two Lakhs). It is further clarified that, in case of redemption request beyond Rs. 2,00,000/- (Rupees Two Lakhs), no restriction shall be applicable on first Rs. 2,00,000/- (Rupees Two Lakhs). The Trustee / AMC reserves the right to restrict Redemption or suspend Redemption of the Units in the Scheme of the Fund on account of circumstances leading to a systemic crisis or event(s) that severely constrict market liquidity or the efficient functioning of the markets. A list of such circumstances under which the restriction on Redemption or suspension of Redemption of the Units in the Scheme of the Fund may be imposed are as follows: 1. Liquidity issues- when market at large becomes illiquid affecting almost all securities rather than any issuer specific security; or 2. Market failures / exchange closures; or 3. Operational issues; or 4. If so directed by SEBI. It is clarified that since the occurrence of the abovementioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines, if any mentioned by the Fund in the scheme

	offering documents, for processing of requests for Redemption may not be applicable. Any restriction on Redemption or suspension of Redemption of the Units in the Scheme(s) of the Mutual Fund shall be made applicable only after specific approval of the Board of Directors of the AMC and Trustee Company and thereafter, immediately informing the same to SEBI. The AMC / Trustee reserves the right to change / modify the provisions of right to restrict Redemption and / or suspend Redemption of the Units in the Scheme of the Fund.
Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	The below cut-off timings and applicability of NAV shall be applicable in respect of valid applications received at the Official Point(s) of Acceptance on a Business Day: **A] For Purchase (including switch-in) of any amount:** • In respect of valid applications received upto 1.30 p.m. and where the funds for the entire amount are available for utilization before the cut-off time i.e. credited to the bank account of the Scheme before the cut-off time - the closing NAV of the day shall be applicable. • In respect of valid applications received after 1.30 p.m. and where the funds for the entire amount are credited to the bank account of the Scheme either at any time on the same day or before the cut-off time of the next Business Day i.e. available for utilization before the cut-off time of the next Business Day - the closing NAV of the next Business Day shall be applicable. • Irrespective of the time of receipt of application, where the funds for the entire amount are credited to the bank account of the Scheme before the cut-off time on any subsequent Business Day i.e. available for utilization before the cut-off time on any subsequent Business Day - the closing NAV of such subsequent Business Day shall be applicable. **B] For Switch-ins of any amount: For determining the applicable NAV, the following shall be ensured:** • Application for switch-in is received before the applicable cutoff time. •Funds for the entire amount of subscription/purchase as per the switch-in request are credited to the bank account of the Scheme before the cut-off time. • The funds are available for utilization before the cut-off time. • In case of 'switch' transactions from one scheme to another, the allocation shall be in line with redemption payouts.
Minimum amount for purchase/redemption/switches	Minimum amount for Purchase/Switch in Rs. 5,000 and in multiples of Re. 1/- thereafter Minimum Additional Purchase/Switch in Amount Rs.1,000 and in multiples of Re. 1/- thereafter **Non applicability Minimum Application Amount (Lump-sum) and Minimum Redemption amount** SEBI vide its Clause 6.10 of Master Circular dated June 27, 2024 (Alignment of interest of Designated Employees of Asset Management Companies (AMCs) with the Unitholders of the Mutual Fund Schemes) has, inter alia mandated that a minimum of 20% of gross annual CTC net of income tax and any statutory contributions of the Designated Employees of the AMCs shall be invested in units of the scheme(s) of the Fund in which they have a role/oversight The said guidelines came into effect from the October 1, 2021. In accordance with the regulatory requirement, the minimum application amount and minimum redemption amount wherever specified will not be applicable for investment made in schemes of the Fund in compliance with the aforesaid circular(s). **Minimum Redemption Amount/Switch Out**

	There will be no minimum redemption criterion. The Redemption / Switch- out would be permitted to the extent of credit balance in the Unit holder's account of the Plan(s) / Option(s) of the Scheme (subject to release of pledge / lien or other encumbrances). The Redemption / Switch-out request can be made by specifying the rupee amount or by specifying the number of Units of the respective Plan(s) / Option(s) to be redeemed. In case a Redemption / Switch-out request received is for both, a specified rupee amount and a specified number of Units of the respective Plan(s)/ Option(s), the specified number of Units will be considered the definitive request. In case of Units held in dematerialized mode, the Unit Holder can give a request for Redemption only in number of Units which can be fractional units also. Depository participants of registered Depositories can process only redemption request of units held in demat mode. The AMC/ Trustee reserves the right to change/ modify the terms of minimum redemption amount/switch-out, but not more than the minimum subscription amount.
Accounts Statements	The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds (including transaction charges paid to the distributor) and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month by mail or email on or before 15th of the succeeding month. Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) on or before 21st day of succeeding month, to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable. For further details, refer SAI.
Dividend/ IDCW	The payment of dividend/IDCW to the unitholders shall be made within seven working days from the record date.
Redemption	The redemption or repurchase proceeds shall be dispatched to the unitholders within one working days from the date of redemption or repurchase. For list of exceptional circumstances refer para 14.1.3 of SEBI Master Circular for Mutual Funds dated June 27, 2024.
Bank Mandate	As per the directives issued by SEBI it is mandatory for an investor to declare his/her bank account number. To safeguard the interest of Unitholders from loss or theft of their refund orders/redemption cheques, investors are requested to provide their bank details in the Application Form. In case an existing Unitholder is submitting a request for Change in his Bank Details, he needs to submit a copy of cancelled cheque leaf of the new bank account or Bank statement of the new bank account attested by his banker with seal & signature of banker or letter from the Banker of the investor. In absence of the same, the request for Change in Bank Mandate is liable to be rejected.

	Investors have an option of registering multiple bank accounts, by submitting the necessary forms & documents. At the time of redemption, investors can select the bank account to receive the amount.
Delay in payment of redemption / repurchase proceeds/dividend	The Asset Management Company shall be liable to pay interest to the unitholders at rate as specified vide clause 14.2 of SEBI Master Circular for Mutual Funds dated Juen 27, 2024 by SEBI for the period of such delay.
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	The unclaimed Redemption and IDCW amounts shall be deployed by the Fund in money market instruments and such other instruments/securities as maybe permitted from time to time. The investment management fee charged by the AMC for managing such unclaimed amounts shall not exceed 50 basis points. The circular also specifies that investors who claim these amounts during a period of three years from the due date shall be paid at the prevailing NAV. Thus, after a period of three years, this amount can be transferred to a pool account and the investors can claim the said amounts at the NAV prevailing at the end of the third year. In terms of the circular, the onus is on the AMC to make a continuous effort to remind investors through letters to take their unclaimed amounts. The details of such unclaimed amounts shall be disclosed in the annual report sent to the Unit Holders.
Disclosure w.r.t investment by minors	Payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian. For existing folios, the AMC shall accept a Change of Pay-out Bank mandate before redemption is processed. Irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with parent/legal guardian after completing all KYC formalities. Upon the minor attaining the status of major, the minor in whose name the investment was made, shall be required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new account. No further transactions shall be allowed till the status of the minor is changed to major. The claimant has to submit the Transmission Request Form (TRF) and NOC form along with the prescribed common set of documents. All such forms and formats are available on AMC website, RTA and AMFI. AMCs shall not accept requests for redemption from a claimant pending completion of the transmission of units in his / her favour. The Stamp duty is payable by the claimant with respect to the indemnity bond and affidavit, shall be in accordance with the stamp duty prescribed by law.

III. Other Details

A. Periodic Disclosures such as Half yearly disclosures, half yearly results, annual report

Monthly and Half yearly Disclosures: Portfolio / Financial Results This is a list of securities where the corpus of the scheme is currently invested. The market value of these investments is also stated in portfolio disclosures.	The AMC will disclose the portfolio of the Scheme (alongwith ISIN) as on the last day of the month / half year on the website of the Mutual Fund and AMFI within 10 days from the close of each month/ half year (i.e. 31st March and 30th September) respectively in a user-friendly and downloadable spreadsheet format. Further, AMC shall publish an advertisement in an all India edition of one national English daily newspaper and one Hindi newspaper, every half year, disclosing the hosting of the half-yearly statement of its schemes' portfolio on the website of the Mutual Fund and AMFI and the modes through which unitholder(s) can submit a request for a physical or electronic copy of the statement of scheme portfolio. The AMC will also provide a dashboard, in a comparable, downloadable (spreadsheet) and machine readable format, providing performance and key disclosures like Scheme's AUM, investment objective, expense ratios, portfolio details, scheme's past performance etc. on website https://quantmutual.com/mutual-funds-india/funds
Half Yearly Results	The Mutual Fund shall within one month from the close of each half year, that is on 31st March and on 30th September, host a soft copy of its unaudited financial results on the website of the AMC and AMFI. The mutual fund shall publish an advertisement disclosing the hosting of such financial results on their website, in atleast one English daily newspaper having nationwide circulation and in a newspaper having wide circulation published in the language of the region where the Head Office of the Mutual Fund is situated. The unaudited financial results will also be displayed on the website of the AMC https://quantmutual.com/statutory-disclosures and AMFI website.
Annual Report	The Scheme annual report or an abridged summary thereof shall be mailed (emailed, where e mail id is provided unless otherwise required)) to all Unit holders not later than four months (or such other period as may be specified by SEBI from time to time) from the date of closure of the relevant accounting year (i.e. 31st March each year) and full annual report shall be available for inspection at the Head Office of the Mutual Fund and a copy shall be made available to the Unit holders on request on payment of nominal fees, if any. Scheme wise annual report shall also be displayed on the website of the Mutual Fund (www.quantmutual.com) and on the website of Association of Mutual Funds in India (www.amfiindia.com). Unitholders whose email addresses are not registered with the Mutual Fund may 'opt-in' to receive a physical copy of the annual report or an abridged summary thereof.
Product Labeling	Risk-o-meter forms part of the Product labeling and depicts Risk level of the scheme. The risk-o-meter of the scheme shall be in accordance with Clause 17.4 of Master Circular dated June 27, 2024 and the same shall be evaluated and updated on a monthly basis.
Disclosure of Risk-o-meter of schemes and benchmark	In terms of Clause 5.16 of Master Circular dated June 27,2024, the risk-o-meter of the schemes and benchmark shall be disclosed while disclosing the performance of the schemes from time to time.
Disclosure of Scheme Summary Document	The Scheme Summary Document of each scheme shall be disclosed on AMC website and to be uploaded AMFI portal in three different formats, ie. Pdf, excel and xml.

B. **Transparency/NAV Disclosure (Details with reference to information given in Section I)**

Net Asset Value This is the value per unit of the scheme on a particular day. You can ascertain the value of your investments by multiplying the NAV with your unit balance.	The NAVs will be calculated and disclosed on all the Business Days. The AMC shall update the NAVs on the website Association of Mutual Funds in India - AMFI (www.amfiindia.com) before 11.00 p.m. on every Business Day and shall also update the NAVs on the website of AMC (www.quantmutual.com) before 11.00 p.m. on every Business Day for a given business day. If the NAVs are not available before the commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAV. Information regarding NAV can be obtained by the Unit holders / Investors by calling or visiting the nearest ISC.

C. Transaction charges and stamp duty

Transaction Charges	In accordance with clause 10.5 of Master Circular dated June 27, 2024, the AMC/ Mutual Fund shall deduct the Transaction Charges on purchase / subscription received from the investors investing through a valid ARN Holder i.e. AMFI registered Distributor including transactions routed through Stock exchange(s) platform viz. NSE Mutual Fund Platform ("NMF II") and BSE Mutual Fund Platform ("BSE StAR MF") (provided the distributor has opted-in to receive the Transaction Charges for the Scheme type) as under: **TRANSACTION CHARGES IN CASE OF INVESTMENTS THROUGH SIP:** Transaction Charges in case of investments through SIP are deductible only if the total commitment of investment (i.e. amount per SIP installment x No. of installments) amounts to Rs. 10,000 or more. In such cases, Transaction Charges shall be deducted in 3-4 installments. (i) First Time Mutual Fund Investor (across Mutual Funds): Transaction Charge of Rs. 150/- per purchase / subscription of Rs.10,000/- and above will be deducted from the purchase / subscription amount for payment to the distributor of such investor and the balance shall be invested. (ii) Investor other than First Time Mutual Fund Investor: Transaction Charge of Rs. 100/- per purchase / subscription of Rs.10,000/- and above will be deducted from the purchase / subscription amount for payment to the distributor of such investor and the balance shall be invested. Identification of investors as "first time" or "existing" will be based on Permanent Account Number (PAN) at the First / Sole Applicant / Guardian level. Hence, Unitholders are urged to ensure that their PAN / KYC is updated with the Fund. Unitholders may approach any of the Official Points of Acceptances of the Fund i.e. Investor Service Centres (ISCs) of the Fund / offices of our Registrar and Transfer Agent, Kfin Technologies Limited. in this regard. It may be noted that Transaction Charges shall not be deducted: (a) where the distributor of the investor has not opted to receive any Transaction Charges; (b) for purchases / subscriptions / total commitment amount in case of SIP of an amount less than Rs. 10,000/-; (c) For transactions other than purchases / subscriptions relating to new inflows i.e. through Switches/ Systematic Transfers / Transfer of IDCW Plan (TIP Facility) / Reinvestment under IDCW Option, etc.; (d) for purchases/ subscriptions made directly with the Fund (i.e. not through any distributor); (e) for purchases/ subscriptions routed through Stock exchange(s) through stock brokers as applicable.
Stamp Duty	Mutual fund units issued against Purchase transactions (whether through lump-sum investments or SIP or STP or switch-ins or reinvestment under IDCW Option) would be subject to levy of stamp duty @ 0.005% of the amount invested. Transfer of mutual fund units (such as transfers between demat accounts) are subject to payment of stamp duty @ 0.015%. The rate and levy of stamp duty may vary as amended from time to time. *Pursuant to Notification No. S.O. 4419(E) dated December 10, 2019 issued by Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, and subsequent Notification dated March 30, 2020 issued by Department of Revenue, Ministry of Finance, Government of India. The stamp duty will be deducted from the net investment amount i.e. gross investment amount less any other deduction like transaction charge. Units will be created only for the balance amount i.e. net investment amount as reduced by the stamp duty. The stamp duty will be computed at the rate of 0.005% on an inclusive method

	basis as illustrated below: For instance: If the investment amount is Rs. 100,100 and the transaction charge is Rs. 100, the stamp duty will be calculated as follows: ((Investment Amount – Transaction Charge) / 100.005) *0.005 = Rs. 5. If the applicable Net Asset Value (NAV) is Rs. 10 per unit, then units allotted will be calculated as follows: (Investment Amount - Transaction Charge - Stamp Duty)/ Applicable NAV = 9,999.50 units.

D. Associate Transactions- Please refer to Statement of Additional Information (SAI).

E. Taxation- For details on taxation please refer to the clause on Taxation in the SAI apart from the following:

Tax implications on distributed income (hereinafter referred to as either ‘dividend’ or ‘capital gains’) by Mutual Funds:

As per the provisions of the Income-tax Act, 1961, as amended by the Finance Act,2024:

Period	Period Acquired Up to March 31, 2023	Acquired on or after April 01, 2023	Tax rates applicable for Mutual Fund (other than Equity Oriented Fund and Infrastructure Debt Fund)
Particulars	Tax rates applicable for Resident Investors (Refer note 2)	Tax rates applicable for Resident Investors (Refer note 2)	
Tax on IDCW	Taxable as per applicable tax rates	Taxable as per applicable tax rates	Nil
Long Term Capital Gains on sale of listed and unlisted units transferred on or after 23 July 2024	12.5#% without Indexation (Listed - held for more than 12 months Unlisted – held for more than 24 months)	NA	Nil
Short Term Capital Gains on sale of listed and unlisted units transferred on or after 23 July 2024	Income tax rate applicable to the unit holders as per their income slabs (Listed - held for more than 12 months Unlisted – held for more than 24 months)	Income tax rate applicable to the unit holders as per their income slabs Deemed short term capital gains##	Nil

Note:

1. Under the terms of the Scheme Information Document, the schemes are classified as “other than equity oriented fund and infrastructure debt fund”.

2. Section 50AA as introduced by Finance Act, 2023 deems any gains on transfer / redemption of specified mutual funds acquired on or after 1 April 2023 as short-term capital gains. For the purposes of section 50AA, “specified mutual fund” means a mutual fund by whatever name called, where not more than 35 percent of its total proceeds is invested in the equity shares of domestic companies. The scheme is identified as a “specified mutual fund”.

3. However, an amendment has been made in Finance Act, 2024 in the definition of specified mutual fund. The amended definition under the Finance Act, 2024 is - “specified mutual fund” means (a) a Mutual Fund by whatever name called, which invests more than sixty-five per cent of its total proceeds in debt and money market instruments; or (b) a fund which invests sixty-five per cent or more of its total proceeds in units of a fund referred to in sub-clause (a).”

Provided that the percentage of investment in debt and money market instruments or in units of a fund, as the case may be, in respect of the Specified Mutual Fund, shall be computed with reference to the annual average of the daily closing figures:

Provided further that for the purposes of this clause, “debt and money market instruments” shall include any securities, by whatever name called, classified or regulated as debt and money market instruments by the Securities and Exchange Board of India.’. The above amendment in the definition of “specified mutual fund” will be effective from 01 April 2025.

4. Income of the Mutual Fund is exempt from income tax in accordance with the provisions of Section 10(23D) of the Income-tax Act, 1961 (Act).

5. If the total income of a resident investor (being individual or HUF) [without considering such Long Term Capital Gains / Short Term Capital Gains] is less than the basic exemption limit, then such Long-term capital gains/short-term capital gains should be first adjusted towards basic exemption limit and only excess should be chargeable to tax.

6. Non-resident investors may be subject to a separate of tax regime / eligible to benefits under Tax Treaties, depending upon the facts of the case. The same has not been captured above.

7. A rebate of up to Rs. 12,500 is available for resident individuals whose total income does not exceed Rs. 5,00,000.

8. The Finance Act, 2023 provides a rebate of up to Rs 25,000 for resident individuals opting for taxation under section 115BAC of the Act whose total income does not exceed Rs 700,000.

Excluding applicable surcharge and cess.
For units acquired after 1 April 2023 and sold anytime after that will be deemed to be short-term capital gains.

F. Rights of Unitholders- Please refer to SAI for details.

G. List of official points of acceptance: Details are uploaded on:
https://quantmutual.com/QuantTransaction/QuantTransactionApr.html#custom-tabs-four-settings

H. Penalties, Pending Litigation or Proceedings, Findings of Inspections or Investigations for Which Action May Have Been Taken or Is In The Process Of Being Taken By Any Regulatory Authority
