PROCEDURE AND MANNER OF RECORDING INVESTMENT DECISIONS

The fund managers carry out daily investment activities within the framework of SEBI guidelines in accordance with the investment objectives.

All investment decisions are recorded and documented in the format approved by the Boards of the AMC and Trustee. The fund manager continuously monitors all investment decisions and their impact on the performance of the schemes and carries out suitable adjustment on periodic intervals. Adherence to overall risk parameters is monitored by the Chief Investment Officer & Chief Executive Officer on a regular basis. The Boards of AMC and Trustee review the performance of the schemes in comparison with schemes of other mutual funds (with similar investment objective and asset profile generally) and benchmark of the scheme.

V. RISK FACTORS

A. STANDARD RISK FACTORS

1. Standard Risk Factors for investments in Mutual Fund

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price/value/interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down depending on the various factors and forces affecting the capital markets and money markets.
- Past performance of the Sponsor and its associates/ AMC/Mutual Fund does not guarantee future performance of the Scheme of the Mutual Fund.
- The name of the Scheme does not in any manner indicate either the quality of the Scheme or their future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 1 lakh made by it towards setting up the Fund.
- The present Scheme(s) are not guaranteed or assured return scheme.

2. **Requirement of minimum investors in the scheme (applicable for an open-ended schemes)** The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. However, if such limit is breached during the NFO of the Scheme, the Fund will endeavour to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall be complied within each calendar quarter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25% limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.
3. **Risk factors of not maintaining average AUM of Rs.20 crore on half yearly rolling basis (Applicable only for open ended debt oriented schemes)**
   The Scheme shall maintain an average AUM of Rs.20 crore on half yearly rolling basis. In case, the average AUM falls below Rs.20 crore, the AMC shall scale up the AUM of such Scheme within a period of six months so as to maintain the average AUM of Rs.20 crore on half yearly rolling basis, failing which the Scheme shall be wound up in accordance with the provisions of Regulation 39 (2) (c) of SEBI (Mutual Funds) Regulations, 2026 as amended from time to time.
4. **Risks associated with different derivative strategies, as applicable**
   The AMC, on behalf of the Scheme may use various derivative products, from time to time, in an attempt to protect the value of the portfolio and enhance Unit holders' interest. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Other risks include, the risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

   Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not

always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

5. Risks specific to certain derivative strategies are highlighted below:

(i) **Risk Factors of SWAP/Forward Rate Agreement (FRAs)/Interest Rate Futures (IRFs)**

Credit Risk: The credit risk in derivative transaction is the risk that the counter party will default on its obligations and is generally low, as there is no exchange of principal amounts in a derivative transaction.

Market Risk: Market movements may adversely affect the pricing and settlement of derivatives. **Illiquidity Risk:** This is the risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.

(ii) **Basis Risk associated with imperfect hedging using Interest Rate Futures (IRF)**: The imperfect correlation between the prices of securities in the portfolio and the IRF contract used to hedge part of the portfolio leads to basis risk. Thus, the loss on the portfolio may not exactly match the gain from the hedge position entered using the IRF.

(iii) **Risk pertaining to covered call strategy:** Incorrectly pricing the option premium before writing the covered call by ignoring factors which determine pricing like number of days to expiry, adjustment with respect to announced corporate actions like dividend etc.

(iv) **Risk pertaining to Basic Structure of an Index Future:**

RISKS associated with index future strategy:

- The strategy of taking a long position in index futures increases the exposure to the market. The long position is positively correlated with the market. However, there is no assurance that the stocks in the portfolio and the index behave in the same manner and thus this strategy may not provide gains perfectly aligned to the movement in the index.
- The long position will have as much loss/gain as in the Underlying Index. e.g. if the index appreciates by 10%, the index future value rises by 10%. However, this is true only for futures contracts held till maturity. In the event that a futures contract is closed out before its expiry, the quoted price of the futures contract may be different from the gain/loss due to the movement of the Underlying Index. This is called the basis risk.
- While futures markets are typically more liquid than the underlying cash market, there can be no assurance that ready liquidity would exist at all points in time, for the Scheme to purchase or close out a specific futures contract.

(v) **Risk pertaining to strategy of Downside Protection Using Stock Put:**

- There can be no assurance that ready liquidity would exist at all points in time, for the scheme to purchase or close out a specific options contract.
- A hedging strategy using Put Options is a perfect hedge on the expiration date of the put option. On other days, there may be (temporary) imperfect correlation between the share price and the put option.

(vi) **Risk pertaining to using Call option on Index to increase percentage investment in equities:**

● The strategy of taking a long position in index call option increases the exposure to the market. The long position is positively correlated with the market. However, there is no assurance that the stocks in the portfolio and the index behave in the same manner and thus this strategy may not provide gains perfectly aligned to the movement in the index.

● The risk/downside, if the market falls/remains flat is only limited to the option premium paid.
● The long position will have as much loss/gain as in the Underlying Index. For e.g. if the index appreciates by 10%, the index options value rises by 10%. However, this is true only for options held till maturity.
● While option markets are typically less liquid than the underlying cash market, hence there can be no assurance that ready liquidity would exist at all points in time, for the Scheme to purchase or close out a specific contract.
● Risk pertaining to using Put option on Index to minimize downside in equities.
● The strategy of taking a long position in index put option hedges a portfolio of long only stocks/funds against potential markets falls. The long position in the put option is negatively correlated with the market. However, there is no assurance that the stocks in the portfolio and the index behave in the same manner and thus this strategy may not provide gains perfectly aligned to the movement in the index.
● The risk/downside, if the index remains above the strike price is only limited to the option premium paid. The premium paid is the maximum downside to the portfolio. There is positive return in the put strategy only if the index falls below the strike price.
● The long position will have as much loss/gain as the reverse of the Underlying Index. For e.g. if the index depreciates by 10%, the index options value rises by 10%. However, this is true only for options held till maturity.
● While option markets are typically less liquid than the underlying cash market, there can be no assurance that ready liquidity would exist at all points in time, for the Scheme to purchase or close out a specific contract.

6. **Risk Factors on Swing Pricing (applicable to all open ended debt schemes except HDFC Gilt Fund, HDFC Overnight Fund and G-Sec Index Funds):**
a. Swing pricing refers to a process for adjusting a fund's Net Asset Value (NAV) to effectively pass on transaction costs stemming from net capital activity (i.e. flows into or out of a scheme) to the investors associated with that activity. This would help to ensure fairness of treatment to all the investors i.e. whether entering, exiting or remaining invested in mutual fund schemes, particularly during market dislocation.
b. Impact on investors: When the Swing Framework is triggered and swing factor is made applicable, both the incoming (unit holders who submit purchase/switch in requests) and outgoing investors (unit holders who submit redemption/switch out requests) shall get NAV adjusted downwards for swing factor. Swing pricing shall be made applicable to all unitholders at PAN level with an exemption for redemptions upto Rs. 2 lacs for each scheme.

7. **Risk Factors on Backstop facility in the form of investment in Corporate Debt Market Development Fund ('CDMDF'):**
CDMDF is set up as a scheme of the Trust registered as an Alternative Investment Fund ('AIF') in accordance with the SEBI (Alternative Investment Funds) Regulations, 2012 ("AIF Regulations"). The objective of the CDMDF is to help to develop the corporate debt market by providing backstop facility to instill confidence amongst the market participants in the corporate debt/bond market during times of market dislocation and to enhance the secondary market liquidity. In times of market dislocation, CDMDF shall purchase and hold eligible corporate debt securities from the participating investors i.e. Specified Debt-oriented schemes (i.e. Open ended Debt oriented Mutual Fund schemes excluding Overnight funds, Gilt fund, Gilt Fund with 10 year constant maturity, Index funds, ETFs and including Conservative Hybrid funds of HDFC MF (hereinafter referred to as 'Specified Schemes')) and sell as markets recover. The CDMDF will thus act as a key enabler for facilitating liquidity in the corporate debt market and to respond quickly in times of market dislocation. The trigger and period for by SEBI. Thus, this backstop facility will help fund managers of the Scheme to generate better liquidity during market dislocation to help the schemes fulfill liquidity obligations under stress situation. In accordance with the requirement of Regulation 40 of SEBI (Mutual Funds) Regulations, 2026 read with

Paragraph 18 of Master Circular for Mutual Funds dated March 20, 2026 , as may be amended from time to time, on Investment by Mutual Fund Schemes in units of CDMDF, the applicable scheme shall invest (as initial contribution) 25 bps of its AUM as on December 31, 2022, in the units of the Corporate Debt Market Development Fund ('CDMDF'). An incremental contribution to CDMDF shall be made every six months (i.e. at the end of half year ended June and December) at the prevalent NAV of the respective Class Units to ensure 25 bps of scheme's AUM is invested in units of CDMDF. However, if AUM decreases there shall be no return or redemption of units from CDMDF. Contribution made to CDMDF, including the appreciations on the same, if any, shall be locked-in till winding up of the CDMDF. The investments in CDMDF units shall not be considered as violation while considering maturity restriction as applicable for various purposes (including applicable Investment limits) and the calculations of Potential Risk Class (PRC) Matrix, Risk-o-meter, Stress testing and Duration for various purposes shall be done after excluding investments in units of CDMDF.

8. **Risk factors associated with processing of transaction through Stock Exchange Mechanism**:

The trading mechanism introduced by the Stock Exchange(s) is configured to accept and process transactions for mutual fund Units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognised Stock Exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing/settlement, etc. upon which the Fund has no control. Moreover, transactions conducted through the Stock Exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized Stock Exchange(s).

9. **Liquidity Risk Management:**

Liquidity Risk: Liquidity risk is the risk of not being able to sell/liquidate a security at short notice at prevailing market prices or without incurring impact cost. While government bonds, money market instruments and shorter maturity instruments are generally easier to sell, corporate bonds and other instruments typically face higher liquidity risk. Further, higher rated securities normally are more liquid compared to lower rated securities. As a result, different portfolios will face different levels of liquidity risk based on the underlying portfolio composition. Some of the strategies to reduce liquidity risk are creating portfolios that are diversified across maturities, ratings, types of securities, etc. in line with the fund objectives, regulations and investment strategy.

The liquidity Risk Management tools shall be as under:

Liquidity Management Tool	Brief Description
Potential Risk Matrix Circular & Risk-o-meter Circular	The maximum risk that a scheme will run as per design and a measurement of that risk on a regular basis. Remedial measures also in place in case any of the design boundaries are breached.
LRM Circular	Defines Liquidity Risk arising from the liability side and covers all potential liquidity risk scenarios upto 99% confidence interval. Has remedial measures both for managing this risk on an ongoing basis (LRaR&LCRaR) as well as action plan in case there is a difference between actual outcome and projected outcome.
Stress Testing Circular	Addresses the asset side risk from an Interest Rate, Credit and Liquidity Risk perspective at an aggregate portfolio level in terms of its impact on NAV.
RMC Circular	The RMC circular brings in ALM requirement which addresses potential Liquidity requirement over a 90-day period and required relevant asset side liquidity to be maintained.

Swing Pricing Circular	In case of severe liquidity stress at an AMC level or a severe dysfunction at market level, the Swing Pricing guidelines get triggered which offers the contingency plan in case all else fails.

B. Special Considerations

- Subject to the SEBI (MF) Regulations, funds managed by the /associates of the Sponsors may invest either directly or indirectly in the Scheme and may acquire a substantial portion of the Scheme Units and collectively constitute a majority investor in the Scheme. Accordingly, redemption of Units held by such funds may have an adverse impact on the value of the Units of the Scheme because of the timing of any such redemption and may impact the ability of other Unit Holders to redeem their respective Units.
- As the liquidity of the Scheme investments may sometimes be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or of a restructuring of the Scheme portfolios. In view of this, the Trustee has the right, in its sole discretion, to limit redemptions under certain circumstances.
- Neither the SID and SAI, nor the Units have been registered in any jurisdiction. The distribution of the SID in certain jurisdictions may be restricted or subject to registration requirements and, accordingly, persons who come into possession of the SID and the SAI in such jurisdictions are required to inform themselves about, and to observe, any such restrictions. No person receiving a copy of the SID or any accompanying application form in such jurisdiction may treat the SID or such application form as constituting an invitation to them to subscribe for Units, nor should they in any event use any such application form, unless in the relevant jurisdiction such an invitation could lawfully be made to them and such application form could lawfully be used without compliance of any registration or other legal requirements.
- Investment decisions made by the Investment Manager may not always be profitable.
- The Mutual Fund/AMC has not authorized any person to give any information or make any representations, either oral or written, not stated in the SID/SAI in connection with issue of Units under any of the Scheme of quant Mutual Fund. Prospective investors are advised not to rely upon any information or representations not incorporated in SID/SAI as the same have not been authorized by the Mutual Fund or the AMC. Any subscription, purchase or sale made by any person on the basis of statements or representations which are not contained in SID/SAI or which are inconsistent with the information contained herein shall be solely at the risk of the investor.
- Suspicious Transaction Reporting: If after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, the AMC shall report any such suspicious transactions to competent authorities under PMLA and rules/guidelines issued thereunder by SEBI and/or RBI, furnish any such information in connection therewith to such authorities and take any other actions as may be required for the purposes of fulfilling its obligations under PMLA and rules/guidelines issued thereunder by SEBI and/or RBI without obtaining the prior approval of the investor/Unit Holder/any other person.
- The AMC and its Registrar reserve the right to disclose/share investors' personal information with the following third parties:

1. Registrar, Banks and / or authorised external third parties who are involved in transaction processing, dispatches, etc., of investors' investment in the Scheme;
2. Distributors or Sub-brokers or Registered Investment Advisors through whom applications of investors are received for the Scheme; or;
3. Any other organisations for compliance with any legal or regulatory requirements or to verify the identity of investors for complying with anti-money laundering requirements.

Account statements or financial information pertaining to the investor, if it is to be sent over the internet to the Unitholder, distributors or any other entity as indicated above, will be sent only through a secure means and / or through encrypted electronic mail.

- Non-Individual Investors should note the following:

1. A list of specimen signatures of the authorized officials, duly certified / attested should also be attached to the Application Form.
2. In case of application for any transaction, the authorized signatories/officials should sign such application under their official designation and as per the authority granted to them under their constitutional documents/board resolutions etc.
3. In case a generic board resolution authoring investment has been submitted, the AMC/Fund reserves the right to consider such generic resolution as a valid authorisation for all other financial and non-financial transactions including but not limited to redemption/switches etc. Accordingly, all transactions executed by the officials named in such generic resolution would be processed by the AMC/Fund.

- The tax benefits described in the Scheme Information Document and Statement of Additional Information are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advise received by the AMC regarding the law and practice currently in force in India and the Unit holders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in any of the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unit holder is advised to consult his/her own professional tax advisor.
- Investors should study the Scheme Information Document and the Statement of Additional Information carefully in its entirety and should not construe the contents as advise relating to legal, taxation, investment or any other matters. Investors are advised to consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming units, before making a decision to invest / redeem Units.
- Any dispute arising out of any of the Scheme shall be subject to the exclusive jurisdiction of the Courts in India. Statements in the Scheme Information Document and Statement of Additional Information are, except where otherwise stated, based on the law, practice currently in force in India, and are subject to changes therein.
- The Mutual Fund may disclose details of the investor's account and transactions there under to those intermediaries whose stamp appears on the application form. In addition, the Mutual Fund may disclose such details to the bankers / its agents, as may be necessary for the purpose of effecting payments to the investor. Further, the Mutual Fund may disclose details of the investor's account and transactions thereunder to any Regulatory/Statutory entities as per the provisions of law.
- In case the AMC or its Sponsor or its Shareholders or their associates or group companies make substantial investment, either directly or indirectly in the Scheme redemption of Units by these entities may have an adverse impact on the performance of the Scheme. This may also affect the ability of the other Unit holders to redeem their Units.

Investors are urged to study the terms of the offer carefully before investing in the Scheme and retain the SID and the SAI for future reference.

VI. HOW TO APPLY?

A. Purchase

1. New investors can purchase units by using an application form or through such other modes as may be offered by the AMC, subject to KYC and various requirements and documents. Existing unit holders may use the transaction slip attached to their account statement or use a Common Transaction Form or through such other modes as may be offered by the AMC. Application forms or common transaction forms are generally available at the official points of acceptance of transactions during the business hours. The same can also be downloaded from the website of the Mutual Fund, www.quantmutual.com.
2. The duly completed application form/transaction slip/common transaction form, as the case maybe, can be submitted at any of the official points of acceptance of transactions. The official point of acceptance of transaction will stamp, and return the acknowledgement slip in the application form, to acknowledge receipt of the application, subject to verification. No other form of acknowledgement will be provided. Investors should retain the acknowledgement evidencing submission of the transaction till they receive a confirmation of acceptance or rejection of transaction. In case of difference of details in acknowledgement vis a vis actual transaction document, the details as mentioned on transaction document will prevail.
3. Investors should mandatorily use the Application Forms, Transactions Request, SIP/STP/SWP forms

included in the KIM and other standard forms available at the ISCs/ www.quantmutual.com, for any financial/non-financial transactions, Investor and MFD may also use RTA and AMFI forms.. Any transactions received in any non-standard forms are liable to be rejected. Further, any transaction or request received on a non-standard form or document not specified by the Fund will still be governed and subject to terms and conditions of the standard forms and scheme related documents. Investor using application form/ transaction request for financial/ non- financial transactions not provided by the Fund declare that they have read and understood the contents of the Scheme Information Document and Statement of Additional Information, Key Information Memorandum, instructions and addenda issued by quant Mutual Fund from time to time. Any transactions request received with incomplete information are liable to be rejected or may be processed at the sole discretion of the AMC.

4. The AMC/Registrar may open or close offices/ISCs or change address of an office from time to time. Investors may obtain latest addresses of Official Points of Acceptance of Transactions from the relevant SID or by calling the AMC/Registrar or available on the website of the Mutual Fund i.e. www.quantmutual.com Investors are requested to note that no transaction shall be accepted on a day which is a public and /or bank holiday or non-business days or local holiday at an Investor Service Centre/ Official Points of Acceptance of Transaction.
5. Investors should provide details/instructions only in the space provided in the relevant form in CAPITAL case and in English language. Further, any details/notings/information/instruction provided at a non-designated area of the standard form being used, or any additional details for which space is not designated in the standard form, may not be executed by the AMC. If the details are not mentioned clearly or in capital case, the AMC will endeavour to capture client and transaction details on a best effort basis and will not be liable towards data entry errors due to illegible or unclear handwriting. Hence, investors should check all details as mentioned in the Account Statement and approach the AMC for any corrections within 15 days from the date of application
6. Facility of transactions is available on the official website www.quantmutual.com for Schemes of quant Mutual Fund. Accordingly, the said website will also be considered as an official point of acceptance for applications for subscriptions, redemptions, switches and other available facilities as the case may be.
7. The Trustees shall have absolute discretion to reject any application for purchase of Units, if in its opinion, increasing the size of the Unit Capital is not in the general interest of the Unit Holders, or if for any other reason it does not believe it would be in the best interest of the Scheme or its Unit Holders to accept such an application.
8. Applicants have to specify the “mode of holding” in the application form. If an application is made by:

I. one investor, the mode of holding will “Single”;

II. more than one investor (maximum three permitted), the mode of holding should be specified as “Joint” or “Anyone or Survivor”. If the mode of holding is specified as “Joint”, all transactions/instructions will have to be signed by all joint holders, while for mode of holding specified as “Anyone or Survivor”, all transactions/instructions may be signed by anyone of the Unit holders. If the mode of holding is not specified or is ambiguous, it will be treated as “Joint”, where there is more than one holder. With respect to Units held in demat mode, the rules of Depository for operation of such DP account shall be applicable. Request for nomination needs to be signed by all unit holders jointly, irrespective of “mode of holding”.

9. In all cases, proceeds of redemption will be paid to the first-named holder (as determined by reference to the original application form). Further, the first named holder shall receive the account statements, all notices and correspondences with respect to the account, or IDCW or other distributions and also have the voting rights, as permitted, associated with such units.
10. The proceeds towards redemptions and IDCW will be dispatched by a reasonable mode of despatch like courier, Speed post, etc. in case of cheque/ demand draft or directly credited to the bank account (as per the details mentioned by the investor), entirely and solely at the risk of the investor. The Mutual Fund will endeavour to remit redemption proceeds via electronic means, as made available by RBI. Where such electronic means are not available or feasible under any circumstances, the Mutual Fund will remit the redemption proceeds by way of cheques. The investor will not hold the Mutual Fund or the AMC or the Registrar responsible for any non-receipt or delay of receipt of redemption & IDCW proceeds due to any negligence or deficiency in service by the courier company, postal authorities or the bank executing direct credits, or due to incorrect bank account details provided by the investor.
11. Investors must clearly specify schemes/plans/options /sub-option in the application form and ensure that the form is accompanied by a cheque/demand draft/account to account transfer instruction, bank acknowledgement favouring schemes/plans/options/sub-option. In case of ambiguity or any discrepancy, the application is liable to be rejected or default plan/ option may be applied for allotment of the Units at the sole discretion of the AMC.

12. Where the Scheme name as written on the application form and on the payment instrument differs, the proceeds may, at the discretion of the AMC be allotted in the Scheme as mentioned on the application form.
13. It is mandatory for all applicants/investors (including guardians, joint holders, NRIs and power of attorney holders) to mention their bank account No., permanent account number (PAN) irrespective of the amount of purchase in the application form. In order to verify that the PAN of the applicants (in case of application in joint names, each of the applicants) has been duly and correctly quoted therein, the applicants shall attach along with the purchase application, a photocopy of the PAN card or KYC status from KRA website).
14. Investments through micro investments, i.e. lump sum investment (fresh purchase & additional purchase) for amount less than Rs. 50,000/- (Rupees fifty thousands) or SIP instalments by an investor in rolling 12 months period or financial year i.e. April to March less than Rs. 50,000/- (Rupees fifty thousands) are exempt from the requirement of PAN. The PAN exemption for these investments will be applicable only to investments by individuals (Including Non Resident Indian (NRIs), Joint holders, minors acting through guardian and sole proprietary firms). However, KYC is mandatory for such investments. The investors can apply for a PAN exempt KYC.
15. Investors residing in the state of Sikkim are exempt from the mandatory requirement of PAN, subject to the AMC verifying the veracity of the claim of the investors that they are residents of Sikkim, by collecting sufficient documentary evidence including KYC.
16. Applications are liable to be rejected without any intimation to the applicants, if KYC requirements are not complied with by all the applicants, KYC acknowledgement is not enclosed or any of the additional details are not mentioned for any of the applicant at the time of purchase or if the KYC details are not updated in the existing folio for all unitholders, including guardian. In case where the KYC application is given along with the purchase/switch and where the purchase/switch is processed based on KYC application o r based on KYC status as In-Process, the purchase/switch may be rejected in case the KYC is subsequently rejected or is on Hold. In case of such rejections, refund of the subscription amount without any interest would be made to the investor within 05 business days from the date of rejection / reversals.
17. Investors should mention the correct Tax Status. In case the Tax Status provided by the investor does not correspond to the 4th character convention of PAN, then the status as per the PAN 4th character would be updated in the investor folio.
18. Investors are requested to note that there can be only tax status, either Resident (RI) or Non Resident (NRI) against a single PAN. There cannot be different tax status for different folios for the same investor, same PAN. In case the existing tax status in a folio is NRI and the investor makes a new investment with tax status as RI, the new investment will be processed with tax status as NRI. Similarly, if the existing status in a folio is RI and the investor makes a new purchase with tax status as NRI, the tax status of the existing RI folio will be changed to NRI. In case of any change in tax status, Investors should submit a request for change of tax status request before submitting the new investment to avoid any inconvenience. The AMC reserves the right to reject or reverse & reprocess the transactions at a later date in case of any error.
19. Contact Details and Correspondence Address

a. Applicants should provide contact information such as email id, mobile telephone number/s and correspondence address. However, the fund reserves the right to update communication postal address, email id, mobile number from KYC records of SEBI designated KYC Registration Authority (KRA).

p. Fund or its Registrar shall not be liable for any negligence or mistake committed by the SCSBs.

31. Application from NRI, FII and PIOs

NRIs and PIOs may purchase units on a repatriation and non-repatriation basis, while FIIs may purchase units only on a repatriation basis. They shall enclose along with the application form a copy of the payment cheque / FIRC / Debit Certificate to enable the AMC to ascertain the repatriation status of the amount invested. The account type shall be clearly ticked as NRE or NRO or FCNR, to enable the AMC determine the repatriation status of the investment amount. The AMC and the Registrar may ascertain the repatriation status purely based on the details provided in the application form.

a. Repatriation basis

NRIs and PIOs may pay their subscription amounts by way of cheques drawn on NRE or FCNR accounts in Indian currency. FIs may pay their subscription amounts either by way of inward remittance through normal banking channels or out of funds held in Foreign Currency Accounts or Non Resident Rupee Accounts maintained with a designated branch of an authorised dealer with the approval of RBI.

In case Indian Rupee drafts are purchased abroad or from FCNR/NRE accounts, an account debit certificate from the bank issuing the draft confirming the debit shall also be enclosed. NRIs shall also be required to furnish such other documents as may be necessary and as desired by the AMC/ Mutual Fund/Registrar, in connection with the investment in the schemes. Where redemption is received for units held by NRI and requiring credit of redemption proceeds to a NRE account, the fund may reject the redemption if the necessary documents like FIRC evidencing payment of subscription of units through NRE account are not provided by the investor.

b. Non-Repatriation basis

NRIs and PIOs may pay their subscription amounts by cheques/demand drafts drawn out of Non-Resident Ordinary (NRO) accounts/Non-Resident Special Rupee (NRSR) accounts and Non Resident Non-Repatriable (NRNR) accounts payable at the city where the application form is accepted.

32. Applications under Power of Attorney

In case of an application under POA or by a Limited Company, Body Corporate, Registered Society Trust or Partnership etc., the relevant POA or the Resolution or Authority to make the application as the case may be, or duly certified copy thereof, along with the Memorandum and Articles of Association /Bye-laws must be lodged at the authorized center along with the application form.

33. Bank Account Details / Multiple Bank Account Registration

It is mandatory for all investors to provide their bank mandate which will be used for payment of

redemption/Payout of Income Distribution cum Capital Withdrawal. Applications without the mandatory bank details and supporting documents are liable to be rejected. Investors should ideally mention account details of the same bank account from where the payment towards purchase is made. If the bank account details mentioned are different from purchase pay-in bank, investors should attach a cancelled cheque of the said account with name and account number pre-printed. Should the investor fail to provide the documents, the Fund/AMC/RTA reserve the right to register the pay-in bank details as the redemption bank details and use such bank account for payment of any redemption/Income Distribution cum Capital Withdrawal proceeds.

The Mutual Fund offers its Unit holders, facility to register multiple bank accounts for pay-in & payout purposes and designate one of the registered bank account as "Default Bank Account". This facility can be availed by using a designated "Bank Accounts Registration Form. In case of new investors, the bank account mentioned on the purchase application form used for opening the folio will be treated as default bank account till a separate request to register multiple bank accounts and change the default bank account to any of other registered bank account is submitted by such investor. Registered bank accounts may also be used for verification of pay ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription.

34. Change of Bank

New bank accounts can only be registered using the designated "Bank Accounts Registration Form" / "Change of Bank Form". If Unit holder(s) provide a new and unregistered bank mandate or a change of bank mandate request with specific redemption/ Income Distribution cum Capital Withdrawal payment request (with or without necessary supporting documents), such bank account will not be considered for payment of redemption/ Income Distribution cum Capital Withdrawal proceeds, or the Mutual Fund withhold the payment for upto 10 calendar days to ensure validation of new bank mandate mentioned. Change of bank mandate would not be processed based on the request submitted along with the redemption request and the investor will have to submit a fresh request for change of bank mandate with supporting documents. Any request without the necessary documents will be treated invalid and will not be acted upon and any financial transaction, including redemptions, will be processed with the existing registered details only. Valid change of bank mandate requests with supporting documents will be processed within ten days of documents reaching the head office of the Registrar and any financial transaction request received in the interim will be carried based on the previously registered details. Investors are requested to note the following with respect to the Multiple Bank Registration Facility / Change of Bank:

a. Bank registration/deletion request from Unit holder(s) will be accepted and processed only if all the details and necessary documents are attached. The request is liable to be rejected if it is not filled completely and in case of any ambiguous/incorrect/ incomplete information.

b. The first/sole Unit holder in the folio should be amongst any one of the bank account holders. Unit holder(s) cannot provide the bank account(s) of any other person or where the first/sole Unit holder is not an account holder in the bank account provided.

c. Unit holder(s) need to attach the original cancelled cheque of the old and new bank account for updating/changing the bank details in the folio. This will help in verification of the account details and register them accurately. Where multiple banks are registered in the folio, cancelled cheque of any one of the old bank accounts will need to be provided along with the original cancelled cheque of the new bank account.

d. In case original old bank proofs is not available, investors will have to visit quant Mutual Fund or RTA's ISCs for doing In Person Verification [IPV] along with ORIGINAL PAN / Photo Identification proofs & new bank cheque copy.

e. All documents submitted should clearly evidence the bank name, account number and name of all bank account holders.

f. While registering multiple bank accounts, the Unit holder(s) has to specify any one bank account as the 'Default Bank Account'.

g. If the 'Default Bank Account' is not specified or is unclear, the Mutual Fund reserves the right to designate any of the bank accounts as 'Default Bank Account'. Default Bank Account will be used for all Income Distribution cum Capital Withdrawal, redemption and maturity payouts in case of close ended schemes.

h. Investors can change the default bank account by submitting the Bank Account Registration form. In case multiple bank accounts are opted for registration as default bank account, the mutual fund retains the right to register any one of them as the default bank account at its discretion.

i. Bank account Details with redemption request: Please note the following important points related to

payment of redemption proceeds:

i. Proceeds of any redemption request will be sent only to a bank account that is already registered and validated in the folio at the time of redemption transaction processing.

ii. Unit holder(s) may choose to mention any of the existing registered bank account with redemption request for receiving redemption proceeds. If no registered bank account is mentioned, default bank account will be used.

iii. if unit holder(s) provides a new bank mandate or a bank mandate which has not been previously registered with a specific redemption request (with or without necessary supporting documents) such bank account may not be considered for payment of redemption proceeds and proceeds will be sent to existing registered bank account only entirely at the risk of the unit holder(s) and the fund will not be liable for the same under any circumstances.

iv. Change of bank mandate would also not be processed based on the request submitted along with the redemption request and the investor will have to submit a fresh request for change of bank mandate with supporting documents.

j. The registered bank accounts will also be used to identify the pay-in proceeds. Hence, unit holder(s) are advised to register their various bank accounts in advance using this facility and ensure that payments for ongoing purchase transactions are from any of the registered bank accounts only, to avoid fraudulent transactions and potential rejections due to mismatch of pay-in bank details with the accounts registered in the folio.

k. This facility of multiple bank registration requests or any subsequent addition/change/ deletion in the registered bank accounts would be effected within 10 business days from the receipt of a duly completed application form at the office of the Registrar in Hyderabad and a confirmation letter will be sent within 15 business days. Unit holder(s) should preserve this letter for their reference, as the account statement will reflect default bank mandate only.

l. The requests for addition/change/deletion/modification in the registered bank account(s) should be submitted using the designated application form only. Requests received on a plain paper/any other formats are liable to be rejected.

m. The Mutual fund, AMC, it's registrar and other service providers shall not be held liable for any loss arising to the unit holder(s) due to the credit of the redemption proceeds into any of the bank accounts registered in the folio.

35. Transaction through Stock Exchange mode and option to hold units in dematerialized form:

a. In order to facilitate transactions in mutual fund units through the stock exchange infrastructure, BSE and NSE have introduced their respective platforms. Investors desirous of transacting in the Units of the select Schemes/Plans/ Options through the stock exchange mode shall submit applications to registered stockbrokers or distributors or Registered Investment Advisors (RIA) registered with NSE or BSE.

b. The facility of transacting through the stock exchange mechanism enables investors to buy and sell the Units of the Scheme(s) through the stockbrokers or distributors or RIAs registered with the BSE and/or NSE in accordance with the guidelines issued by SEBI and operating guidelines and directives issued by NSE, BSE or such other recognized stock

exchange in this regard. Investors desirous of transacting through the stock exchange mode and want to hold the units in the dematerialized form may be required to have a demat account with NSDL/CDSL.

c. The Mutual Fund/ISCs will not accept any request directly for transactions or service requests in respect of Units held by the investors in demat form. The AMC/Fund will not send any account statement in respect of Units bought in demat mode or accept any request for statement as the units will be credited in demat account of the investor and their DPs should be approached for issuance of statement.

d. For any grievances with respect to transactions through stock exchange mechanism, Unit Holders must approach either stockbroker or their distributors or RIA or the investor grievances cell of the respective stock exchange. The Fund or the AMC will not be liable for any transactions processed based on the transaction details provided by the stock exchanges.

Option to hold units in dematerialized form:

a. Investors subscribing for Units in any of the schemes of the Fund may opt to hold Units in dematerialized mode by providing details of their demat account in the purchase request submitted by them. Units shall be allotted in physical form by default, unless the investors intimate their intention of holding Units in demat form by submitting the demat account details. This option shall be available in accordance with the provisions laid under the respective scheme(s) and in terms of guidelines/ procedural requirements as laid by the depositories (NSDL/ CDSL) from time to time.

b. Investors intending to hold the Units in Demat form are required to have a demat account with the

Depository Participant (DP) registered with NSDL/CDSL and will be required to provide the DP's name, DP ID number and the beneficiary account number of the Unit holder with the DP. Investors should attach copy of either Client Master List / Transaction Holding Statement / Delivery Instruction Slip (DIS) to verify the demat details provided in the form. In case the Demat account details are not provided or the details are incomplete or the details do not match with the records as per Depository(ies), Units will be allotted in physical form.

c. The sequence of names/pattern of holding as mentioned in the purchase request must be same as that in the demat account. Units shall be credited to the investors' demat account only after the funds are credited into the Mutual Fund's scheme(s) account to the satisfaction of the AMC.

d. Investors holding units in demat mode cannot directly approach the Fund House to redeem or switch the units by submitting a physical request. Investors should approach the BSE or NSE Stock Exchange Platform to submit the redemption or switch request. Investors can also approach their Depository Participant (DP) to submit the redemption request.

e. For any change in static information like address, bank details, nomination, contact etc. investors should approach their respective depository participant. The Mutual Fund/ISCs will not accept any request directly for transactions or service requests in respect of Units held by the investors in demat form.

f. In case, the Unit holder desires to hold the Units in a Dematerialized/Rematerialized form at a later date, the request for conversion of units held in non- demat form to Demat (electronic) form or from Demat form to non-demat or physical form should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. Dematerialization/Rematerialization of Units will be in accordance with the provisions of SEBI (Depositories & Participants) Regulations, 1996 as may be amended from time. Units held in demat form will be transferable subject to the provisions laid under the respective Scheme(s)/Plan(s) and in accordance with provisions of Depositories Act, 1996 and the Securities and Exchange Board of India (Depositories and Participants) Regulations, 1996 as may be amended from time to time.

g. The Mutual Fund/AMC will not send any account statement for units held in demat mode and investors should approach their DPs for the account statement.

36. Facility to transact in units of the Schemes through MFU (MF Utilities India Pvt. Ltd) and MF Central:

a. Investors can execute financial and non-financial transactions pertaining to Schemes of quant Mutual Fund ('the Fund') electronically on the MFU (www.mfuonline.com) and MF Central portal (https://www.mfcentral.com),as and when such facility is made available by the respective platforms transactions subject to terms, conditions and processes adopted by these platforms.

b. The AMC has entered into an Agreement with MFUI, for usage of MF Utility ("MFU") - a shared services initiative of various Asset Management Companies, which acts as a transaction aggregation portal for transacting in multiple schemes of various Mutual Funds with a single form and a single payment instrument.

c. The Points of Service ("POS") of MFUI with effect from the respective dates as published on MFUI website i.e. www.mfuindia.com against the POS locations will be considered as Official Point of Acceptance/ Investor Services Centre where application for financial transactions in schemes of the Fund will be accepted on an ongoing basis. Further, investors can also submit their non-financial transaction requests at the POS.

37. **APPLICATION VIA ELECTRONIC MODE**

Subject to the investor fulfilling certain terms and conditions stipulated by the AMC as under, AMC, Mutual Fund, the Registrar may accept transactions through any electronic mode ("fax/web/electronic transactions") as permitted by SEBI or other regulatory authorities:

i. The acceptance of the fax/web/electronic transactions will be solely at the risk of the transmitter of the fax/web/electronic transactions and the Recipient shall not in any way be liable or responsible for any loss, damage caused to the transmitter directly or indirectly, as a result of the transmitter sending or purporting to send such transactions.

ii. The recipient will also not be liable in the case where the transaction sent or purported to be sent is not processed on account of the fact that it was not received by the recipient.

iii. The transmitter's request to the recipient to act on any fax/web/ electronic transmission is for the transmitter's convenience and the recipient is not obliged or bound to act on the same.

iv. The transmitter acknowledges that fax/web/electronic transactions is not a secure means of giving instructions/ transactions requests and that the transmitter is aware of the risks involved including those arising out of such transmission.

v. The transmitter authorizes the recipient to accept and act on any fax/web/ electronic transmission which

the recipient believes in good faith to be given by the transmitter and the recipient shall be entitled to treat any such fax/ web/electronic transaction as if the same was given to the recipient under the transmitter's original signature.

vi. The transmitter accepts that the fax/web transactions shall not be considered until time stamped as a valid transaction request in the scheme in line with SEBI regulations. For electronic transactions, the time of transaction would be the time when the request of purchase /redemption /switch /SIP/STP/SWP other facilities is received on the servers of AMC/RTA as per terms and conditions of such facilities.

vii. In consideration of the recipient from time to time accepting and at its sole discretion acting on any fax/web/electronic transaction request received/ purporting to be received from the transmitter, the transmitter agrees to indemnify and keep indemnified the AMC, Directors, employees, agents, representatives of the AMC, Mutual Fund and Trustees from and against all actions, claims, demands, liabilities, obligations, losses, damages, costs and expenses of whatever nature (whether actual or contingent) directly or indirectly suffered or incurred, sustained by or threatened against the indemnified parties whatsoever arising from or in connection with or any way relating to the indemnified parties in good faith accepting and acting on fax/ web/electronic transaction requests including relying upon such fax/electronic transaction requests purporting to come from the transmitter and their authorised personnel even though it may not come from the transmitter and their authorised personnel.

38. **Note on prevention of money laundering and Know Your Client ("KYC") Requirements**

a. Know Your Client ("KYC") formalities under the Prevention of Money laundering Act, 2002 ("PMLA") and the related guidelines issued by SEBI from time to time, are to be completed by all investors, (including Power of Attorney holders and Guardian in case of a minor) intending to invest any amounts in units of the Mutual fund.

b. Prevention of Money Laundering Act, 2002 (hereinafter referred to as "PML Act") came into effect from July 1, 2005 vide Notification No. GSR 436(E) dated July 1, 2005 issued by Department of Revenue, Ministry of Finance, Government of India. SEBI/HO/MIRSD/MIRSDSECFATF/P/CIR/2024/78 dated June 6,2024 issued a 'Master Circular on Anti Money Laundering (AML) Standards/ Combating the Financing of Terrorism (CFT)/Obligations of Securities Market Intermediaries under the Prevention of Money Laundering Act, 2002' consolidating all the requirements / instructions / obligations of Securities Market Intermediaries issued under the various circulars issued by SEBI with regard to AML/CFT , whereby all intermediaries are advised to take necessary steps to ensure compliance with the requirement of the PML Act inter-alia for the maintenance and preservation of records and reporting of information relating to cash and suspicious transactions to Financial Intelligence Unit-India (FIU-IND), New Delhi.

c. The Mutual fund/ Registrar and Transfer Agent (RTA) shall perform the KYC of its new investors. Investors may however, note that the fund reserves the right to conduct enhanced KYC of its investors as may be commensurate with their respective risk profiles.

d. The investor(s) should ensure that the amount invested in the schemes of quant Mutual Fund is through legitimate sources only and does not involve and is not designated for the purpose of any contravention or evasion of the provisions of the Income Tax Act, Prevention of Money Laundering Act, Prevention of Corruption Act and / or any other laws in force in India from time to time or any rules, regulations, notifications or directions issued thereunder.

e. To ensure appropriate identification of the investor(s)/ Unitholder(s) under the KYC policy and with a view to monitor transactions for the prevention of money laundering, the AMC / the Mutual Fund reserves the right to seek information, record investor's/Unitholder's telephonic calls and / or obtain and retain documentation for establishing the identity of the investor/ Unitholder, their beneficial owner(s), proof of residence, source of funds, etc. It may re-verify identity and obtain any incomplete or additional information for this purpose as the case may be. The investor(s)/Unitholder(s) shall provide such documents to the satisfaction of the AMC as may be required from time to time for the verification/identification of the investor(s)/ Unitholder(s)/any transaction by the AMC/Mutual Fund. If the investor(s)/Unitholder(s) refuses / fails to provide to the AMC, the required documents/ information within the period specified, the AMC, shall have the sole and absolute discretion to freeze the folio(s) of the investor(s)/Unitholder(s), reject any application(s) / allotment of Units and report the details of such investor/Unitholder/transaction to appropriate authority.

f. The Mutual Fund, AMC, quant Capital Trustee Limited and its Directors, employees and agents shall not be liable in any manner for any claims arising whatsoever on account of such freezing of folio(s) / rejection of any application / allotment of Units and/or reporting the same to appropriate authorities.

Know Your Customer (KYC) Compliance

g. In terms of the PML Act, 2002, the Rules issued there under and the guidelines/circulars issued by SEBI

and/or AMFI regarding the Anti Money Laundering (AML Laws) and KYC requirement, all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

h. Pursuant to SEBI Circular no. MIRSD/ Cir-26/ 2011 dated December 23, 2011, SEBI (KYC Registration Agency) Regulations, 2011 and SEBI Circular no. MIRSD/SE/Cir-21/2011 dated October 5, 2011, to bring about uniformity in the Know Your Customer (KYC) process in the securities market, Common KYC Application form and supporting documents shall be used by all SEBI registered intermediaries viz. intermediaries viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investors Schemes, etc. Further, to avoid duplication of KYC process across SEBI registered intermediaries, a mechanism for centralization of the KYC records in the securities market has been developed.

   Accordingly, we will be performing the initial KYC of our clients and upload the details on the system of the KYC Registration Agency (KRA). The data from the KRA shall be checked and passed onto the Central Registry of Securitization Asset Reconstruction and Security Interest (CERSAI) for generation of the KYC Identification number (KIN) of the investor. The KYC details of the client can be accessed by other intermediaries by accessing the KRA system. As a result, once the client has done KYC with a SEBI registered intermediary, he need not undergo the same process again with another intermediary. For regulating KRAs, SEBI has formulated the KYC Registration Agency (KRA) Regulations, 2011 which covers the registration of KRAs, functions and responsibilities of the KRAs and intermediaries, code of conduct, data security, etc. However, to comply with prevailing regulatory guidelines, the AMC reserves the right to carryout fresh KYC to the investors or undertake enhanced KYC measures commensuration with the risk profile of the investor.In-Person Verification (IPV) of clients has been made mandatory for all SEBI registered intermediaries. Asset Management Companies (AMCs) and the distributors who comply with the certification process of National Institute of Securities Market (NISM) or Association of Mutual Funds (AMFI) and have undergone the process of 'Know Your Distributor (KYD)' can perform the IPV for mutual fund investors. However, where applications are received by the mutual funds directly from the clients (i.e. not through any distributor), the IPV performed by the scheduled commercial banks can be relied on. The IPV carried out by any SEBI registered intermediary can be relied upon.

i. Investors should note that it is mandatory for all applicants (in the case of application in joint names, each of the applicants) to mention his/her Permanent Account Number (PAN) irrespective of the amount of purchase in the Application Form. Investors who do not have PAN, have to provide other approved proof of identity in lieu of PAN i.e. PAN-exempt KYC reference number (PEKRN) who can invest up to ₹50,000 per year per mutual fund. Where the applicant is a minor, and does not possess his / her own PAN/PEKRN, he / she shall quote the PAN/PEKRN of his/her father or mother or the guardian, as the case may be.

j. In the event of noncompliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and affect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to payment of exit load, if any.

k. All investors (both individual and non-individual) can apply for KYC compliance. However, applicants should note that minors cannot apply for KYC compliance and any investment in the name of minors should be through a Guardian, who should be KYC compliant for the purpose of investing with a Mutual Fund. Also, applicants / unitholders intending to apply for Units / currently holding Units and operating their Mutual Fund folios through a Power of Attorney (PoA) must ensure that the issuer of the PoA and the holder of the PoA must mention their KYC compliance status at the time of investment. PoA holders are not permitted to apply for KYC compliance on behalf of the issuer of the PoA. Separate procedures are prescribed for change in name, address and other KYC related details, should the applicant desire to change such information.

l. Financial transactions (including redemptions, switches and all types of systematic plans) and non-financial requests will not be processed if the unitholders have not completed KYC requirements.

m. Unitholders are advised to use the applicable KYC Form for completing the KYC requirements and submit the form at the point of acceptance.

n. Further, upon updation of PAN details with the KRA (KRA-KYC) / CERSAI (CKYC), the unit holders are requested to intimate us / our Registrar and Transfer Agent their PAN information along with the folio details for updation in our records.

o. For applicants who subscribe to the Units through Stock Exchange facility, the KYC performed by the Depository Participant of the applicants will be considered as KYC verification done by the Trustee / AMC.

p. Units held in Electronic (Demat) mode, the KYC performed by the Depository Participant of the applicants will be considered as KYC verification done by the Trustee / AMC.

39. Update on Folios without PAN/PEKRN (PAN exempted KYC Reference Number)

SEBI vide its letter No. SEBI/HO/OW/IMD/PoD/2022/48112/1 dated September 12, 2022 has advised that no investments (Systematic transaction, Lumpsum, Redemption) shall be permitted in such folios wherein PAN/ PEKRN details are not available.

All such Non-compliant Non-PAN and Non-PEKRN folios shall be liable to be frozen from April 01, 2023.

Further, IDCW will not be paid or reinvested for any IDCW declared by schemes of Mutual Fund and will be invested in Unclaimed Scheme and units shall be allotted in the Investor folio for the IDCW amount.

Unitholders whose folio(s) has/have been frozen due to the above requirement shall be able to (permit to) lodge grievance or avail service request only after furnishing the above details. Please note that the PAN / PEKRN (as may be applicable) needs to be provided in respect of all joint holders.

40. **Change in Static Information**

a. Requests for change static information, viz. name, mobile number, email id, status, signature, bank account details, Income Distribution cum Capital Withdrawal sub-option, nomination, registration of Power of Attorney, Updation of Authorised Signatory List, etc. may be submitted to the AMC or its Registrar. Such changes will be effected within 5 Business Days of the valid signed request reaching the office of the Registrar and any interim financial transactions like purchase, redemption, switch, payment of Income Distribution cum Capital Withdrawal etc. will be effected with the previously registered details only. If any change in static information is submitted along with a financial transaction, the change may be handled separately and the financial transaction may be processed with the previously registered details. Unit holders are therefore advised to provide requests for change in static information separately and not along with financial transactions. Investors holding units in demat mode should approach their respective Depository Participant for non-financial requests/ applications such as change of address, mobile number, email id, change of bank, etc.

b. Any change in Income Distribution cum Capital Withdrawal sub option due to additional investment or unit holder request will be applicable to the entire units in the Income Distribution cum Capital Withdrawal option of the scheme/plan concerned.

c. Unit Holders may write to the AMC or the Registrar to change the broker code of their transactions. Any such request will be handled on a prospective basis and the change in broker code will be effected within 11 days from the date when the Registrar receives the request.

d. All non financial requests are liable to be rejected if the KYC is not completed and updated for all holders in the folio.

A. Redemption and Switches

a) All allotment of units on account of purchases, switch ins will be provisional subject to realisation & reconciliation of funds & the AMC having been reasonably satisfied that the Fund have received the clear funds. Units created will be temporarily put under hold till the time the Fund has carried out the reconciliation based on bank statements, supporting details received from banks, payment aggregators, other agencies involved in collecting andremitting the proceeds to the AMC. Units created will be kept on hold though the funds have been sighted, till the time of receipt of bank statements from the banks & other agencies and completion of the reconciliation activities. Any redemption or switches in the interim is liable to be rejected at the sole discretion of the AMC. For more details please refer the relevant SID for details on redemption and switch.

b) Redemption & switches will be rejected if the KYC is not completed and updated for all the holders in the folio.

c) The AMC also has the right, at its sole discretion, to close a Unitholder's account by redemption of units in the account of unitholder, if the unitholder does not submit the requisite proof/documents/information required by the AMC or where the units are held by a unitholder in breach of any Regulation.

d) Since a request for purchase is generally made in Rupee amounts and not in terms of number of Units of the Scheme, a Unit Holder may be left with fractional Units. Fractional Units will be computed and

accounted for up to three decimal places. However, fractional Units will, in no way, affect the Unit Holder's ability to redeem the Units, either in part or in full, standing to his/her/its credit.

B. Suspension of purchase and restriction on redemption of units

Suspension of purchase of units

1. Subject to the approval of the Boards of the AMC and the Trustee and subject to necessary communication to SEBI, determination of NAV of the units under any scheme of the Mutual fund may be temporarily suspended, leading to consequent suspension of purchase of units, in any of the following events:

a) When one or more stock exchanges or markets, which provide the basis of valuation for a substantial portion of the assets of the schemes, is/are closed, otherwise than for ordinary holidays.

b) When, as a result of political, economic or monetary events or any circumstance outside the control of the trustee and the AMC, disposal of the assets of the schemes is not reasonable, or would not reasonably be practicable without being detrimental to the interests of the unit holders.

c) In the event of a breakdown in the means of communication used for the valuation of investments of the schemes, without which the value of the securities of the schemes cannot be accurately arrived at.

d) During periods of extreme volatility of markets, which in the opinion of the AMC, are prejudicial to the interests of the unit holders.

e) In the case of natural calamities, pandemic, strikes, riots, bandhs etc.

f) In the event of any force majeure or disaster that affects the normal functioning of the AMC or the Registrar or if the Trustees are of the opinion that the suitable investment opportunities are not available for deployment of funds.

g) If so directed by SEBI.

h) Additionally, the AMC reserves the right in its sole discretion to withdraw the facility of sale and switching option of units into and out of the scheme(s) (including any one Plan / option of the scheme), temporarily or indefinitely, if AMC views that changing the size of the corpus may prove detrimental to the existing unit holders of the scheme(s).

Restriction on redemption of units

Pursuant to Paragraph 5.3 of SEBI Master Circular for Mutual Funds dated March 20,2026, the restriction on redemption may be imposed under following scenario that may lead to a systemic crisis or the efficient functioning of markets such as:-

a) **Liquidity issues** – Market at large becomes illiquid affecting almost all securities rather than any issuer specific security.

b) **Market failures, exchange closures** - Markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies.

c) **Operational issues** – when exceptional circumstances are caused by force majeure, unpredictable operational problems and technical failures (e.g. a black out).

d) Subject to the approval of the Boards of the AMC and the Trustee and subject to necessary communication to SEBI, restriction on redemption would be imposed; the following procedure shall be applied:

e) Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period.

f) No redemption requests upto INR 2 lakh shall be subject to such restriction.

Where redemption requests are above INR 2 lakh, AMCs shall redeem the first INR 2 lakh without such restriction and remaining part over and above INR 2 lakh shall be subject to such restriction.

Suspension of Sale/Switches into the scheme under special circumstances

The AMC/trustee reserves the right to temporarily suspend subscription in/switches into any scheme of the Mutual fund which invests overseas, if the limit prescribed by SEBI for overseas investments by all schemes of the Mutual fund put together currently equivalent to US$ 600 mn) is exceeded/expected to

the exceeded.

B. Special Products offered by the AMC / Schemes

For general terms and conditions and more information, Unit holder(s) are requested to read Terms and Conditions available on www.quantmutual.com.

(i)Systematic Investment Plan (SIP)

Investors can benefit by investing specific Rupee amounts periodically, for a continuous period through SIP. SIP allows investors to invest a fixed amount of Rupees on daily (business days) or specific dates every month or quarter by purchasing Units of a Scheme at the Purchase Price prevailing at such time. The minimum installment shall be 6 instalments. Investors can enroll themselves for SIP in the Scheme by ticking the appropriate box in the application form and filling up the relevant SIP form. If start date for SIP period is not specified, SIP will be registered to start anytime from a period after ten business days from the date of receipt of application based on the SIP date available / mentioned, subject to mandate being registered. If end date is not specified the SIP will be registered for 40 years from the start date or end date of mandate/tenure of the scheme, whichever is earlier. Further end date is mandatory on mandate form.

Units will be allotted at the applicable NAV as on the SIP Date opted for by the investor. Where such SIP Date is not a Business Day, Units will be allotted at the applicable NAV of the immediately succeeding Business Day. Units get allotted as per the credit realization.

The AMC may change the terms and conditions for SIP from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.quantmutual.com

(ii)Systematic Withdrawal plan (SWP)

A Unit Holder may, through SWP, receive regular payments by way of withdrawals from a Scheme (in the said folio) on a weekly, monthly, quarterly, half yearly or yearly basis with specific SWP dates and the request should be for at least 6 such withdrawals. A Unit holder may avail of SWP by ticking the appropriate box in the application form and filling up the SWP form, specifying therein the 'SWP Date' and period. To start an SWP, the unit holder should submit the SWP form atleast fifteen days prior to the first desired SWP date. To discontinue the SWP, the unit holder should provide atleast seven days written notice to the Registrar/AMCs offices. A Unit Holder who opts for an SWP has the choice of withdrawing (i) a fixed amount or (ii) an amount equal to the periodic appreciation on his/her/its investment in the Scheme from which the withdrawal is sought.

If the Units available are less than required withdrawal amount, then such Units will be redeemed and SWP facility registered in such scheme will be discontinued. Similarly, if there are no units in the Scheme to redeem or withdraw, the SWP facility registered in such Scheme will be discontinued.

In case the SWP Date happens to be a Non-Business Day, the transaction will be processed on the

immediately succeeding Business Day. On the other hand, the Mutual Fund may terminate the SWP, if all the Units concerned are liquidated or withdrawn from the account or pledged or upon the Mutual Fund's receipt of notification of death or incapacity of the Unit Holder. All terms and conditions for SWP, including Exit Load, if any, prevailing in the date of SWP enrolment/registration by the fund shall be levied in the Scheme.

The AMC may change the terms and conditions for SWP facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.quantmutual.com

(iii) Systematic Transfer Plan (STP)

A Unit Holder may transfer, through STP, part of his/her/its investment in the Scheme (in the said folio) to another Scheme on a daily, weekly, fortnightly (weekly and fortnightly fixed day is Wednesday or alternet Wednesday), monthly, quarterly (for monthly/quarterly choose any date from 1st, 5th, 10th, 15th, 20th and 25th of a given month or default date is every month of 10th), half yearly and yearly basis with specific STP dates and the request should be for at least 6 such transfers. The transfer will be effected by way of a switch, i.e. redemption of Units from one Scheme and investment of the proceeds thereof, in the other scheme, at the then prevailing terms of both schemes. Therefore, all provisions pertaining to Inter-Scheme Switching will apply to an STP **(Please refer to "Switching" for provisions on switching)**. Also, all provisions pertaining to Entry and Exit Load in an STP transaction will be same as applicable for purchase or redemption of investment made through SIP. All transactions by way of STP shall, however, be subject to the terms (other than minimum application amount) of the target Scheme.

All terms and conditions for STP, including Exit Load, if any, prevailing in the date of STP enrolment/registration by the fund shall be levied in the Scheme.

A Unit Holder who opts for an STP has the choice of switching (i) A fixed amount or (ii) an amount equal to the periodic appreciation on his/her/its investment in the Scheme from which the transfer is sought.

The AMC may change the terms and conditions for SWP facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.quantmutual.com.

(iv) Daily STP facility

Under Daily STP, the Unit Holder can switch a fixed amount from any one Scheme (Source Scheme) to any other Scheme (Target Scheme) on a daily basis subject to exit load as applicable. The minimum period for Daily STP shall be 6 days and maximum for any period subject to the end period being year 2099. STP installment shall be processed only when it is a Business day for both source and target Scheme. In case the start date is not mentioned, the Daily STP shall start from the 10th day from the date of submission of valid STP registration form. In case the end date is not mentioned, the STP shall be registered for a period of one year.

For general terms and conditions and more information, Unit holder(s) are requested to read Terms and Conditions available on www.quantmutual.com

Note:

(i) SIP/SWP/STP facility is available in all Plans of the Scheme.
(ii) SWP and STP facilities are available/applicable to the investors in each plan of the Scheme.
(iii) STP/SWP facilities on weekly or fortnightly basis are currently not available to investors who wish to transact through the stock exchange mechanism.

(i) **Switching**

A switch has the effect of redemption from one scheme/ plan/option and a purchase in the other scheme/plan/ option to which the switching has been done. To effect a switch, a Unit Holder must provide clear instructions. Such instructions may be provided in writing or by completing the transaction slip/form attached to the account statement. The switch request can be made for any amount of Rs. 100/- or more. A Unit Holder may request switch of a specified amount or a specified number of Units only. If the Unit Holder has specified both the amount (in Rs.) and the number of Units, switch-out of

units will be carried out based on the number of units specified by the Unit Holder.

All allotments will be provisional, subject to realisation of payment instrument and subject to the AMC having been reasonably satisfied that the Mutual Fund has received clear funds. Any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC. Investors may note that switch facility is currently not available for units held in demat mode and will be provided as and when enabled by stock exchange platforms and depositories as the units are held in demat account. Unit holders are requested to note that application for switch-out for units for which funds are not realized via purchase or switch-in in the Scheme of the Fund shall be liable to be rejected. In other words, switch out of units will be processed only if the funds for such units are realized in the Scheme by a way of payment instructions/transfer or switch-in funding process.

(a) Inter-Scheme Switching

Unit Holders will have the option to switch all or part of their investment in the Scheme, to any other Scheme established by the Mutual Fund, which is are available for investment at that time. The switch will be affected by way of redemption of Units from a Scheme and re-investment of the redemption proceeds in the other Scheme selected by the Unit Holder at the prevailing terms of the Scheme to which the switch is taking place.

The price at which the Units will be switched out of the Scheme will be based on the Redemption Price on the Business Day of acceptance of switching request and the net proceeds will be invested in the other Scheme at the prevailing Purchase Price for Units in that/those Scheme. Please refer the clause on "**Ongoing price for redemption (sale)/switch outs (to other Scheme/plans of the Mutual Fund)/intra- Plan switching by investors (Redemption Price)**" mentioned in respective SID.

(b) Inter-Plan Switching

Unit Holders will have the option to switch all or part of their investment(s) from one plan of a Scheme to the other plan of that Scheme. The switch will be effected by way of a redemption of Units of the relevant plan of a Scheme as per terms and conditions of redemption and re-investment of the redemption proceeds in the other plan of the Scheme selected by the Unit Holder on the prevailing terms of that Plan as a purchase as per purchase terms and conditions of purchase.

(c) Switch of units from Regular Plan/Institutional Plan to Direct Plan within the same Scheme of the Fund:

No exit load shall be levied in case of switch of investment from Regular Plan/Institutional Plan to Direct Plan and vice versa.
Such Switch may entail tax consequences. Investors/Unit Holder(s) should consult their professional tax advisor before initiating such requests.

(d)Inter-Option Switching

Unit Holders have the option to switch all or part of their investments from one Option of a Scheme/Plan to the other Option of the same Scheme/Plan.

The switch will be affected by way of redemption of Units of the relevant Option and reinvestment of the redemption proceeds in the other Option selected by the Unit Holder on the prevailing terms of that Scheme/Plan. The price at which the Units will be switched out will be at the Applicable NAV on the Business Day of acceptance of switching request and the net proceeds will be invested in the other Option at the Applicable NAV of that Option.

The AMC may change the terms and conditions for switching facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.quantmutual.com.

(i) Pledge of Units for Loans

Units can be pledged by the Unit Holders as security for raising loans, subject to any rules/restrictions that the Trustee may prescribe from time to time.

For Units held in demat form, the rules of the respective DP will be applicable for pledge of the Units.

Units held in demat form can be pledged by completing the requisite forms/formalities as may be required by the Depository. The pledge gets created in favour of the pledgee only when the pledgee's DP confirms the creation of pledge in the system.

In case of Units held in physical form, the Registrar will note and record such pledge. A standard form for this purpose is available at any of the official points of acceptance of transactions and on

(ii)Transfer of Income Distribution cum Capital Withdrawal plan (IDCW)

Unit holders under the Regular Plan/Institutional Plan & Direct Plan (wherever applicable) and IDCW Options(s) (other than Daily IDCW Reinvest sub-option) of all the open ended Scheme of the Mutual Fund can opt to transfer their IDCW to any other option under the Regular Plan/ Institutional Plan & Direct Plan (wherever applicable) (other than Daily IDCW Reinvest sub- option) of all the open- ended Scheme of the Mutual Fund by availing the facility of IDCW Transfer Plan.

Under IDCW Transfer, IDCW as & when declared (as reduced by the amount of applicable statutory levy) in the transferor Scheme (subject to minimum of Rs.100/-) will be automatically invested without any exit load into the transferee Scheme, as opted by the Unit holder. Such transfer will be treated as fresh subscription in the transferee Scheme and invested at the Applicable NAV on the Business Day immediately following the record date, subject to terms and conditions applicable to the transferee Scheme.
Investors are requested to note that the AMC may change the terms and conditions for SWP facility from time to time, due to changing market and operational conditions. Investors are advised to check the latest terms and conditions from any of the offices of the AMC, before investing same is available on www.quantmutual.com.

(iii)OTM – One Time Mandate ('Facility')

This Facility enables the Unit Holder/s of quant Mutual Fund ('Fund') to transact with in a simple, convenient and paperless manner by submitting OTM - One Time Mandate registration form to the Fund which authorizes his/her bank to debit their account up to a certain specified limit per day, as and when they wish to transact with the Fund, without the need of submitting cheque or fund transfer letter with every transaction thereafter.

This Facility enables Unit holder(s) of the Fund to start Systematic Investment Plan (SIP) or invest lump sum amounts in any Scheme of the Fund by sending instructions through Transaction forms, and online facility specified by the AMC. This Facility is only available to Unit holder(s) of the Fund who have been assigned a folio number by the AMC.

Unit Holder(s) are requested to note that the AMC reserves the right to amend the terms and conditions, or modify, or discontinue the Facility for existing as well as prospective investors at anytime in future.

For general terms and conditions and more information, Unit holder(s) are requested to read Terms and Conditions, OTM - One Time Mandate registration form available at the Official Point of Acceptance of Transactions of AMC/ RTA and also available on www.quantmutual.com.

6. 75% of the Unit holders of a Scheme can pass a resolution to wind- up a Scheme.
7. The Trustee shall obtain the consent of the Unit holders:

- whenever required to do so by SEBI, in the interest of the Unit holders.
- whenever required to do so if a requisition is made by three- fourths of the Unit holders of the Scheme.
- when the majority of the trustees decide to wind up a scheme in terms of clause (a) of sub regulation (2) of regulation 36 of SEBI (Mutual Funds) Regulations, 2026 or prematurely redeem the units of a close ended scheme.

8. The trustees shall ensure that no change in the fundamental attributes of any scheme, the fees and expenses payable or any other change which would modify the scheme and affect the interest of the unit holders is carried out by the asset management company, unless it complies with Regulation 22(9) (c) of SEBI (Mutual Funds) Regulations, 2026.
9. In specific circumstances, where the approval of unitholders is sought on any matter, the same shall be obtained by way of a postal ballot or such other means as may be approved by SEBI.

VIII. INVESTMENT VALUATION NORMS FOR SECURITIES AND OTHER ASSETS

The investment valuation norms are as per **Annexure-A**.

The Valuation Policy **is available** on the website of the company at https://www.quantmutual.com/statutory-disclosures**.**

COMPUTATION OF NAV

A. Policy of computation of NAV

The NAV of the Units of a Scheme will be computed by dividing the net assets of the Scheme by the number of Units outstanding on the valuation date.

NAV of Units under each Scheme may be calculated by either of the following methods shown below:

$$\text{NAV (Rs.)} = \frac{\text{Market or Fair Value of Scheme's investments (+) Current Assets (-) Current Liabilities and Provision}}{\text{Number of units outstanding under the Scheme on the Valuation Day}}$$

The numerical illustration of the above method is provided below.

Market or Fair Value of Scheme's investments (Rs.) = Rs.11,42,53,650.00

Current Assets (Rs.) = Rs.10,00,000.00
Current Liabilities and Provisions (Rs.) = Rs.5,00,000.00
No. of Units outstanding under the Scheme = Rs.1,00,00,000

$$\text{NAV Per Unit (Rs.)} = \frac{11,42,53,650.00 + 10,00,000.00 - 5,00,000.00}{1,00,00,000} = 11.4754$$

N.B.: The aforesaid provisions pertaining to "Calculation of NAV" shall apply in respect of each individual Scheme and/or plan as the case may be.

NAVs will be rounded off to three or four decimal places based on the nature and category of the scheme. Please refer to the Scheme Information Document (SID) of the scheme for further details. The valuation of the Schemes' assets and calculation of the Schemes' NAVs shall be subject to audit on an annual basis and such regulations as may be prescribed by SEBI from time to time.

B. Procedure in case of delay in disclosure of NAV

In case of delay, the reasons for such delay would be explained to AMFI in writing. If the NAVs of the Scheme, where the NAV is to be declared on the same day business day (Day T) by 11 PM, are not available before commencement of business hours on the following business day due to any reason, the Fund shall issue a press release providing reasons for the delay and explaining when the Fund would be able to publish the NAVs.

If the NAVs of the Scheme for a business day (Day T), where the NAV is to be declared on next business day (Day T+1) 10 AM, is not published till 3.00 p.m. on the following business day (T+1) due to any reason, the Fund shall issue a press release providing reasons for the delay and explaining when the Fund would be able to publish the NAVs.

If the NAVs of the Scheme for a business day (Day T), where the NAV is to be declared on next business day (Day T+1) 8:30 PM, are not published till the end of day (T+1, business day) due to any reason, the Fund shall issue a press release providing reasons for the delay and explaining when the Fund would be able to publish the NAVs.

The Investment Manager can also temporarily suspend all transactions (subscription/redemption) in the above-mentioned scenarios depending on the circumstances on a case-to-case basis. Notice of it would be issued to intimate the investors.

IX. TAX & LEGAL & GENERAL INFORMATION

A. Taxation on investing in Mutual Funds

The tax benefits set out in the SAI are for general purposes only and do not constitute tax advice. The tax information provided in the SAI does not purport to be a complete description of all potential tax costs, tax incidence and risks inherent in subscribing to the units of the Scheme(s) offered by quant Mutual Fund ("Fund"). Investors should be aware that the tax laws may change and there can be no guarantee that the current tax position as laid out hereunder may continue indefinitely. Accordingly, it is recommended that each unit holder should appropriately consult its tax consultant with respect to the specific tax implications arising out of their participation in the scheme. The tax information contained in SAI alone is not sufficient and should not be used for the development or implementation of an investment strategy or construed as investment advice. Investors alone shall be fully responsible/liable for any decision taken on the basis of this document. Neither the Mutual Fund nor the AMC nor any person connected with it accepts any liability arising from the use of this information. Investors should study this SAI carefully in its entirety and should not construe the contents as advice relating to taxation.

TAX IMPLICATIONS FOR THE FUND

The entire income of the Mutual Fund registered with the SEBI will be exempt from income-tax in accordance with the provisions of Schedule VII (Table: SI.No.20) of the Income-tax Act, 2025 (the Act).

The Mutual Fund will receive all income without any deduction of tax at source as per provisions of section 393(5)(d) of the Act.

TAX IMPLICATIONS TO UNIT HOLDERS

Distribution of income by the Mutual Fund to the unit holders,

Any income distributed by mutual fund to unit holders is taxable in the hands of unit holders at the applicable rates from 01.04.2020 onwards. Any person responsible for paying to a resident any income distributed in respect of units of a Mutual Fund specified under Schedule VII (20), shall withhold tax at the rate of 10%.

In case of resident unit holders, no tax is required to be withheld if such dividend does not exceed Rs. 10,000 or not likely to exceed Rs. 10,000 in a financial year. Further, no tax is required to be withheld on capital gain.

In case of non-resident investors, the mutual fund is required to withhold taxes @20% plus applicable surcharge and cess at the time of credit / payment of distributed income to such investor.

Securities Transaction Tax

As per Chapter VII of the Finance (No. 2) Act, 2004 pertaining to STT, STT shall be payable in respect of sale / redemption of units of Equity-oriented funds at the following rates:

Sr. No.	Taxable Securities Transaction	Rate	Value	Payable by
1	Purchase of units of equity oriented mutual fund (delivery based) on recognized stock exchange	Nil	Not Applicable	Not Applicable
2	Sale of units of equity oriented mutual fund (delivery based) on recognized stock exchange	0.001 per cent	Value at which units sold	Seller
3	Sale of units of equity oriented mutual	0.025	Value at which	Seller

	fund (non-delivery based)	per cent	units sold	
4	Sale of a unit of an equity-oriented fund to the Mutual Fund	0.001 per cent	Value at which units sold	Seller

Gains on transfer / redemption of units

The tax implications on Mutual Funds are determined based on:

i. the type of Mutual Fund (classified based on the % holding in the equity shares of domestic companies); and

ii. the holding period (from date of acquisition up to the date of the redemption/transfer).

In case of Equity-Oriented Mutual Funds [Subject to Securities Transaction Tax (STT)]:

An Equity-Oriented Fund ('Equity Fund') refers to a scheme of a Mutual Fund wherein minimum of 65% of the total proceeds of such fund are invested in the equity shares of domestic companies listed on a recognised stock exchange. A Fund of Fund (FOF) structure is treated as an Equity Fund if a minimum of 90% of the total proceeds of such fund are invested in the units of another fund and such other fund also invests a minimum of 90% of its total proceeds in the equity shares of domestic companies listed on a recognised stock exchange. The equity holding is computed with reference to the annual average of the monthly averages of the opening and closing figures.

The expression, "ELSS" refers to a scheme issued in terms of the Equity Linked Savings Scheme, 2005, as notified by the Central Board of Direct Taxes ("CBDT"), Ministry of Finance, vide notification dated November 3, 2005 as amended vide notification dated December 13, 2005.

B. Legal Information

1. Nomination Facility

In terms of Regulation 27 of the SEBI (Mutual Funds) Regulations, 2026 the unit holders have an option for making nomination.

(a) Who can nominate/be nominees?

Individuals, on their own behalf, singly or jointly can nominate.

Following is an illustrative list of the categories of investors who cannot nominate:

i) company
ii) body corporate
iii) PSU
iv) AOP, BOI
v) society
vi) trust (other than religious or charitable trust)
vii) partnership firm
viii) karta of HUF
ix) bank
x) FII/Foreign Portfolio Investors (FPI)
xi) holder of POA

A minor can be nominated and in that event, the name and address of the guardian of the minor nominee shall be provided by the Unit holder. Nomination can also be in favour of the Central Government, State Government, a local authority, any person designated by virtue of his office or a religious or charitable trust.

For nomination to a religious or charitable trust, the investor should attach a proof or certificate that the trust being nominated is religious or charitable trust. The Nominee shall not be a trust, other than a religious or charitable trust, society, body corporate, partnership firm, Karta of Hindu Undivided Family or a Power of Attorney holder. A non-resident Indian can be a Nominee subject to the exchange controls in force, from time to time.

How to Nominate?

A Unit holder can, at the time an application is made, or by subsequently writing to an ISCs, request for a nomination form in order to nominate not more than three individuals, to receive the units upon his/her death, subject to completion of the necessary formalities. If the Units are held jointly, all joint unit holders will be required to sign the nomination form irrespective of the mode of holding being 'Anyone or Survivor' or 'Joint'. Nomination form cannot be signed by Power of attorney (PoA) holders. Every new nomination for a folio/account will overwrite the existing nomination.

Investors may please note that nomination is mandatory for folios held in the name of a single individual. Nomination cannot be made in a folio held 'on behalf of a minor'. Further, investors who do not wish to nominate are required to confirm at the time of making an application of their non-intention to nominate i.e. to submit opt-out declaration form signed by all holders.

Investors shall indicate clearly the percentage of allocation/share in favour of each of the nominees against their names, and such allocation/ share shall be in whole numbers without any decimals. In the event of the investor not indicating the percentage of allocation/share for each of thenominees, the AMC shall settle the claim equally amongst all the nominees.

(b) Effects of nomination/cancellation of nomination

Nomination in respect of units stands rescinded upon redemption of units. Cancellation of nomination can be made only by those individuals who hold units on their own behalf, singly or jointly, and who made the original nomination. On cancellation, the nomination shall stand rescinded and the AMC/Mutual Fund shall not be under any obligation to transfer the units in favour of any of the nominees. Transfer of units/payment to a nominee of the sums shall be valid and effectual against any demand made upon the Trust/AMC, and shall discharge the Trust/AMC of all liability towards the estate of the deceased unit holder and his/her successors and legal heirs, executors and administrators.

- Legal heir(s) of nominee shall not be eligible to inherit the assets of the investor, if the nominee predeceases the investor.
- The nominees(s) shall receive the assets of deceased sole account / sole holder(s) as trustee on behalf of legal heir(s) of deceased holder(s) thereby effecting due discharge of the AMC.

If the Mutual Fund or the AMC or the Trustee were to incur or suffer any claim, demand, liabilities, proceedings or if any actions are filed or made or initiated against any of them in respect of or in connection with the nomination, they shall be entitled to be indemnified absolutely for any loss, expenses, costs, and charges that any of them may suffer or incur absolutely from the investor's estate.

2. Transfer of Units

Units of the Schemes held in physical form shall be non-transferable, except investor can gift through online mode. Further units of the schemes of the Fund held in demat form are freely transferable (in terms of Regulation 35 of SEBI (Mutual Funds) Regulations ,2026) from one demat account to another demat account. However, restriction on transfer of units of ELSS during lock-in period shall continue to be as per ELSS guidelines.

3. Transmission

If a person becomes a holder of the Units consequent to operation of law or upon enforcement of a pledge, the Mutual Fund wil l, subject to production of satisfactory evidence, effect the transfer, if the

transferee is otherwise eligible to hold the Units. Similarly, in cases of transfers taking place consequent to death, insolvency etc., the transferee's name will be recorded by the Mutual Fund subject to production of satisfactory evidence and completion of formalities as specified by the AMC.

On death of the single or all the Unitholder(s), Units can be transmitted in favour of the registered nominee or the legal heirs, as the case may be, after completion of necessary formalities to the satisfaction of the AMC/Trustee. All restrictions and limitations specified herein including those relating to lock-in period and lien/pledge will be binding also on the legal heirs, successors, pledgees of the Unitholder(s).

C. Change in Guardian

Guardian can be changed in a folio held "on behalf of minor", either due to mutual consent or demise of the existing guardian. However, the new guardian can only be either a natural guardian (i.e. father or mother) or a court appointed legal guardian. New guardian should submit documentary evidence confirming the relationship with the minor, bank attestation attesting his/her signature and KYC acknowledgement.

D. Process for Investments made in the name of a Minor through a Guardian –

1. For all fresh purchases including Lumpsum, new Systematic Investment Plan (SIP) registrations in the name of minor will be accepted only from the bank account of minor or parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian.
2. Existing unitholders/guardians with folios in the name of minor, should ensure to update a bank account in the name of minor (or a joint account of the minor with the guardian only) as a payout bank in the folio, before placing any redemption in such folio.
3. In case of any redemption received in the folio of a minor where the bank account of the minor is not updated, such redemption will be rejected.
4. Upon the minor attaining the status of major, the minor in whose name the investment was made is required to provide all the KYC details, updated bank account details including cancelled original cheque leaf of the new account.

5. Duration of the Schemes

The duration of open-ended Schemes is perpetual while that of the close-ended schemes is as mentioned in the relevant SID. However, in terms of the Regulations, open-ended schemes may be wound up anytime, and close-ended scheme may
be wound up at any time prior to the maturity date, after repaying the amount due to the unit holders under the following circumstances:

1. On happening of any event, which in the opinion of the Trustee, requires the Scheme concerned to be wound up, OR
2. If 75% of the unit holders of the Scheme concerned pass a resolution that the Scheme be wound up, OR
3. If SEBI so directs in the interests of unit holders.

In addition to the above, an open-ended scheme may also be wound up if the scheme/investment Plan fails to fulfill the condition of a minimum of 20 investors on an ongoing basis for each calendar quarter.
Further, an average AUM of Rs. 20 crore on half yearly rolling basis has to be maintained for all open ended debt oriented schemes. In case of breach of the this provisions, the AMC shall scale up the AUM of such scheme within prescribed period so as to comply with the provisions, failing which the provisions of Regulation 36(2)(c) of the SEBI (Mutual Funds) Regulations, 2026, related to winding up of scheme would become applicable.

6. Procedure and Manner of Winding Up

The Trustee shall call a meeting of the unit holders to approve by simple majority of the unit holders present and voting at the meeting for authorising the Trustee or any other person to take steps for winding up of the scheme concerned.

The Trustee or the person authorised as above, shall dispose off the assets of the scheme concerned in the best interest of the unit holders of the scheme.

The proceeds of sale realised in pursuance of the above shall be first utilised towards discharge of such liabilities as are due and payable under the scheme, and after meeting the expenses connected with such winding up, the balance shall be paid to the unit holders in proportion to their respective interest in the assets of the scheme, as on the date when decision for winding up was taken.

On completion of the winding up, the Trustee shall forward to SEBI and unit holders a report on the winding up, detailing, the circumstances leading to the winding up, the steps taken for disposal of the assets of the scheme before winding up, net assets available for distribution to the unit holders and a Certificate from the auditors of the Mutual Fund.

Notwithstanding anything contained herein above, the provisions of the Regulations in respect of disclosures of half-yearly reports and annual reports shall continue to be applicable until winding up is completed or the scheme concerned ceases to exist.

After the receipt of the report referred to above, under “Procedure and Manner of Winding Up”, if SEBI is satisfied that all measures for winding up of the scheme concerned have been complied with, the scheme shall cease to exist.

The aforesaid provisions pertaining to “Procedure and Manner of Winding Up” shall apply in respect of each individual scheme and to the extentpossible shall apply mutatis mutandis to each Investment Plan.

7. KYC Requirements and Requirements of Prevention of Money Laundering Act

Please refer “Section VI of How to Apply”. Note on and Prevention of Money Laundering and Know Your Client (‘KYC’) Requirements”.

8. Pledge of Units for Loans

Units can be pledged by the Unit Holders as security for raising loans, subject to any rules/restrictions that the Trustee may prescribe from time to time. In the case of quant ELSS Tax Saver Fund, this facility may be availed of only after the completion of a Lock-In-Period of 3 years from the date of allotment of Units.

Disbursement of such loans will be at the entire discretion of the bank/financial institution/NBFC or any other body concerned and the Mutual Fund/ AMC assumes no responsibility thereof. The Pledgor will not be able to redeem Units that are pledged until the entity to which the Units are pledged provides written authorisation to the Mutual Fund that the pledge/lien charge may be removed. As long as Units are pledged, the Pledgee will have complete authority to redeem such Units. In case the units pledged are of close ended scheme and if the units are under pledge at the time of maturity of the scheme, then the AMC reserves the right to pay the maturity amount to the person / bank / financial institution/non-banking finance companies (NBFCs)/any other body in whose favour the lien has been marked. An intimation of such payment will be sent to the investor. The AMC thereafter shall not be responsible for any claims made by the investor/third party on account of such payments.

For Units held in demat form, the rules of the respective Depository Participants (‘DP’) will be

applicable for pledge of the Units. Units held in demat form can be pledged by completing the requisite forms/formalities as may be required by the Depository. The pledge gets created in favour of thepledgee only when the pledgee's DP confirms the creation of pledge in the system. In case of Units held in physical form, the Registrar will note and record such pledge. A standard form for this purpose is available at any of the official points of acceptance of transactions and on www.quantmutual.com

9. Compliance under Foreign Account Tax Compliance Act /Common Reporting Standard requirements:

Foreign Account Tax Compliance Act: Foreign Account Tax Compliance Act ("FATCA") is a United States (US) law aimed at prevention of tax evasion by US citizens and residents ("US Persons") through use of offshore accounts.

FATCA obligates foreign financial institution (FFIs), including Indian financial institutions to provide the US Internal Revenue Service (IRS) with information on the accounts of to report accounts held by specified US Persons. FATCA requires enhanced due diligence processes by the FFI so as to identify US reportable accounts. With respect to individuals, the US reportable accounts would cover those with US citizenship or US residency. The identification of US person will be based on one or more of following "US indicia"

- Identification of the Account Holder as a US citizen or resident; Unambiguous indication of a US place of birth;
- Current US mailing or residence address (including a US post office box);
- Current US telephone number;
- Standing instructions to transfer funds to an account maintained in USA;
- Current effective power of attorney or signing authority granted to a person with a US address; or
- An "in-care of or "hold mail" address that is the sole address that the Indian Financial Institution has on the file for the Account Holder.

Since domestic laws of sovereign countries, (including India) may not permit sharing of confidential client information by FFIs directly with US IRS, the U.S. has entered into Inter-Governmental Agreement (IGA) with various countries. The IGA between India and USA was signed on 9th July, 2015, which provides that the Indian FIs will provide the necessary information to Indian tax authorities, which will then be transmitted to USA automatically.

Common Reporting Standard - The New Global Standard for Automatic Exchange of Information:

On similar lines as FATCA, the Organization of Economic Development (OECD), along with the G20 countries, of which India is a member, has released a "Standard for Automatic Exchange of Financial Account Information in Tax Matters", in order to combat the problem of offshore tax evasion and avoidance and stashing of unaccounted money abroad, requiring cooperation amongst tax authorities. The G20 and OECD countries have together developed a Common Reporting Standard (CRS) on Automatic Exchange of Information (AEOI). The CRS on AEOI was presented to G20 Leaders in Brisbane on 16th November, 2014. On June 3, 2015, India has joined the Multilateral Competent Authority Agreement (MCAA) on AEOI.

The CRS on AEOI requires the financial institutions of the "source" jurisdiction to collect and report information to their tax authorities about account holders "resident" in other countries, such information having to be transmitted "automatically' annually. The information to be exchanged relates not only to individuals, but also to shell companies and trusts having beneficial ownership or interest in the "resident" countries.

Accordingly, with effect from November 1, 2015 all investors will have to mandatorily provide the details and declaration pertaining to FATCA/CRS for all new accounts opened, failing which the AMC shall reject the application.

Investors are requested to note that under the alternative procedure provided in Rule 114H(8) of the Income-tax Rules, 1962, the financial institutions were needed to obtain self-certification and carry out due diligence in respect of all individual and entity accounts opened from 1st July 2014 to 31st August 2015. Such self-certification and documentation was required to be obtained by the financial

institutions by 31st August 2016, otherwise they were required to close the accounts and report the same if found to be a "reportable account" as per the prescribed due diligence procedure for pre-existing account. In view of the difficulties highlighted by stakeholders in following the provision for "closure" of financial accounts, it was informed vide Press Release dated 31st August 2016 issued by Ministry of Finance, Government of India that the revised time line shall be notified in due course.

Further, investors are requested to note that Ministry of Finance, Government of India has vide its Press release dated April 11, 2017 informed the revised timelines for self-certification which is April 30, 2017. Investors who have not completed their self-certification are advised to complete their self-certification, on or before April 30, 2017 failing which the AMC shall block / freeze the unremediated folio(s) unless self-certification is provided by the Investor and due diligence is completed by the AMC.

In case investors have joint account, the folio would be treated as unremediated even if one of the joint account holders has not provided the FATCA self-certification, irrespective of whether such account holder is first, second or third holder.

The details provided by the investor will get updated in their folio within three to four working days, from the date of receipt of such details. The AMC will not be liable for rejection of any transaction or request in the folio(s) where self- certification is not provided or the details are in the process of being updated.

The appended paragraph summarises the permitted and prohibited transactions for the aforesaid unremediated folios effective May 1, 2017.Customer Initiated - Transactions that would be prohibited:

- New or additional Purchase
- Redemptions & Switches
- New Registrations or changes (SIP, SWP, STP, Transfer of IDCW Plan, Triggers)
- Payment of unclaimed Income Distribution cum Capital Withdrawal/ redemption proceeds.
- New Lien Marking or Removal Transactions that would be permitted;
- Corporate Actions (Reinvestment of Income Distribution cum Capital Withdrawal/ Payout of Income Distribution cum Capital Withdrawal)
- Pre-existing standing instructions (SIP, SWP, STP, Transfer of IDCW Plan, Triggers) till expiry
- Automatic maturity payment of close ended schemes if provided in the Scheme Information Document.
- KRA led changes
- Lien Invocation or Lien cancellation by Financial Institution or pledgee
- Transmission of units with FATCA self-certification of the claimant.

However non-financial service requests such as change of address, updation of bank, mobile, email, etc. shall continue to be accepted.

5. Portfolio Turnover Details

Portfolio difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio(s). It will be the endeavor of the Investment Manager to keep portfolio turnover rates as low as possible. However, there are trading opportunities that present themselves from time to time, where in the opinion of the Investment Manager, there is an opportunity to enhance the total returns of the portfolio. The Investment Manager will endeavor to balance the increased cost on account of higher portfolio turnover with the benefits derived therefrom.

In case of ETFs & Index Funds, turnover will depend upon the extent of purchase and redemption of units and the need to rebalance the portfolio on account of change in the composition, if any, and corporate actions of securities included in underlying Index. However, it will be the endeavor of the Fund Manager to maintain an optimal portfolio turnover rate commensurate with the investment objective of the Scheme and the purchase/ redemption transactions on an ongoing basis in the Scheme.

h. Transactions with group companies:
   - The schemes of the Mutual Fund have not made any investments in the unlisted securities of group companies.
   - The schemes will not invest in unlisted securities or securities issued by way of private placement by an associate or group company of the Sponsor or the AMC.
   - The schemes will not invest in the listed securities of the group companies of the Sponsors in excess of 25% of the net assets.

   The AMC, on behalf of the Fund, may utilise the services of Sponsors, group companies and any other subsidiary or associate company of the Sponsors established or to be established at a later date, in case such a company (including their employees or relatives) is in a position to provide the requisite services to the AMC. The AMC will conduct its business with the aforesaid companies (including their employees or relatives) on commercial terms and on arms-length basis and at a mutually agreed terms and conditions to the extent and limits permitted under the SEBI Regulations. Appropriate disclosures, wherever required, shall be made by the AMC.

   The AMC will, before investing in the securities of the group companies of the Sponsor, evaluate such investments, the criteria for the evaluation being the same as is applied to other similar investments to be made under the Scheme. Investments by the Scheme in the securities of the group companies will be subject to the limits under the Regulations.

E. Documents Available for Inspection

The following documents will be available for inspection at the office of the quant Mutual Fund at 6th Floor, Sea Breeze buiding, Appasaheb Marathe Marg, Prabhadevi, Mumbai-400025, Maharashtra, India, during business hours on any day (excluding Saturdays, Sundays and public holidays):

- Memorandum and Articles of Association of the AMC
- Investment Management Agreement
- Trust Deed and amendments thereto, if any
- Mutual Fund Registration Certificate
- Agreement between the Mutual Fund and the Custodian
- Agreement with Registrar and Share Transfer Agents
- Consent of Auditors to act in the said capacity
- Consent of Legal Advisors to act in the said capacity
- Securities and Exchange Board of India (Mutual Funds) Regulations, 2026 and amendments from time to time thereto.
- Indian Trusts Act, 1882.

F. Investor Grievances Redressal Mechanism

Investors may contact any of the Investor Service Centers (ISCs) of the AMC for any queries / clarifications, may call on 022-6295 5000 (toll free) on any business day between 9.30 am - 5.00 pm, e-mail: help.investor@quant.in. Investors can also post their grievances/feedback/suggestions on our website www.quantmutual.com Investors can also raise any complaints or grievances on "SCORES Platform" of SEBI at https://scores.sebi.gov.in/ or on "Online Dispute Resolution Portal" (ODR) at https://smartodr.in/login. With respect to transactions through BSE and/or NSE, the investors/Unit Holders should approach either the stock broker or the investor grievance cell of the respective stock exchange. Investors may contact the customer care of MFUI on 022 6134 4316 (during the business hours on all days except Sunday and Public Holidays) or send an email to clientservices@mfuindia.com for any service required or for resolution of their grievances for their transactions with MFUI.

The status of investor complaints received and redressed during the last three fiscal years is as under:

Financial Year	Carried forward from previous year	Received during the year	Resolved during the year	Pending at the end of the year
2023-2024	0	1150	1149	1
2024-2025	1	992	923	0
2025-2026	0	18	18	0
2026-27 (April 01, 2026 to July 31, 2026)	0	8	8	0

The data on the number of complaints received, redressed and pending required to be updated every two months as prescribed by SEBI is accordingly updated up to May 31, 2026 as follow:

All the above inquiries/complaints have since been resolved. The Mutual Fund follows up with the ISCs and the Registrar on complaints and inquiries received from investors with an endeavour to resolve them promptly. The Statement of Additional Information('SAI') will be uploaded by quant Mutual Fund on its website (www.quantmutual.com) and on AMFI website (www.amfiindia.com). The printed copy of SAI will be made available to the investor on request.

G. Information pertaining to Investments by the Schemes of the Fund

1. Derivative strategies

Subject to SEBI (Mutual Funds) Regulations, 2026, the Scheme may use techniques and instruments such as trading in derivative instruments to hedge the risk of fluctuations in the value of the investment portfolio. In accordance with the guidelines issued by the SEBI, exposure to derivative instruments will be restricted to the limit as specified along with the asset allocation pattern of the scheme.
A derivative is an instrument whose value is derived from the value of one or more of the underlying assets which can be commodities, precious metals, bonds, currency, etc. Common examples of Derivative instruments are Interest Rate Swaps, Forward Rate Agreements, Futures, Options, etc.

EQUITY DERIVATIVES

a) Index/ Stock spot – Index/ Stock Futures (Stock Arbitrage):
This strategy is employed when the price of the future is trading at a premium to the price of its underlying in spot market. The Scheme shall buy the stock in spot market and endeavor to simultaneously sell the future at a premium on a quantity neutral basis.

Buying the stock in spot market and selling the futures results into a hedge where the Scheme has locked in a spread and is not affected by the price movement of cash market and futures market. The arbitrage position can be continued till expiry of the future contracts. The future contracts are settled based on the last half an hour's weighted average trade of the spot market. Thus there is a convergence between the spot price and the futures market on expiry.This convergence helps the Scheme to generate the arbitrage return locked in earlier.
On or before the date of expiry, if the price differential between the spot and futures position of the subsequent month maturity still remains attractive, the scheme may rollover the futures position and hold onto the position in the spot market. In case such an opportunity is not available, the scheme would liquidate the spot position and settle the futures position simultaneously.

Rolling over of the futures transaction means unwinding the short position in the futures of the current month and simultaneously shorting futures of the subsequent month maturity, and holding onto the spot position.

Illustration & Basic Structure of a Stock Future

A futures contract on a stock gives its owner the right and obligation to buy or sell stocks. Single Stock Futures traded on NSE (National Stock Exchange) are cash settled; there is no delivery of the underlying stocks on the expiration date. A purchase or sale of futures on a security gives the trader essentially the same price exposure as a purchase or sale of the security itself. In this regard, trading stock futures is no different from trading the security itself.

Example using hypothetical figures:

The Scheme holds shares of XYZ Ltd., the current price of which is Rs. 500 per share. The Scheme sells one month futures on the shares of XYZ Ltd. at the rate of Rs. 540.

If the price of the stock falls, the Mutual Fund will suffer losses on the stock position held. However, in such a scenario, there will be a profit on the short futures position.

At the end of the period, the price of the stock falls to Rs. 450 and this fall in the price of the stock results in a fall in the price of futures to Rs. 470. There will be a loss of Rs. 50 per share (Rs. 500 - Rs. 450) on the holding of the stock, which will be offset by the profits of Rs. 70 (Rs. 540 - Rs. 470) made on the short futures position.
Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity. Certain factors like margins and other related costs have been ignored. The risks associated with stock futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures.

b) Index Arbitrage:
The S&P CNX Nifty derives its value from fifty constituent stocks; the constituent stocks (in their

respective weights) can be used to create a synthetic index matching the Nifty Index. Also, theoretically, the fair value of a future is equal to the spot price plus the cost of carry.

Theoretically, therefore, the pricing of Nifty Index futures should be equal to the pricing of the synthetic index created by futures on the underlying stocks.

Due to market imperfections, the index futures may not exactly correspond to the synthetic index futures. The Nifty Index futures normally trades at a discount to the synthetic Index due to large volumes of stock hedging being done using the Nifty Index futures giving rise to arbitrage opportunities.

One instance in which an index arbitrage opportunity exists is when Index future is trading at a discount to the index (spot) and the futures of the constituent stocks are trading at a cumulative premium.

The investment manager shall endeavour to capture such arbitrage opportunities by taking long positions in the Nifty Index futures and short positions in the synthetic index (constituent stock futures). Based on the opportunity, the reverse position can also be initiated.

c) Corporate Action / Event Driven Strategies:

I. IDCW Arbitrage

At the time of declaration of IDCW, the stock futures / options market can provide a profitable opportunity. Generally, the stock prices decline by the IDCW amount when the stock becomes ex-IDCW.

II. Buy-Back/ Open Offer Arbitrage

When the Company announces the buy-back or open offer of its own shares, there could be opportunities due to price differential in buyback price and traded price.

III. Merger

When the Company announces any merger, amalgamation, hive off, de-merger, etc, there could be opportunities due to price differential in the cash and the derivative market.

d) Portfolio Hedging:

This strategy will be adopted:

(i) If in an already invested portfolio of a Scheme, the Investment manager is expecting a market correction, the Investment manager may sell Index Futures to insulate the portfolio from the market related risks.

(ii) If there are significant inflows to the Scheme and the market expectations are bullish, the Investment manager may buy Index Futures to continue participation in the equity markets. This strategy is used to reduce the time to achieve the desired invested levels.

e) Reverse Arbitrage:

This strategy will be adopted if the cash price of a stock (say “XYZ”) is reasonably greater than single stock futures of XYZ, and then the Investment Manager may sell cash position in XYZ and buy single stock futures of XYZ. In this case the Investment Manager will still be having a long-term view on the stock XYZ but is able to minimize the cost of holding of XYZ.

f) Index/ Stock Futures:

A futures contract is a standardized contract between two parties where one of the parties commits to sell, and the other to buy, a stipulated quantity of a security at an agreed price on or before a given date in future.

Currently, futures contracts have a maximum expiration cycle of 3 months. Three contracts are available for trading, with 1 month, 2 months and 3 months expiry respectively. A new contract is introduced on the next trading day following the expiry of the relevant monthly contract. Futures contracts typically expire on the last Thursday of the month. For example a contract with the March 2021 expiration expires on the last Thursday of March 2021 (March 25, 2021).

Basic Structure of an Index Future
The Stock Index futures are instruments designed to give exposure to the equity markets indices. The Stock Exchange, Mumbai (BSE) and The National Stock Exchange (NSE) have trading in index futures of 1, 2 and 3 month maturities. The pricing of an index future is the function of the underlying index and short-term interest rates. Index futures are cash settled, there is no delivery of the underlying stocks.

Strategy

Through the purchase and sale of futures contracts, the Fund would seek to hedge against a decline in securities owned by the Fund or an increase in the prices of securities which the Fund plans to purchase.

The Fund would sell futures contracts on securities indices in anticipation of a fall in stock prices, to offset a decline in the value of its equity portfolio. When this type of hedging is successful, the futures contract increase in value while the Fund's investment portfolio declines in value and thereby keep the Fund's net asset value from declining as much as it otherwise would.

Similarly, when the Fund is not fully invested, and an increase in the price of equities is expected, the Fund would purchase futures contracts to gain rapid market exposure that may partially or entirely offset increase in the cost of the equity securities it intends to purchase.

Example using hypothetical figures:
1 month ABC Index Future
If the Scheme buys 2,000 futures contracts, each contract value is 50 times the futures index price.
Purchase Date : March 01, 2021
Spot Index :11,200.00
Future Price :11,300.00
Date of Expiry :March 25, 2021
Margin :10%

Assuming the exchange imposes a total margin of 10%, the Investment Manager will be required to provide a total margin of approx. Rs. 113,000,000 (i.e. 10%*11,300*2000*50) through eligible securities and cash.

Assuming on the date of expiry, i.e. March 28, 2019, ABC Index closes at 11,350, the net impact will be a profit of Rs. 5,000,000 for the Scheme, i.e. (11,350-11,300) * 2000 * 50 (Futures price = Closing spot price = Rs. 11,350.00)
Profits for the Scheme = (11,350-11,300) * 2000*50 = Rs. 5,000,000.

Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity.

The net impact for the Scheme will be in terms of the difference of the closing price of the index and cost price. Thus, it is clear from the above example that the profit or loss for the Scheme will be the difference between the closing price (which can be higher or lower than the purchase price) and the purchase price. The risks associated with index futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and potential mis-pricing of the futures.

g) Index/ Stock options
An option gives a person the right but not an obligation to buy or sell something. An option is a contract between two parties wherein the buyer receives a privilege for which he pays a fee (premium) and the seller accepts an obligation for which he receives a fee. The premium is the price negotiated and set when the option is bought or sold. A person who buys an option is said to be long in the option. A person who sells (or writes) an option is said to be short in the option.

An option contract may be of two kinds:
1) Call option
An option that provides the buyer the right to buy is a call option. The buyer of the call option can call upon the seller of the option and buy from him the underlying asset at the agreed price. The seller of the option has to fulfill the obligation upon exercise of the option.

2) Put option

The right to sell is called a put option. Here, the buyer of the option can exercise his right to sell the underlying asset to the seller of the option at the agreed price.

Option contracts are classified into two styles:

(a) European Style

In a European option, the holder of the option can only exercise his right on the date of expiration only.

(b) American Style

In an American option, the holder can exercise his right anytime between the purchase date and the expiration date.

Basic Structure of an Equity Option

In India, options contracts on indices are European style and cash settled whereas, option contracts on individual securities are American style and cash settled.

Strategy

The Scheme may purchase put and call stock/index options to hedge against a decline in securities owned by the Fund or an increase in the prices of securities which the Fund plans to purchase

Example using hypothetical figures:

Market type	: N Instrument
Type	: OPTSTK
Underlying	: XYZ Ltd. (XYZ)
Purchase date	: March 1, 2021
Expiry date	: March 25, 2021
Option Type	: Put Option (Purchased)
Strike Price	: Rs. 9,750.00
Spot Price	: Rs. 9,800.00
Premium	: Rs. 200.00
Lot Size	: 100
No. of Contracts	: 50

Say, the Mutual Fund purchases on March 1, 2021, 1 month Put Options on XYZ Ltd. (XYZ) on the NSE i.e. put options on 5000 shares (50 contracts of 100 shares each) of XYZ.

As these are American style options, they can be exercised on or before the exercise date i.e. March 25, 2021. If the share price of XYZ Ltd. falls to Rs. 9,500/- on March 25, 2021, and the Investment Manager decides to exercise the option, the net impact will be as Follows:

Premium Expense = Rs. 200 * 50 * 100 = Rs. 10,00,000/- Option Exercised at = Rs. 9,500/- Profits for the Mutual Fund = (9,750.00 - 9,500.00) * 50 * 100 = Rs. 12,50,000/- Net Profit = Rs. 12,50,000 - Rs. 10,00,000 = Rs. 2,50,000/-

In the above example, the Investment Manager hedged the market risk on 5000 shares of XYZ Ltd. by purchasing put options. Please note that the above example is given for illustration purposes only. Some assumptions have been made for the sake of simplicity. Certain factors like margins have been ignored. The purchase of Put Options does not increase the market risk in the Mutual Fund as the risk is already in the Mutual Fund's portfolio on account of the underlying asset position (in his example shares of XYZ Ltd.). The Premium paid for the option is treated as an expense and added to the holding cost of the relevant security. Additional risks could be on account of illiquidity and potential mis-pricing of the options.

h) Writing call options under Covered call strategy

A call option gives the holder (buyer) the right but not the obligation to buy an asset by a certain date for a certain price. Covered calls are an options strategy where a person holds a long position in an asset and writes (sells) call options on that same asset to generate an income stream. The Scheme may write call options under covered call strategy, as permitted by Regulations.

Benefits of using Covered Call strategy in Mutual Funds:

The covered call strategy can be followed by the Fund Manager in order to hedge risk thereby

resulting in better risk adjusted returns of the Scheme. This strategy is also employed when the Fund Manager has a short-term neutral view on the asset and for this reason holds the asset long and simultaneously takes a short position via covered call option strategy to generate income from the option premium. The strategy offers the following benefits:

a) Hedge against market risk - Since the fund manager sells a call option on a stock already owned by the mutual fund scheme, the downside from fall in the stock price would be lower to the extent of the premium earned from the call option.

b) Generating additional returns in the form of option premium in a range bound market.

Thus, a covered call strategy involves gains for unit holders in case the strategy plays out in the right direction.

Illustration – Covered Call strategy using stock call options:

Suppose, a fund manager buys equity stock of ABC Ltd. For Rs. 1000 and simultaneously sells a call option on the same stock at a strike price of Rs. 1100. The scheme earns a premium of say, Rs. 50. Here, the fund manager does not think that the stock price will exceed Rs. 1100.

Scenario 1: Stock price exceeds Rs. 1100
The call option will get exercised and the fund manager will sell the stock to settle his obligation on the call at Rs. 1100 (earning a return of 10% on the stock purchase price). Also, the scheme has earned a premium of Rs. 50 which reduced the purchase cost of the stock (Rs. 1000 – Rs. 50 = Rs. 950).
Net Gain – Rs. 150

Scenario 2: Stock prices stays below Rs. 1100
The call option will not get exercised and will expire worthless. The premium earned on call option will generate alpha for the scheme.
Net Gain – Rs. 50

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

FIXED INCOME DERIVATIVES

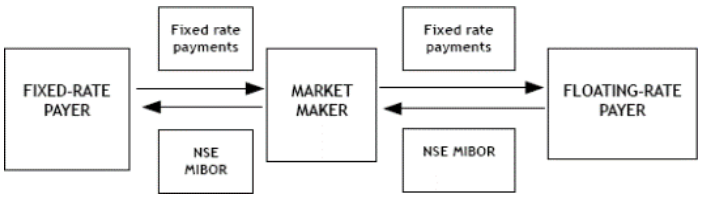
1) Interest Rate Swap (IRS)

Any swap is effectively an exchange of one set of cash-flows for another considered to be of equal value. If the exchange of cash flows is linked to interest rates, it becomes an interest rate swap.
An interest rate swap is an agreement between two parties to exchange future payment streams based on a notional amount. Only the interest on the notional amount is swapped, and the principal amount is never exchanged.
In a typical interest rate swap, one party agrees to pay a fixed rate over the term of the agreement and to receive a variable or floating rate of interest. The counterparty receives a stream of fixed rate payments at regular intervals as described in the agreement and pays the floating rate of interest. A fixed/ floating interest rate swap is characterized by:

1. Fixed interest rate;
2. Variable or floating interest rate, which is periodically reset;
3. Notional principal amount upon which total interest payments are based; and
4. The terms of the agreement, including a schedule of interest rate reset dates, payment dates and termination date.

The primary reason for engaging in an interest rate swap is to hedge the interest rate exposure. An illustration could be an institution having long-term fixed rate assets (longer tenor securities receiving fixed rate) in a rising interest rate environment; it can hedge the interest rate exposure by purchasing an interest rate swap where the institution receives floating interest rate and pays fixed rate. In this

case, an interest rate swap is likely to reduce the duration and interest rate volatility of the fund.



Example:
Terms:

Fixed Interest Rate	:	8.50% p.a.
Variable Interest Rate	:	NSE Over-Night MIBOR reset daily and compounded daily
Notional Principal Amount:		Rs.100 Crore
Period of Agreement	:	1 year
Payment Frequency	:	Semi-annual

Now, suppose the six-month period from the effective date of the swap to the first payment date comprises 182 days and the daily compounded NSE Over-Night MIBOR is 8.15% p.a. on the first payment date, then the fixed and variable rate payment on the first payment date would be as follows:

Fixed rate payment:
Rs. 4,23,83,562 = (Rs.100,00,00,000) x (8.50%) x (182 Days / 365 Days)

Variable rate payment:
Rs. 4,06,38,356 = (Rs.100,00,00,000) x (8.15%) x (182 Days / 365 Days)
Often, a swap agreement will call for only the exchange of net amount between the counterparties. In the above example, the fixed- rate payer will pay the variable-rate payer a net amount of Rs. 17,45,205 = Rs. 4,23,83,562 - Rs. 4,06,38,356.

The second and final payment will depend on the daily NSE MIBOR compounded daily for the remaining 183 days. The fixed rate payment will also change to reflect the change in holding period from 182 days to 183 days.

2) Forward Rate Agreement (FRA)

An FRA is an off balance sheet agreement to pay or receive on an agreed future date, the difference between an agreed interest rate and the interest rate actually prevailing on that future date, calculated on an agreed notional principal amount. It is settled against the actual interest rate prevailing at the beginning of the period to which it relates rather than paid as a gross amount.

FRAs are purchased to hedge the interest rate risk; an investor facing uncertainty of the interest rate movements can fix the interest costs by purchasing an FRA.

An FRA is referred to by the beginning and end dates of the period covered. Thus a 5x8 FRA is one that covers a 3-month period beginning in 5-months and ending in 8-months. FRAs are purchased to hedge the interest rate risk; an investor facing uncertainty of the interest rate movements can fix the interest costs by purchasing an FRA.

An illustration could be a corporation having floating rate debt linked to an index such as say, 3-Month MIBOR. If the existing interest cost is at 8% on Rs.100 Crore for the next three months, the corporation can purchase a 3x6 FRA @ 8.1% on Rs.100 Crore and fix the interest cost for the 3-6 months period. If the actual 3-Month MIBOR after 3-months is at 8.25%, the corporation has saved 15 bps in interest cost. As the settlement is done at the beginning of the period, the savings in interest expense are discounted to a present value using a 3-month rate to calculate the actual settlement amount.

The flows for the institution will be, as follows:

Interest Savings = Rs. 100 Crore * 15 bps * 92/365
(assuming 92 days in the 3 month FRA period and 365 days in the conventional year) = Rs.3,78,082.19 Settlement Amount = Rs.3,78,082.19/ (1+8.25%*92/365)

Please note that the above examples are hypothetical in nature and the figures are assumed.

3) Interest Rate Futures

An Interest Rate Futures ('IRF') contract is "an agreement to buy or sell a debt instrument at a specified future date at a price that is fixed today." The underlying security for Interest Rate Futures is either Government Bond or T-Bill. Interest Rate Futures are Exchange traded and standardized contracts based on 6 year, 10 year and 13 year Government of India Security and 91-day Government of India Treasury Bill (91DTB). These future contracts are cash settled. These instruments can be used for hedging interest rate exposure.

For example, assume a portfolio has Rs. 100 crores of Government security 7.59% GOI 2026 with face value Rs. 100/-. The bond is currently trading in market at 105.00.

The futures on 7.59% GOI 2026, expiring on 26th October 2018 is trading on exchange at 105.10.

Instead of exiting the cash position, the fund manager can decide to hedge the position by selling the same quantity in futures. Since one contract of IRF has a notional of Rs. 2 lakhs, in this example the fund manager sells Rs. 100 crores/2 lakhs = 5000 contracts, to hedge his position.

At maturity, the settlement price of the futures will be almost same as closing price of the underlying security.

At maturity of the Interest Rate Futures

Case 1: At maturity Bonds close higher than the price at which fund manager hedged the position, but below the futures price at which he hedged

Closing price of Bonds on day of maturity of futures =
105.05 Settlement price of futures = 105.05
MTM gain on the underlying bond = (105.05-105.00) * 100 crores / 100 (i.e. face value of bond) = Rs. 5,00,000 The profit on the futures leg is = 5000*2lakhs *(105.10-105.05)/ 100 (i.e. face value of bond) = Rs 5,00,000 Overall profit to the fund = Rs 10,00,000

Case 2: At maturity bonds close higher than the level at which futures were sold

In case, the closing price of bonds on the day of maturity of futures =
105.20, Settlement price of futures = 105.20
The MTM gain on bonds = (105.20-105.00) * 100 crores /100 (i.e. face value of bond) = Rs. 20,00,000 Loss on futures leg = 5000*2 lakhs * (105.10-105.20) /100 (i.e. face value of bond) = (Rs 10,00,000) Total Profit to the fund = Rs 10,00,000

Case 3: At maturity bonds sells off from levels were hedges were initiated

In case, the closing price of bonds on the day of maturity of futures =
104.80, Settlement price of futures = 104.80
The MTM loss on bonds = (104.80-105.00) * 100 crores= (Rs. 20,00,000)
Profit on futures leg = 5000*2 lacs * (105.10-104.80) = Rs 30,00,000 Total Profit to the fund = Rs 10,00,000

- Participation of mutual funds in ETCDs shall be subject to the following:

i. The Fund may participate in ETCDs in India, except in commodity derivatives on 'Sensitive Commodities'

ii. ETCDs having Gold as the underlying, shall also be considered as 'gold related instrument' for Gold Exchange Traded Funds (Gold ETFs).

iii. The scheme may participate in the ETCDs as 'client' and shall be subject to all the rules, regulations and instructions, position limit norms, etc. as may be applicable to clients, issued by SEBI and Exchanges from time to time. The position limits at mutual fund level be as applicable to 'Trading Members'.

iv. The cumulative gross exposure through Physical gold and gold related Instrument, Cash and Cash Equivalent, Exchange Traded Commodity Derivatives and such other securities/assets as may be permitted by the SEBI from time to time subject to regulatory approvals, if any should shall not exceed 100% of the net assets of the scheme.

v. The Scheme shall not have net short positions in ETCDs on any particular good, considering its positions in physical goods as well as ETCDs, at any point of time.

vi. The AMC shall not onboard Foreign Portfolio Investors (FPIs) in the Scheme investing in ETCDs until FPIs are permitted to participate in ETCDs.
In Compliance with Paragraph 4.2.13 of SEBI Master Circular for Mutual Funds dated March 20, 2026, the cumulative exposure to gold related instruments i.e. Gold Deposit Scheme (GDS) of banks, Gold Monetization Scheme (GMS) and ETCD having gold as the underlying shall not

exceed 50% of net asset value of the scheme. However, within the 50% limit, the investment limit for GDS and GMS as part of gold related instrument shall not exceed 20% of net asset value of the scheme. The unutilized portion of the limit for GDS of banks and GMS can be utilized for ETCD having gold as the underlying

Regulation on exposure to derivatives

The position limits for trading in derivatives by Mutual Funds specified by Paragraph 8.6 of SEBI Master Circular for Mutual Funds dated March 20,2026 are as follows:

i. **Position limit for the Mutual Fund in index options contracts:**

a. The Mutual Fund position limit in all index options contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest in the market in index options, whichever is higher, per Stock Exchange.
b. This limit would be applicable on open positions in all options contracts on a particular underlying index.

ii. **Position limit for the Mutual Fund in index futures contracts:**

a. The Mutual Fund position limit in all index futures contracts on a particular underlying index shall be Rs. 500 crore or 15% of the total open interest in the market in index futures, whichever is higher, per Stock Exchange.
b. This limit would be applicable on open positions in all futures contracts on a particular underlying index.

iii. **Additional position limit for hedging:**

In addition to the position limits at point (i) and (ii) above, Fund may take exposure in equity index derivatives subject to the following limits:

a. Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.
b. Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

iv. Position limit for the Mutual Fund for stock based derivative contracts:

The combined futures and options position limit shall be 20% of the applicable Market Wide Position Limit (MWPL).

v. **Position limit for the Scheme:**

The position limits for the Scheme and disclosure requirements are as follows:

a. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a Fund shall not exceed the higher of 1% of free float market capitalization (in terms of number of shares).

   Or

   5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).
b. This position limit shall be applicable on the combined position in all derivative contracts on a underlying stock at a Stock Exchange.
c. For index based contracts, the Mutual Fund shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

As and when SEBI notifies amended limits in position limits for exchange traded derivative contracts in future, the aforesaid position limits, to the extent relevant, shall be read as if they were substituted with the SEBI amended limits.

Exposure Limits:

With respect to investments made in derivative instruments, the Schemes shall comply with the following exposure limits in line with Paragraph 13.18.1 of the SEBI Master Circular for Mutual Funds dated March 20, 2026:

1. The cumulative gross exposure through equity, debt, derivative positions (including commodity and fixed income derivatives), repo transactions and credit default swaps in corporate debt securities, Infrastructure Investment Trusts (InvITs), other permitted securities/assets and such other securities/assets as may be permitted by SEBI from time to time should not exceed 100% of the net assets of the scheme. However, the following shall not be considered while calculating

the gross exposure:

a. Security-wise hedged position and
b. Exposure in cash or cash equivalents with residual maturity of less than 91 calendar days

2. The total exposure related to option premium must not exceed 20% of the net assets of the Scheme.

3. The Mutual Fund shall not write options or purchase instruments with embedded written options except for the Schemes where the covered call strategy is enabled.

4. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:

a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point 1.
c. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
d. The quantity of underlying associated with the derivative position taken for hedging purposes does not exceed the quantity of the existing position against which hedge has been taken.

5. (a) Mutual Funds may enter into plain vanilla Interest Rate Swaps (IRS) for hedging purposes. The value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme.

(b) In case of participation in IRS is through over the counter transactions, the counter party has to be an entity recognized as a market maker by RBI and exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme. However, if mutual funds are transacting in IRS through an electronic trading platform offered by the Clearing Corporation of India Ltd. (CCIL) and CCIL is the central counterparty for such transactions guaranteeing settlement, the single counterparty limit of 10% shall not be applicable.

6. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1.

7. Definition of Exposure in case of Derivative Positions:
Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

Position	Exposure
Long Future	Futures Price * Lot Size * Number of Contracts
Short Future	Futures Price * Lot Size * Number of Contracts
Option Bought	Option Premium Paid * Lot Size * Number of Contracts

8. To reduce interest rate risk in a debt portfolio, the Mutual funds may hedge the portfolio or part of the portfolio (including one or more securities) on weighted average modified duration basis by using Interest Rate Futures (IRFs). The maximum extent of short position that may be taken in IRFs to hedge interest rate risk of the portfolio or part of the portfolio, is as per the formula given below:

$$\frac{\text{(Portfolio Modified Duration*Market Value of the Portfolio)}}{\text{(Futures Modified Duration*Futures Price/PAR)}}$$

9. The Scheme shall not carry out imperfect hedging using IRFs.

2. Swing Pricing

SWING PRICING FRAMEWORK FOR OPEN DEBT SCHEME(S) OF THE FUND

Paragraph 5.8 of SEBI Master Circular for Mutual Funds dated March 20, 2026, Swing pricing framework shall be applicable to open ended debt mutual fund schemes (except overnight funds, Gilt funds and Gilt with 10-year maturity funds) only for scenarios related to net outflows from the schemes.

Below are the provisions with respect to swing pricing framework for concerned schemes of the Fund:

Swing Pricing Framework

Pursuant to the SEBI Circular the below swing pricing framework will be adapted during the market dislocation times. Currently, Fund has decided not to adopt policy pertaining to swing pricing during normal times.

Meaning of Swing Pricing:

Swing pricing refers to a process of adjusting scheme's net asset value (NAV) to effectively pass on transaction costs stemming from net capital activity (i.e., flows into or out of the fund) to the investors associated with that activity during the life of a fund, excluding ramp-up period or termination. In a liquidity-challenged environment, quoted bid/ask spreads and overall trading cost can widen and may not be representative of the executed prices that can be achieved in the market.

Swing pricing can be a useful mechanism to contribute to protect the interests of existing investors, specifically from the dilution of their holdings and value of the investor's capital and thus contribute to protect the value of the investors capital. Swing pricing mechanism is a tools which can help protect remaining investors during any of the below instances when:

- Any large investors choose to redeem where their actions would have material market impact costs
- More active trading takes place for the scheme or
- Scheme hold illiquid assets.

Market Dislocation:

SEBI will determine 'market dislocation' either based on AMFI's recommendation or suo moto. SEBI shall notify once market dislocation is declared that swing pricing will be applicable for a specified period.

Subsequent to the announcement of market dislocation, the swing pricing framework shall be mandated only for open ended debt schemes (except overnight funds, Gilt funds and Gilt with 10-year maturity funds) in terms of Paragraph 5.8.3 (b) of the SEBI Master Circular for Mutual Funds dated March 20, 2026 which:

a. has High or Very High risk on the risk-o-meter in terms of Paragraph 5.8.3 (b) of the SEBI Master circular for Mutual Funds dated March 20,2026 (as of the most recent period at the time of declaration of market dislocation) and
b. classifies themselves in the cells A-III, B-II, B-III, C-I, C-II and C-III of Potential Risk Class (PRC) Matrix in terms of Paragraph 5.8.3 (b) of the SEBI Master Circular for Mutual Funds dated March 20, 2026.

Swing Threshold:

Swing threshold refers to a pre-determined threshold set in terms of percentage of AUM that trigger the adjustment in the NAV (swinging of the NAV).During the market dislocation times swing pricing will be adapted when the scheme has net outflow irrespective of any swing threshold. Swing pricing shall be made applicable to all unitholders at PAN level for (redemptions and subscriptions) except for redemptions up to INR 2 lacs for each mutual fund scheme.

Currently, except quant Overnight Fund and quant Gilt Fund, quant Liquid Fund is the Open Ended

Debt Scheme. As per Paragraph 6.18 of the SEBI Master Circular for Mutual Funds dated March 20, 2026, the PRC matrix assigned to quant Liquid Fund is B-I and hence mandatory swing pricing framework is not applicable to the scheme.

3. Provisions on creation of Segregated portfolio/Side pocketing

Creation of segregated portfolio shall be subject to guidelines specified by SEBI from time to time and includes the following:

1. Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:
a. Downgrade of a debt or money market instrument to 'below investment grade', or
b. Subsequent downgrades of the said instruments from 'below investment grade', or
c. Similar such downgrades of a loan rating

In case of unrated debt or money market instruments of an issuer that does not have any outstanding rated debt or money market instruments, actual default of either the interest or principal amount by the issuer of such instruments shall be considered as a Credit Event for creation of Segregated Portfolio.

2. In case of difference in rating by multiple CRAs, the most conservative rating shall be considered. Creation of segregated portfolio shall be based on issuer level credit events as mentioned above and implemented at the ISIN level.

3. Creation of segregated portfolio is optional and is at the discretion of the AMC. It shall be created only if the Scheme Information Document (SID) of the scheme has provisions for segregated portfolio with adequate disclosures.

Process for Creation of Segregated Portfolio:

1. On the date of credit event, AMC should decide on creation of segregated portfolio. Once AMC decides to segregate portfolio, it should:
a. seek approval of trustees prior to creation of the segregated portfolio.
b. immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. The Fund will also disclose that the segregation shall be subject to Trustee approval. Additionally, the said press release will be prominently disclosed on the website of the AMC.
c. ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme will be suspended for processing with respect to creation of units and payment on redemptions.

2. Once Trustee approval is received by the AMC:
a. Segregated portfolio will be effective from the day of credit event
b. AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information will also be submitted to SEBI.
c. An e-mail or SMS will be sent to all unit holders of the concerned scheme.
d. The NAV of both segregated and main portfolios will be disclosed from the day of the credit event.
e. All existing investors in the scheme as on the day of the credit event will be allotted equal number of units in the segregated portfolio as held in the main portfolio.
f. No redemption and subscription will be allowed in the segregated portfolio. However, upon recovery of any money from segregated portfolio, it will be immediately distributed to the investors in proportion to their holding in the segregated portfolio.
g. AMC should enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests
h. All subscription and redemption requests for which NAV of the day of credit event or subsequent day is applicable will be processed as per the existing SEBI circular on applicability of NAV as under:

Upon trustees' approval to create a segregated portfolio –

• Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.

• Investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV. After creation of segregated portfolio, investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio. Further investors subscribing to the scheme will be allotted units only in the main portfolio based on its NAV.

3. If the trustees do not approve the proposal to segregate portfolio, AMC will issue a press release immediately informing investors of the same and subscription and redemption applications will be processed based on the NAV of total portfolio.

4. Notwithstanding the decision to segregate the debt and money market instrument, the valuation shall take into account the credit event and the portfolio shall be valued based on the principles of fair valuation (i.e. realizable value of the assets) in terms of the relevant provisions of SEBI (Mutual Funds) Regulations, 2026 and Circular(s) issued thereunder.

TER for the Segregated Portfolio

1) AMC will not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.
2) The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence. In addition to the TER mentioned above, the legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio as mentioned below.
3) The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
4) The costs related to segregated portfolio shall in no case be charged to the main portfolio.

Explanations:

1) The term 'segregated portfolio' means a portfolio, comprising of debt or money market instrument affected by a credit event that has been segregated in a mutual fund scheme.
2) The term 'main portfolio' means the scheme portfolio excluding the segregated portfolio.
3) The term 'total portfolio' means the scheme portfolio including the securities affected by the credit event.

Disclosure Requirements:

In order to enable the existing as well as the prospective investors to take informed decision, the following shall be adhered to:

a. A statement of holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of the credit event shall be communicated to the investors within 5 working days of creation of the segregated portfolio.
b. Adequate disclosure of the segregated portfolio shall appear in all scheme related documents, in monthly and half-yearly portfolio disclosures and in the annual report of the Mutual Fund and the Scheme.
c. The Net Asset Value (NAV) of the segregated portfolio shall be declared on daily basis.
d. The information regarding number of segregated portfolios created in a scheme shall appear prominently under the name of the scheme at all relevant places such as SID, KIM-cum-Application Form, advertisement, AMC and AMFI websites, etc.
e. The scheme performance required to be disclosed at various places shall include the impact of creation of segregated portfolio. The scheme performance shall clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and the said fall in NAV along with recovery (ies), if any, shall be disclosed as a footnote to the scheme performance.
f. The disclosures at paragraph (d) and (e) above regarding the segregated portfolio shall be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.

g. The investors of the segregated portfolio shall be duly informed of the recovery proceedings of the investments of the segregated portfolio. Status update may be provided to the investors at the time of recovery and also at the time of writing- off of the segregated securities.

Monitoring by Trustees:

a. In order to ensure timely recovery of investments of the segregated portfolio, trustees shall ensure that:

i. The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
ii. Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
iii. An Action Taken Report (ATR) on the efforts made by the AMC to recover the investments of the segregated portfolio is placed in every trustee meeting till the investments are fully recovered/ written-off.
iv. The trustees shall monitor the compliance of this circular and disclose in the half-yearly trustee reports filed with SEBI, the compliance in respect of every segregated portfolio created.

b. In order to avoid mis-use of segregated portfolio, trustees shall ensure to have a mechanism in place to negatively impact the performance incentives of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio, mirroring the existing mechanism for performance incentives of the AMC, including claw back of such amount to the segregated portfolio of the scheme.

Risks associated with segregated portfolio

1) Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer.
2) Security comprises of segregated portfolio may not realise any value.
3) Listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.
