This Key Information Memorandum (KIM) sets forth the information, which a prospective investor ought to know before investing. For further details of the scheme/Mutual Fund, due diligence certificate by the AMC, Key Personnel, investors' rights & services, risk factors, penalties & pending litigations, associate transactions etc. investors should, before investment, refer to the Offer Document available free of cost at any of the Investor Service Centres or distributors or from the website [www.quantmutual.com](http://www.quantmutual.com).

The Scheme particulars have been prepared in accordance with Securities and Exchange Board of India (Mutual Funds) Regulations 1996, as amended till date, and filed with Securities and Exchange Board of India (SEBI). The units being offered for public subscription have not been approved or disapproved by SEBI, nor has SEBI certified the accuracy or adequacy of this KIM.

This Key Information Memorandum is dated April 14, 2023 .

<p><b>Investment Objective</b></p>	<p>The primary investment objective of the scheme is to seek to generate consistent by investing in equity and equity related instruments falling under the category of large cap companies. The AMC will have the discretion to completely or partially invest in any of the type of securities stated above with a view to maximize the returns or on defensive considerations. However, there can be no assurance that the investment objective of the Scheme will be realized, as actual market movements may be at variance with anticipated trends.</p>																									
<p><b>Asset Allocation Pattern of the scheme</b></p>	<table border="1"> <thead> <tr> <th data-bbox="578 363 980 428" rowspan="2">Instruments</th> <th colspan="2" data-bbox="980 363 1252 428">Indicative Allocations (% of total assets)</th> <th data-bbox="1252 363 1472 428">Risk Profile</th> </tr> <tr> <th data-bbox="980 428 1122 464">Minimum</th> <th data-bbox="1122 428 1252 464">Maximum</th> <th data-bbox="1252 428 1472 464">High/Medium/Low</th> </tr> </thead> <tbody> <tr> <td data-bbox="578 464 980 527">Equities &amp; Equity related instruments of large cap companies</td> <td data-bbox="980 464 1122 527">80</td> <td data-bbox="1122 464 1252 527">100</td> <td data-bbox="1252 464 1472 527">Very High</td> </tr> <tr> <td data-bbox="578 527 980 590">Equities &amp; Equity related instruments of companies other than large cap</td> <td data-bbox="980 527 1122 590">0</td> <td data-bbox="1122 527 1252 590">20</td> <td data-bbox="1252 527 1472 590">Very High</td> </tr> <tr> <td data-bbox="578 590 980 632">Debt &amp; Money Market Instruments</td> <td data-bbox="980 590 1122 632">0</td> <td data-bbox="1122 590 1252 632">20</td> <td data-bbox="1252 590 1472 632">Low to Medium</td> </tr> <tr> <td data-bbox="578 632 980 653">Units issued by REITs and InvITs</td> <td data-bbox="980 632 1122 653">0</td> <td data-bbox="1122 632 1252 653">10</td> <td data-bbox="1252 632 1472 653">Very High</td> </tr> </tbody> </table>	Instruments	Indicative Allocations (% of total assets)		Risk Profile	Minimum	Maximum	High/Medium/Low	Equities & Equity related instruments of large cap companies	80	100	Very High	Equities & Equity related instruments of companies other than large cap	0	20	Very High	Debt & Money Market Instruments	0	20	Low to Medium	Units issued by REITs and InvITs	0	10	Very High		
Instruments	Indicative Allocations (% of total assets)		Risk Profile																							
	Minimum	Maximum	High/Medium/Low																							
Equities & Equity related instruments of large cap companies	80	100	Very High																							
Equities & Equity related instruments of companies other than large cap	0	20	Very High																							
Debt & Money Market Instruments	0	20	Low to Medium																							
Units issued by REITs and InvITs	0	10	Very High																							
<p>The Scheme does not intend to invest in securities with Structured Obligations or Credit Enhancements.</p> <p>The Scheme retains the flexibility to invest across all the securities in the debt and money markets as permitted by SEBI / RBI from time to time, including schemes of mutual funds.</p> <p><b>Overseas Investment:</b> The Scheme may seek investment opportunities in foreign securities including ADRs / GDRs / Foreign equity and debt securities subject to the Regulations. Such investment shall not exceed 20% of the net assets of the Scheme.</p> <p>The Scheme shall invest in units/securities issued by overseas mutual funds investing in eligible securities in terms of SEBI circular no. SEBI/IMD/CIR No.7/104753/07 dated September 26, 2007 read with SEBI circular no. SEBI/HO/IMD/DF3/CIR/P/2020/225 dated November 5, 2020 and SEBI circular no. SEBI/HO/IMD/IMD-II/DOF3/CIR/P/2021/571 dated June 3, 2021, mutual funds can make overseas investments (other than overseas ETF) subject to a maximum of US \$ 1 billion and in overseas ETF subject to a maximum \$300 million or such limits as amended from time to time / RBI, and commensurate with the scheme objectives. The Mutual Fund may also appoint overseas investment advisors and other service providers, to the extent permissible under the Regulations.</p> <p><b>Trading in Derivatives:</b> The scheme may use 100% of net assets of Equity &amp; Equity related instruments derivative exposure only for hedging purpose. Further, in case of other than hedging purpose, the scheme shall not exceed 50% of net assets. For example, if the scheme uses 50% of net assets for hedging purpose then the scheme shall use other 50% for other than hedging purpose and if the scheme uses 100% of net assets for hedging purpose then the scheme shall not use any exposure for other than hedging purpose. The cumulative gross exposure through equity, debt, derivative positions (including fixed income derivatives), repo transactions, Real Estate Investment Trusts (REITs), Infrastructure Investment Trusts (InvITs) and such other securities/assets which will be subject to SEBI approval in line with Regulation 18 (15A) of SEBI (Mutual Fund) Regulations, 1996, in case of any modification/changes in the SID of the scheme . The Scheme may use derivatives for such purposes as maybe permitted by the Regulations,</p>																										

	<p>, including for the purpose of hedging and portfolio balancing, based on the opportunities available and subject to guidelines issued by SEBI from time to time.</p> <p>The cumulative gross exposure through equity, debt (including money market instruments), units issued by REITs &amp; InvITs and derivative position should not exceed 100% of the net assets of the Scheme in accordance with SEBI circular no. Cir/MD/DF/11/2010 dated August 18, 2010 and March 04, 2021</p> <p><b>Securitized debt:</b> Investment in Securitized debt (excluding foreign securitized debt), if undertaken, would not exceed 10% of the net assets of the Scheme.</p>
<p><b>Investment Strategy of the Schem</b></p>	<p>The primary investment objective of the Scheme is to seek to generate long-term capital appreciation by creating a portfolio that shall predominantly invest in equity and equity related instruments falling under the category of large cap companies. Though the benchmark is NIFTY 100 TRI, the investments will not be limited to the companies constituting the benchmark.</p> <p>The list is only indicative of the universe of stock that the fund may invest into. It is not exhaustive, and the fund may invest in other companies as well. The fund will combine top down and bottom up approach to construct the portfolio.</p> <p>qMML may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unitholders and if market conditions warrant it. No assurance can be given that the fund manager will be able to identify or execute such strategies.</p> <p>The Scheme may also invest a part of its corpus in overseas markets, Global Depository Receipts (GDRs), ADRs, overseas equity, bonds and mutual funds and such other instruments as may be allowed under the Regulations from time to time.</p> <p>The Scheme may engage in Stock Lending activities.</p> <p><b>Sector level screening:</b></p> <p>The scheme will exclude sectors/themes that are deemed harmful from a societal perspective. We will avoid investment in companies operating in those industries and maintain that exclusion on an ongoing basis. For example we will not invest in companies involved in Cluster Munitions, Anti- Personnel Mines, and Chemical &amp; Biological Weapons. We will not hold any security that is involved in the production, stockpiling, transfer and use of these weapons.</p> <p><b>Portfolio Construction:</b></p> <p>The portfolio shall be structured so as to keep risk at acceptable levels on the risk-on / risk-off environment. This shall be done through various measures including:</p> <ol style="list-style-type: none"> <li>1. Broad diversification of portfolio.</li> <li>2. Ongoing review of relevant market, industry, sector and economic parameters.</li> <li>3. Investing in companies which have been researched.</li> <li>4. Investments in debentures and bonds will usually be in instruments which have been assigned investment grade ratings by any approved rating agency.</li> </ol> <p>The AMC may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of the unitholders and if market conditions warrant it. Investments in securities and instruments not specifically mentioned earlier may also be made, provided they are permitted by SEBI/RBI and approved by the Trustee. However, such investments shall be made keeping in view the Fundamental Attributes of the Scheme.</p>

<p><b>Risk Profile of the Scheme</b></p>	<p>Mutual Fund investments are subject to market risks. Please read the SID carefully for details on risk factors before investment. Scheme specific risk factors are summarized below:</p> <p><b>Risk factors associated with investing in equities and equity related instruments</b></p> <ol style="list-style-type: none"> <li>1. Equity shares and equity related instruments are volatile and prone to price fluctuations on a daily basis. Investments in equity shares and equity related instruments involve a degree of risk and investors should not invest in the Scheme unless they can afford to take the risks.</li> <li>2. Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges. Investment in such securities may lead to increase in the scheme portfolio risk.</li> </ol> <p><b>Risk factors associated with investing in debt and money market instruments</b></p> <p><b>Credit Risk:</b> Debt instruments carry a Credit Risk, which essentially implies a failure on the part of the issuer of the security to honour its principal or interest repayment obligations. This inability of a credit issuer to honour its obligation is generally a function of underlying performance of the asset, in terms of generating the requisite cashflows. Credit risks of debt securities are rated by independent rating agencies. These ratings range from 'AAA' (read as 'Triple A' denoting 'Highest Safety') to 'D' (denoting 'Default'), with intermediate ratings between the two extremes. Deteriorating credit profile of an issuer may lead to a rating agency lowering the rating on its debt instruments; this is likely to lead to a fall in the price of these instruments.</p> <p><b>Liquidity Risk:</b> Liquidity risk for debt instruments refers to the possibility that there might not be a ready buyer for the debt instrument at a time when the scheme decides to sell it. Liquidity risk is generally a function of the issuer (government securities are generally more liquid than corporate bonds), ratings (higher rated instruments are generally more liquid), and tenure (near tenure instruments are generally more liquid).</p> <p><b>Interest-Rate Risk:</b> In case of fixed income bearing debt instruments, when interest rates rise, prices of the securities decline and when interest rates fall, the prices increase. The extent of sensitivity of a security to movement in interest rates is determined by its duration, which is a function of the existing coupon, the payment-frequency of such coupon, and days to maturity. Floating rate securities, with coupon linked to market interest rates have less sensitivity to interest rate risk.</p> <p><b>Re-investment Risk:</b> Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original coupon of the bond.</p> <p><b>Prepayment Risk:</b> Certain fixed income instruments come with a 'call option' which give the issuer the right to redeem the security through prepayment before the maturity date. This option is generally exercised in periods of declining interest rates, and will result in the scheme having to reinvest the proceeds of prepayment at lower yields, resulting in lower interest income.</p> <p><b>Basis Risk:</b> The underlying benchmark of a floating rate security or a swap might become less active or may cease to exist and thus may not be able to capture the exact interest rate movements, leading to loss of value of the portfolio.</p> <p><b>Spread Risk:</b> In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. In the life of the security this spread may move adversely leading to loss in value of the portfolio. The yield of the underlying benchmark might not change, but the spread of the security over the underlying benchmark might increase leading to loss in value of the security.</p> <p><b>Liquidity Risk:</b> The liquidity of a bond may change, depending on market conditions leading to changes in the liquidity premium attached to the price of the bond. At the time of selling the security, the security can become illiquid, leading to loss in value of the portfolio.</p>
--	--

	<p><b>Liquidity Risk on account of unlisted securities:</b> The liquidity and valuation of the Schemes' investments due to their holdings of unlisted securities may be affected if they have to be sold prior to their target date of divestment. The unlisted security can go down in value before the divestment date and selling of these securities before the divestment date can lead to losses in the portfolio.</p> <p><b>Settlement Risk:</b> Fixed income securities run the risk of settlement which can adversely affect the ability of the fund house to swiftly execute trading strategies which can lead to adverse movements in NAV.</p> <p><b>Risk associated with Securitized Debt</b></p> <p>The Scheme may invest in domestic securitized debt such as Asset Backed Securities (ABS) or Mortgage Backed Securities (MBS). ABS are securitized debts where the underlying assets are receivables arising from various loans including automobile loans, personal loans, loans against consumer durables, etc. MBS are securitized debts where the underlying assets are receivables arising from loans backed by mortgage of residential / commercial properties.</p> <p>At present in Indian market, following types of loans are securitized:</p> <ol style="list-style-type: none"> <li>1. Auto Loans (cars / commercial vehicles /two wheelers)</li> <li>2. Residential Mortgages or Housing Loans</li> <li>3. Consumer Durable Loans</li> <li>4. Personal Loans</li> <li>5. Corporate Loans</li> </ol> <p>In terms of specific risks attached to securitization, each asset class would have different underlying risks. Residential Mortgages generally have lower default rates than other asset classes, but repossession becomes difficult. On the other hand, repossession and subsequent recovery of commercial vehicles and other auto assets is fairly easier and better compared to mortgages. Asset classes like personal loans, credit card receivables are unsecured and in an economic downturn may witness higher default. A corporate loan/receivable, depend upon the nature of the underlying security for the loan or the nature of the receivable and the risks correspondingly fluctuate.</p>	
<b>Risk Mitigation</b>	<b>Risk &amp; Description specific to Equities</b>	<b>Risk Mitigants / Management Strategy</b>
	Quality risk Risk of investing in unsustainable / weak companies.	Investment universe carefully selected to only include high quality businesses.
	Price risk Risk of overpaying for a company.	"Fair value" based investment approach supported by comprehensive research.
	Risk of fluctuations in the value of the investment portfolio	The Scheme may use techniques and instruments such as futures and options etc. to hedge the risk of fluctuations in the value of the investment portfolio. The scheme may enter into derivatives transactions in a recognised stock exchange for the purpose of hedging and portfolio balancing in accordance with the guidelines and circulars issued by SEBI from time to time.
	Concentration risk	In order to diversify individual company risk, the fund will on an average and under normal circumstances invest across companies across various sectors. The quantum of exposure shall be decided on the basis of relative earnings, growth, valuations and potential valuations. As the fund intends to hold less number of stocks than a diversified growth fund, the NAV volatility (risk)
	Credit Risk	This risk shall be mitigated by investing in papers which have a high degree of safety. Further this risk is minimal in case of securities issued by central / state government/.
	Liquidity Risk	This risk shall be mitigated by striving to avoid investing in

		thinly traded securities or securities with lower volumes.																																			
	Interest-Rate Risk	This risk can be mitigated by the fund manager striving to maintain portfolio duration which is appropriate for market conditions.																																			
	Prepayment Risk	This risk can be mitigated by minimizing investments in securities with 'call options', unless favourable market conditions makes investments in such securities attractive.																																			
<b>Plans and Options</b>	<p>The investor can opt for the following:</p> <p><b>A. Regular Plan (For applications routed through Distributors):</b></p> <ol style="list-style-type: none"> <li>1. Growth (Capital Appreciation)</li> <li>2. Income Distribution cum Capital Withdrawal (IDCW) (Regular Income)</li> </ol> <p><b>B. Direct Plan (For applications not routed through Distributors):</b></p> <ol style="list-style-type: none"> <li>1. Growth (Capital Appreciation)</li> <li>2. IDCW (Regular Income)</li> </ol> <p>• <b>Default Options</b>                  In case the investor does not select suitable alternative, defaults applicable shall be as follows:                  Default Plan - Direct Default Option – Growth                  Default IDCW Payout Option – Re-invest</p> <p>Investors are requested to note the following scenarios for the applicability of “Direct Plan (application not routed through distributor) or Regular Plan (application routed through distributor)” for valid applications received under the scheme:</p>

<p><b>Unitholders' Information</b></p>	<p><b>Account Statements</b></p> <ul style="list-style-type: none"> <li>On acceptance of the application for subscription, an allotment confirmation specifying the number of units allotted by way of e-mail and/or SMS within 5 business days from the date of receipt of transaction request/allotment will be sent to the Unit Holders registered e-mail address and/or mobile number.</li> <li>In case of Unit Holders holding units in the dematerialized mode, the Fund will not send the account statement to the Unit Holders. The statement provided by the Depository Participant will be equivalent to the account statement.</li> <li>For those unit holders who have provided an e-mail address, the AMC will send the account statement by e-mail.</li> <li>Unit holders will be required to download and print the documents after receiving e-mail from the Mutual Fund. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.</li> <li>The Unit holder may request for a physical account statement by writing/calling the AMC/ISC/Registrar. In case of specific request received from the Unit Holders, the AMC/Fund will provide the Account Statement to the Investors within 5 business days from the receipt of such request.</li> </ul> <p><b>Consolidated Account Statement (CAS)</b> CAS is an account statement detailing all the transactions and holding at the end of the month including transaction charges paid to the distributor, across all schemes of all mutual funds. CAS issued to investors shall also provide the total purchase value/cost of investment in each scheme.</p> <p>Further, CAS issued for the half-year (September/ March) shall also provide</p> <ol style="list-style-type: none"> <li>The amount of actual commission paid by AMC/Mutual Fund to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each scheme.</li> <li>The Scheme's average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.</li> </ol> <p>The word transaction will include purchase, redemption, switch, IDCW payout, IDCW reinvestment, systematic investment plan, systematic withdrawal plan and systematic transfer plan.</p> <p><b>For Unitholders not holding Demat Account:</b> CAS for each calendar month shall be issued, on or before fifteenth day of succeeding month by the AMC.</p> <p>The AMC shall ensure that a CAS for every half yearly (September/ March) is issued, on or before twenty first day of succeeding month, detailing holding at the end of the six month,</p>

across all schemes of all mutual funds, to all such investors in whose folios no transaction has taken place during that period.

The AMC shall identify common investors across fund houses by their Permanent Account Number (PAN) for the purposes of sending CAS. In the event the account has more than one registered holder, the first named Unit Holder shall receive the Account Statement.

The AMC will send statement of accounts by e-mail where the Investor has provided the e-mail id. Additionally, the AMC may at its discretion send Account Statements individually to the investors.

**For Unitholders holding Demat Account:**

SEBI vide its circular no. CIR/MRD/DP/31/2014 dated November 12, 2014 read with other applicable circulars issued by SEBI from time to time, to enable a single consolidated view of all the investments of an investor in Mutual Fund and securities held in demat form with Depositories, has required Depositories to generate and dispatch a single CAS for investors having mutual fund investments and holding demat accounts.

In view of the aforesaid requirement, for investors who hold demat account, for transactions in the schemes of quant Mutual Fund, a CAS, based on PAN of the holders, will be sent by Depositories to investors holding demat account, for each calendar month within 15th day of the succeeding month to the investors in whose folios transactions have taken place during that month.

CAS will be sent by Depositories every half yearly (September/March), on or before 21st day of succeeding month, detailing holding at the end of the six month, to all such investors in whose folios and demat accounts there have been no transactions during that period.

CAS sent by Depositories is a statement containing details relating to all financial transactions made by an investor across all mutual funds viz. purchase, redemption, switch, IDCW payout, IDCW reinvestment, systematic investment plan, systematic withdrawal plan, systematic transfer plan (including transaction charges paid to the distributor) and transaction in dematerialized securities across demat accounts of the investors and holding at the end of the month.

In case of demat accounts with nil balance and no transactions in securities and in mutual fund folios, the depository shall send account statement in terms of regulations applicable to the depositories. Investors whose folio(s)/ demat account(s) are not updated with PAN shall not receive CAS.

Consolidation of account statement is done on the basis of PAN. Investors are therefore requested to ensure that their folio(s)/ demat account(s) are updated with PAN. In case of multiple holding, it shall be PAN of the first holder and pattern of holding.

For Unit Holders who have provided an e-mail address to the Mutual Fund or in KYC records, the CAS is sent by e-mail. However, where an investor does not wish to receive CAS through email, option is given to the investor to receive the CAS in physical form at the address registered in the Depository system.

Investors who do not wish to receive CAS sent by depositories have an option to indicate their negative consent. Such investors may contact the depositories to opt out. Investors who do not hold demat account continue to receive CAS sent by RTA/AMC, based on the PAN, covering transactions across all mutual funds as per the current practice.

In case an investor has multiple accounts across two depositories; the depository with whom the account has been opened earlier will be the default depository.

The dispatches of CAS by the depositories constitute compliance by the AMC/ the Fund with the requirement under Regulation 36(4) of SEBI (Mutual Funds) Regulations. However, the AMC reserves the right to furnish the account statement in addition to the CAS, if deemed fit in the interest of investor(s).

Investors whose folio(s)/demat account(s) are not updated with PAN shall not receive CAS.

	<p>Investors are therefore requested to ensure that their folio(s)/demat account(s) are updated with PAN.</p> <p>For folios not included in the CAS (due to non-availability of PAN), the AMC shall issue monthly account statement to such Unit holder(s), for any financial transaction undertaken during the month on or before 15th of succeeding month by mail or email.</p> <p>For folios not eligible to receive CAS (due to non-availability of PAN), the AMC shall issue an account statement detailing holding across all schemes at the end of every six months (i.e. September/March), on or before 21st day of succeeding month, to all such Unit holders in whose folios no transaction has taken place during that period shall be sent by mail/e-mail.</p> <p><b>Option to hold units in dematerialised (demat) form</b></p> <p>Investors shall have an option to receive allotment of Mutual Fund units in their demat account while subscribing to the Scheme in terms of the guidelines/ procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time.</p> <p>Investors desirous of having the Units of the Scheme in dematerialized form should contact the ISCs of the AMC/Registrar.</p> <p>Where units are held by investor in dematerialized form, the demat statement issued by the Depository Participant would be deemed adequate compliance with the requirements in respect of dispatch of statements of account.</p> <p>In case investors desire to convert their existing physical units (represented by statement of account) into dematerialized form or vice versa, the request for conversion of units held in physical form into Demat (electronic) form or vice versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participants. In case the units are desired to be held by investor in dematerialized form, the KYC performed by Depository Participant shall be considered compliance of the applicable SEBI norms.</p> <p>Further, demat option shall also be available for SIP transactions. Units will be allotted based on the applicable NAV as per Scheme Information Document and will be credited to investors Demat Account on weekly basis on realization of funds.</p> <p>Units held in Demat form are freely transferable in accordance with the provisions of SEBI (Depositories and Participants) Regulations, as may be amended from time to time. Transfer can be made only in favour of transferees who are capable of holding units and having a Demat Account. The delivery instructions for transfer of units will have to be lodged with the Depository Participant in requisite form as may be required from time to time and transfer will be affected in accordance with such rules / regulations as may be in force governing transfer of securities in dematerialized mode.</p> <p>For details, Investors may contact any of the Investor Service Centres of the AMC.</p>
<p><b>Net Asset Value (NAV)</b></p>	<p>NAV shall be published on all business days on AMC website: <a href="http://www.quantmutual.com">www.quantmutual.com</a> and AMFI website: <a href="http://www.amfiindia.com">www.amfiindia.com</a></p>
